Utah Retirement System (URS)

Your monthly retirement benefit is provided by the URS, not the City. You must contact the URS at 801-366-7770 within 90-days of your retirement date. You may request an appointment with a Retirement Counselor who will help you complete your paperwork. The URS allows you to retire on the 1st or 16th of any month. You must be off City payroll prior to the retirement date you choose with the URS. You can visit www.urs.org for more information. **You must contact the URS directly at 801-366-7770 if you have questions regarding your monthly retirement benefit.**

Final Leave Time Payout Estimate

You may contact Payroll at 801-535-6395 or payroll@slcgov.com for an **estimate** of your leave time payout. Your payout will consist of the following:

- Vacation hours are paid at 100%
- Personal Leave, Plan A Sick Leave and Plan B Retirement/Layoff (R/L Account) hours are paid as per your Union Contract or Compensation Plan. Those documents can be found on the City's Intranet under the Human Resources Portal.

You may choose to maximize your HSA, 401(k), 457, IRA annual contributions out of your final leave time payout. Please complete the Contribution Designation Form (attachment #1) and send to the Payroll Division at payroll@slcgov.com or Inter-office mail to Payroll at Box 5451. **The IRS does not allow employee contributions into your Aviben 501(c)(9) HRA Plan.**

Policy 3.03.04: Employee Service and Safety Awards (Awards for Retirement)

The department of the retiring employee may offer a retirement event, spending up to \$200 for food for use at the retirement event or a retirement award of a \$200 gift certificate.

This retirement award will be made available only if you provide a minimum 30-day written notice of retirement to your supervisor and complete an exit interview at <https://www.surveymonkey.com/r/X38KLM9>

Final Paychecks

You will receive your normal direct deposit paycheck for any regular hours worked or used on the normal bi-weekly pay date schedule. Final checks will include any payouts you are entitled to, however, you may receive an additional direct deposit if deemed necessary. A separate W-4 is no longer accepted. Per IRS regulations, all supplemental payments will be taxed at a flat 22% federal tax. Please designate on the Contribution Designation Form (attachment #1) to have your check stub sent to your personal email or mailed to your home.

Maximizing your Health Savings Account (HSA) (if applicable)

You may contribute money from your last payout of leave time into your HSA. First you must login to your HSA account at www.healthequity.com to see what your current year to date contribution is. Your HSA account reflects your contribution each payday. **If you have questions, please contact PEHP's HSA Department at 801-366-7503.** If you continue to maintain eligibility, you may contribute up to the maximum amount below:

HSA Annual Limits	Calendar Year 2023
Single Medical Coverage	\$3,850.00
Double or Family Medical Coverage	\$7,750.00
Age 55 or older during the year	Additional \$1,000.00

If you would like to contribute into your HSA (not to exceed annual limit) from your final payout, complete the attached Contribution Designation Form (attachment #1). You are responsible to the IRS for any contributions over the annual limit.

IMPORTANT: The IRS does not allow you to access your Aviben 501(c)(9) HRA if you make contributions to your HSA after your employment termination date.

Medicare and HSA

When you enroll in Medicare Part A and/or Part B, you can no longer contribute to your HSA. The month your Medicare begins, you must notify PEHP and change your HSA contribution to zero. If you **delayed** enrolling in Medicare, make sure to stop your HSA contributions at least six months before you plan to enroll in Medicare. This is because when you do enroll in Medicare Part A, you receive up to six months of retroactive coverage, not going back farther than your **initial month of eligibility**. If you do not stop HSA contributions at least six months before Medicare enrollment, you may incur a tax penalty. Refer to www.medicare.gov for specific information or call 1-800-633-4227.

Medical Flexible/Limited Spending Account (if applicable)

Your blue Benefit Card will be shut off. You have 60-days to submit claims for reimbursement or you may elect COBRA which will allow you to submit claims through the end of the plan year. You can find the claim form by logging into "MyPEHP" at www.pehp.org. **Please contact PEHP's Flex Department at 801-366-7503 to elect COBRA and answer questions.**

Dependent Day Care Flexible Account (if applicable)

You have 60-days to submit claims for expenses incurred up through your last day on the payroll.

Maximizing your 401(k), IRA and/or 457 Deferred Compensation Plan (if applicable)

You may contribute money from your last payout of leave time into your 401(k), IRA and/or 457 Deferred Compensation Plan (if applicable). You may contribute the maximum less the total amount you have contributed during the current calendar year. **For URS savings plans call 801-366-7720. For Empower savings plans call 1-800-701-8255.**

401(k) and 457 Annual Limits	2024
Age 49 and under	\$23,000
Age 50 and older	Additional \$7,500
Roth or Traditional IRA Annual Limit	2024
Age 49 and under	Up to \$7,000
Age 50 and older	Additional \$1,000

If you choose to take the Partial Lump Sum Option (PLSO) offered through the URS and roll it into your 401(k), it will not count toward your annual contribution limit.

This account can be used to reimburse yourself for eligible medical, dental, vision expenses or premiums after your employment has ended. If you are in a group who had leave time contributed to the 501(c)(9) HRA, you also have an additional **Premium Only** sub-account that can only be used to reimburse eligible insurance premiums.

IMPORTANT:

- You cannot access your **Universal** account if funds are deposited into your Health Savings Account (HSA) after your separation date. There is an exception; if you have the **Premium Only** sub-account, you can be reimbursed from that sub-account for insurance premiums in the same tax year you contributed to your HSA. Contact Aviben if you plan on post-employment HSA contribution(s).
- If you choose to go to the insurance exchange for coverage and receive a tax subsidy, the IRS requires you to temporarily suspend access to your 501(c)(9) HRA. You will be able to regain access to your account upon: 1) death of participant 2) eligibility for Medicare 3) after the tax subsidy ends.

Within 4-weeks after your separation, Aviben will mail you a separation packet with information on how to start accessing your funds. You can obtain claim forms and important IRS reimbursement information at www.aviben.com. Contact Aviben at 1-888-507-6053 for specific details of the plan.
