Vacation Payout at Termination: An employee separating from employment may not exhaust more than 80 hours of any combination of accrued vacation, personal leave, or banked (holiday or vacation) leave prior to their last day of employment. Employees shall be paid at their base hourly rate for any unused accrued vacation leave time following termination of employment, including retirement.
- K. Vacation Allowance: As a recruiting incentive, the mayor or the city council may provide a one-time allowance of up to 120 hours of vacation leave.

SUBSECTION III - SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE

Benefits in this section are for the purpose of income replacement for employees during absence from work due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act of 1993 (FMLA). Although the city requires use of accrued paid leave prior to taking unpaid FMLA leave, employees will be allowed to reserve up to 80 hours of non-lapsing leave as a contingency for future use by submitting a written request to Human Resources. Employees are not eligible to earn or receive leave benefits while on an unpaid leave of absence.

However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by applicable law.

Employees hired on or after November 16, 1997 receive personal leave benefits under Plan B. All other employees receive personal leave benefits pursuant to the plan they participated in as of November 15, 1998. Employees hired before November 16, 1997 shall receive personal leave benefits under Plan B if they elected to do so during any city- established election period occurring in 1998 or later.

A. Plan “A”

1. Sick Leave

- a. Sick leave is provided for full-time employees under Plan “A” as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The mayor may establish rules governing the interfacing of sick leave and workers’ compensation benefits and avoiding, to the extent allowable by law, duplicative payments.
- b. Each full-time employee accrues sick leave at a rate of 4.62 hours per pay period. For any plan year in which there are 27 pay periods, no sick leave hours will be awarded in the 27th pay period. Authorized and unused sick leave may be accumulated from year to year, subject to the limitations of this plan.
 - 1. Sick Leave Accrual for Fire Battalion Chiefs – Each covered employee shall be entitled to 15 days of sick leave each calendar year, except for members of the Operations division who shall be entitled to 7.5 shifts of sick leave each calendar year. The City shall credit a covered employee’s sick leave account in a lump sum (either 15 days or 7.5 shifts) during the first month of each calendar year. Authorized and unused sick leave may be accumulated from year to year subject to the limitations of this plan.
- c. Under this Plan “A,” Full-Time employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave earned and unused during any given year to vacation. Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.
 - 1. Sick Leave Conversion for Fire Battalion Chiefs – Fire Battalion Chiefs who have accumulated 15 shifts (for Operations employees), or 240 hours (for non-Operations employees) may choose to convert a portion of the year sick leave grant from any given year to vacation, as follows—

<u>Number of Sick Leave Shifts Used During Previous Calendar Year (Operations Only)</u>	<u>Number of Sick Leave Shifts Available for Conversion (Operations Only)</u>
No shifts used	5 shifts
One shift used	4 shifts
Two shifts used	3 shifts
Three shifts used	2 shifts
Four shifts used	1 shift
Five or more shifts used	No shifts

<u>Number of Sick Leave Shifts Used During Previous Calendar Year (Support Only)</u>	<u>Number of Sick Leave Shifts Available for Conversion (Support Only)</u>
No days used	9 days
One day used	8 days
Two days used	7 days
Three days used	6 days
Four days used	5 days
Five or more days used	0 days

- d. Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying the employee’s department timekeeper or the city payroll administrator, in writing, not later than the second pay period of the new calendar year (or the November vacation draw for Fire Battalion Chiefs). Otherwise, the opportunity to waive conversion or elect conversion other than the maximum allowable amount will be deemed waived for that calendar year. In no event may sick leave days be converted from other than the current year's sick leave allocation.
- e. Any sick leave hours, properly converted to vacation benefits as above described, must be taken before any other vacation hours to which the employee is entitled; however, in no event is an employee, upon the employee’s separation from employment, entitled to any pay or compensation for any sick leave converted to vacation. An employee forfeits any sick leave converted to vacation remaining unused at the date of separation from employment.
- f. Sick Leave Benefits Upon Layoff. Employees who are subject to layoff because of lack of work or lack of funds will be paid at 100% of their hourly base wage rate as of the date of termination for each accumulated unused sick leave hour.

2. Hospitalization Leave

- a. Hospitalization leave is provided for full-time employees under Plan “A,” in addition to sick leave authorized hereunder, as insurance against loss of income when an employee is unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.
- b. Employees are entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave does not accumulate from year to year.

Employees may not convert hospitalization leave to vacation or any other leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.

- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the affected shift as hospitalization leave, with the prior approval of their division head or supervisor.
- d. An employee who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who is regularly scheduled for work or unable to perform their duties during a shift (or work day) due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. Similarly, an employee who is absent from work while on approved leave is also allowed to claim hospitalization leave.
 - 1. An employee who wishes to claim hospitalization leave is responsible to report the receipt of urgent medical treatment to the employee's division head or supervisor as soon as practical.
 - 2. For purposes of use of hospitalization leave, urgent medical treatment includes at-home care directed by a physician immediately after the urgent medical treatment and within the affected shift.
- e. Employees who, because they are admitted as an inpatient to a hospital for medical treatment, are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.
- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

3. Dependent Leave

- a. Under Plan "A," dependent leave may be requested by a full-time employee for the following reasons:
 - 1. Becoming a parent through birth or adoption of a child.
 - 2. Placement of a foster child in the employee's home.

3. Due to the care of the employee's child, spouse, spouse's child, adult designee, adult designee's unmarried child under age 26, or parent with a serious health condition.
- b. Under Plan "A," dependent leave may also be requested by a full-time employee to care for an employee's child, spouse, spouse's child, adult designee, an adult designee's unmarried child under age 26, or a parent who is ill or injured but who does not have a serious health condition.
- c. The following provisions apply to the use of dependent leave by a full-time employee:
 1. Dependent leave may be granted with pay on a straight time basis.
 2. If an employee has available unused sick leave, sick leave may be used as dependent leave.
 3. An employee is required to give notice of the need to take dependent leave, including the expected duration of leave, to his or her supervisor as soon as possible.
 4. Upon request of a supervisor, an employee will be required to provide a copy of a birth certificate or evidence of child placement for adoption, or a letter from the attending physician in the event of hospitalization, injury, or illness of a child, spouse, spouse's child, adult designee, adult designee's child, or parent within five calendar days following a return from leave.
 5. An employee's sick leave shall be reduced by the number of hours taken by an employee as dependent leave.

4. Career Incentive Leave, Plan "A"

Full-Time employees, who have been in continuous full-time employment with the city for more than 20 years, and who have accumulated to their credit 1500 or more sick leave hours, may make a one-time election to convert up to 160 hours of sick leave into 80 hours of paid Career Incentive Leave. Career Incentive Leave must be taken prior to retirement. Sick leave hours converted to Career Incentive Leave will not be eligible for a cash payout upon termination or retirement even though the employee has unused Career Incentive Leave hours available. This leave can be used for any reason. Requests for Career Incentive Leave must be submitted in writing to the appropriate department director and be approved subject to the department's business needs (e.g., work schedules and workloads).

5. Retirement Benefit, Plan “A”

- a. Employees who meet the eligibility requirements of the Utah State Retirement System and who retire from the city will be paid at their base hourly rate for 50% of their accumulated sick leave hours balance based on the schedule below:

Retirement Month	50% sick leave will be:
January 1 st – June 30 th	Contribution to 501(c)9 Health Reimbursement Account Plan
July 1 st – December 31 st	Cash to retiree

B. Plan “B”

- The benefit Plan Year of Plan “B” begins in each calendar year on the first day of the pay-period that includes November 15. Under Plan “B,” paid personal leave is provided for employees as insurance against loss of income when an employee needs to be absent from work because of illness or injury, to care for a dependent, or for any other emergency or personal reason. Where the leave is not related to the employee’s own illness or disability—or an event that qualifies under the FMLA—a personal leave request is subject to supervisory approval based on the operational requirements of the city and any policies regarding the use of such leave adopted by the department in which the employee works. Personal leave hours may be used on the first day of the pay period following the period in which the hours are earned.
- Each full-time employee under Plan “B” is awarded personal leave hours based on the following schedule:

Months of Consecutive <u>City Service</u>	Hours of <u>Personal Leave</u>
Less than 6	40
Less than 24	60
24 or more	80

Employees hired during the plan year are provided paid personal leave on a pro-rated basis.

- Not later than October 31st of each calendar year, employees covered by Plan “B” may elect, by notifying their department timekeeper or the city payroll administrator in writing, to:

- a. Convert any unused personal leave hours available at the end of the first pay period of November to a lump sum payment equal to the following: For each converted hour, the employee will be paid 50 percent of the employee's regular hourly base wage rate (not including acting pay) in effect on the date of conversion. In no event will total pay hereunder exceed 40 hours of pay (80 hours at 50%); or
 - b. Carryover to the next calendar year up to 80 unused personal leave hours; or
 - c. Convert a portion of unused personal leave hours, to a lump sum payment as provided in subparagraph (3)(a), above, and carry over a portion as provided in subparagraph (3)(b), above.
4. Maximum Accrual. A maximum of 80 hours of personal leave may be carried over to the next plan year. Any personal leave hours unused at the end of the plan year in excess of 80 will be converted to a lump sum payment as provided in subparagraph 3(a) above.
5. Termination Benefits. An employee separating from employment may not exhaust more than 80 hours of any combination of accrued vacation, personal leave, or banked (holiday or vacation) leave prior to their last day of employment. At termination of employment for any reason, accumulated unused personal leave hours, minus any adjustment necessary after calculating the "prorated amount," shall be paid to the employee at 50 percent of the regular hourly base wage rate (not including acting pay) on the date of termination for each unused hour. For purposes of this paragraph, "prorated amount" shall mean the amount of personal leave credited at the beginning of the plan year, multiplied by the ratio of the number of pay periods worked in the plan year (rounded to the end of the pay period which includes the separation date) to 26 pay periods. If the employee, at the time of separation, has used personal leave in excess of the prorated amount, the value of the excess amount shall be reimbursed to the city and may be deducted from the employee's paycheck.
6. Conditions on Use of Personal Leave include:
- a. Minimum use of personal leave, with supervisory approval, must be in no less than quarter-hour increments.
 - b. Except in unforeseen circumstances, such as emergencies or the employee's inability to work due to illness or accident or an unforeseen FMLA-qualifying event, an employee must provide their supervisor with prior notice to allow time for the supervisor to make arrangements necessary to cover the employee's work.
 - c. For leave due to unforeseen circumstances, the employee must give their

supervisor as much prior notice as possible.

- d. Except as provided for expressly in either city policy or this plan, personal leave hours are ineligible to be cashed out or used to exceed the total number of hours for which an employee is regularly compensated during a work week or a pay period.
7. Career Enhancement Leave, Plan "B": A full-time employee covered under this Plan "B" is eligible, after 15 years of full-time service with the city, to be selected to receive up to two weeks of career enhancement leave. This one-time leave benefit could be used for formal training, informal course of study, job-related travel, internship, mentoring or other activity that could be of benefit to the city and the employee's career development. Selected employees will receive their full regular salary during the leave. Request for this leave must be submitted in writing to the appropriate department head, stating the purpose of the request and how the leave is intended to benefit the city. The request must be approved by the department head and by the Human Resources director (who will review the request to ensure compliance with these guidelines).
 8. Retirement/Layoff (RL) Benefit, Plan "B"
 - a. Full-Time employees currently covered under Plan "B" who were hired before November 16, 1997, and who elected to be covered under Plan "B," shall have a retirement/layoff (RL) account equal to sixty percent of their accumulated unused sick leave hours available on November 16, 1997, minus any hours withdrawn from that account since it was established.
 - b. Full-Time employees who were hired before November 16, 1997 and who elected in 1998 to be covered under Plan "B," shall have a retirement/layoff (RL) account equal to fifty percent of their accumulated unused sick leave hours available on November 14, 1998, minus any hours withdrawn after the account is established.
 - c. Full-Time employees who were hired before November 16, 1997 and who elected in 2007 or later during any period designated by the city to be covered under Plan "B," shall have a retirement /layoff (RL) account equal to forty percent of their accumulated unused sick leave hours available on the date that Plan B participation began, minus any hours withdrawn after the account is established.
 - d. Payment of the RL Account.
 1. All hours in an employee's RL account shall be payable upon retirement or as a result of layoff. In the case of layoff, 100% of R/L hours shall be paid to the employee according to the employee's base

hourly rate of pay on date of layoff. Any employee who quits, resigns, is separated, or is terminated for cause is not eligible to receive payment for RL account hours.

2. In cases of retirement, an eligible employee shall be paid at their base hourly rate for 100% of their RL account balance based on the schedule below:

Retirement Month	100% RL hours will be:
January 1 st – June 30 th	Contribution to 501(c)9 Health Retirement Account Plan
July 1 st – December 31 st	Cash to retiree

- e. Hours may be withdrawn from the RL account to cover an employee’s absence from work due to illness or injury, need to care for a dependent, any emergency or to supplement Workers’ Compensation benefits after personal leave hours are exhausted. RL account hours, when added to the employee’s workers’ compensation benefit, may not exceed the employee’s regular net salary.
9. Short-Term Disability Insurance, Plan “B”: Protection against loss of income when an employee is absent from work due to short-term disability shall be provided to full-time employees covered under Plan “B” through short-term disability insurance (SDI). There shall be no cost to the employee for SDI. SDI shall be administered in accordance with the terms determined by the city.

SUBSECTION IV - PARENTAL LEAVE

- A. Full-time employees who become parents through birth, adoption, or foster care may take up to six consecutive weeks of paid parental leave to care for and bond with the child. An employee may be allowed to take parental leave up to one year from the date of a child’s birth or, in the case of adoption or foster care, the date a child is placed in the employee’s home. Parental leave may be taken during a new employee’s probationary period. The probationary period will be extended by an amount of time equivalent to the parental leave taken.
- B. Parental leave will run concurrently (during the same period of time) with FMLA and SDI (if applicable). Parental leave is limited to six weeks per twelve-month period. For employees approved for short-term disability, parental leave will make up the difference between 100% pay and 66 2/3% pay (if applicable) for up to six weeks.

SUBSECTION V - BEREAVEMENT LEAVE

- A. An employee who suffers the loss of an immediate family member including a(n): current spouse, domestic partner, or adult designee; child, mother, father, brother,

sister; current father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law; grandparent; current step-grandfather, step-grandmother; grandchild, or current step grandchild, stepchild, stepmother, stepfather, stepbrother or stepsister, grandfather-in-law, grandmother-in-law; or, domestic partner's or adult designee's relative as if the domestic partner or adult designee were the employee's spouse is eligible to be released from work for bereavement, including attendance at a funeral, memorial service, or related event(s).

- C. In the event of death of a first-line extended relative of an employee, or of an employee's spouse, domestic partner, or adult designee's relative as if the adult designee were the employee's spouse not covered in paragraph A above (such as an uncle, aunt or cousin), the city will provide an employee with up to one work shift for bereavement, including attendance at a funeral, memorial service, or related event(s). The employee will be permitted one additional day of bereavement leave if the employee attends a funeral, memorial service or equivalent event that is held more than 150 miles from Salt Lake City and the day following the memorial service or equivalent event is a regular working shift.
- D. In the event of death of a friend, an employee may be allowed to use vacation or personal leave for time off to attend the funeral or memorial service, as approved by an immediate supervisor.
- E. In the event of death of any covered family member while an employee is on vacation leave, an employee's absence may be extended and authorized as bereavement leave.

SUBSECTION VI - MILITARY LEAVE

- B. Leave while on duty with the armed forces or Utah National Guard. An employee who is or who becomes a member of the reserves of the federal armed forces, including the United States Army, United States Navy, United States Marine Corps, United States Air Force, and the United States Coast Guard, or any unit of the Utah National Guard, is allowed military leave for up to 15 working days per calendar year for time spent on active or reserve duty. Military leave may be in addition to vacation leave and need not be consecutive days of service. To be covered, an employee must provide documentation demonstrating a duty requirement.

SUBSECTION VII - JURY LEAVE & COURT APPEARANCES

- A. Jury Leave: An employee will be released from duty with full pay when, in obedience to a subpoena or direction by proper authority, the employee is required to either serve on a jury or appear as a witness for the United States, the state of Utah, or other political subdivision.
1. Employees are entitled to retain statutory fees paid for service in a federal court, state court, or city/county justice court.
 2. On any day that an employee is required to report for service and is thereafter excused from such service during his or her regular working hours from the city, he or she must forthwith return to and carry on his or her regular city employment. Employees who fail to return to work after being excused from service for the day are subject to discipline.
- B. Court Appearances. A Police sergeant is eligible to receive compensation as a witness subpoenaed by the city, the State of Utah, or the United States for a court or administrative proceeding appearance as follows:
1. Appearances in court or administrative proceeding made while on-duty will be compensated as normal hours worked.
 2. In the event an appearance extends beyond the end of an employee's regularly scheduled shift, time will be counted as normal work time for the purpose of computing an employee's overtime compensation.

 4. Appearances made while off-duty will be compensated as follows:

(b) If the time spent in court or administrative proceeding extends into the beginning of the employee's regularly scheduled work shift, time spent in court or in administrative proceeding will be deemed ended at the time such shift is scheduled to begin.

5. An employee is required to provide a copy of the subpoena, including the beginning time and time released from the court or administrative hearing, with initials of the prosecuting or another court representative within seven working days following the appearance.
6. Any employee failing to appear in compliance with the terms of a formal notice or subpoena may be subject to disciplinary action.
