RE: Fiscal Year 2015-16 Budget – Finance Department

View the Mayor's Recommended Budget

Project Timeline:

Briefing: May 26, 2015

Budget Hearings: June 2, 2015 Potential Action: June 9 OR 16, 2015

ISSUE AT-A-GLANCE

The Department of Finance includes Revenue Auditing, Accounting, Financial Reporting, Business Licensing, Collections, Fraud Waste and Abuse, Purchasing and Contracts Division, Grants Acquisition Management, the Office of the Treasurer, and the Civil Action Unit (handles parking notices, impound hearings, ground transportation, alarm violations, snow removal, loud party, and animal control). The budget for the Department of Finance is proposed to increase by \$811,547 or 12.3%.

The budget recommendations include:

Staffing Changes:

- Annualizing move of Policy & Budget with 3 FTEs from Mayor's Office to the Finance Department in BA #1.
- Annualizing move of Grants Management with 0.5 FTE from HAND to the Finance Department in BA #1.
- Expanding HIVE Pass hourly employee to a full-time position as Financial Analyst/Program Processor. Position is from BA#3.
- One new FTE Payroll Administrator to supplement the City's single FTE currently doing payroll for all employees.

Program Changes:

- Transfer Constable Service Budget from Collections to Justice Court.
- Citation hearings transitioning from face-to-face to online following best practices in other municipalities.
- Transfer costs for pay station coin collection and maintenance to Department of Public Services.

Fee Changes:

- 1.9% Consumer Price Index (CPI) annual inflation increase to all fees that flow into the General Fund.
- Base business license fee increase of \$20 (\$297,500 in revenue) and per employee fee increase of \$2 (\$264,358 in revenue).

CITY COUNCIL OF SALT LAKE CITY

451 SOUTH STATE STREET, ROOM 304 P.O. BOX 145476, SALT LAKE CITY, UTAH 84114-5476 SLCCOUNCIL.COM

- Increase for annual freight parking sticker fee to \$75 from \$36.
- \$500 fee for annual business parking permit which is a new category of permit to free freight zones for pick-up and delivery rather than business parking.
- \$50 new fee for drivers who fail to pay anything at parking meter (different than expired meter).
- Increase base fee for expired meters to \$25 from \$15 with an extension of time to pay before late fee incurred.

POLICY QUESTIONS

- 1. **Inflationary Adjustment to Fees** In FY 2014, the Council adopted an ordinance calling for an annual Consumer Price Index (CPI) across the board increase in fees and permit charges that flow into the General Fund. These fees and permits will always have to be cost-justified, and the City regularly conducts studies to confirm fees are not greater than the costs to provide the associated service. Initial CPI calculations (including fuel) indicated an increase of 0.08% which generates \$211,000 in revenue. This unusually low rate was influenced by the substantial drop in fuel prices over the winter. Then the Administration backed out the cost of fuel from the CPI, which leaves it at about a 1.9% increase. This change generates an additional \$264,857. The total revenue increase is \$445,000 for the FY 2016 budget.
 - a. Should the annual inflationary adjustment apply to fees in funds other than the General Fund? Fees that flow into enterprise funds such as golf/green fees and refuse collection fees are not automatically adjusted for inflation.
- 2. **Enhance Fraud, Waste & Abuse Tools (FWA)** When an issue is reported to the FWA hotline mid-level Finance employees receive the complaint and follow up.
 - a. The Administration recommends outsourcing the FWA Hotline as an approach that could mitigate potential bias, ensure anonymity, and provide more transparency. Three vendor options are provided which range in annual cost from \$1,700 \$3,750. See Attachment IV Fraud, Waste & Abuse Hotline Memo for full information.
 - b. It should be noted that an audit function exists in City Code housed in the Mayor's Office but in past practiced as a management committee composed of representatives of the City Attorney, Council, and Mayor's Offices approved audit scopes. Reactivating a function of this nature would require an additional budget allocation.
- 3. **Parking Revenue** Revenue from fines and forfeitures is projected to decline again in FY 2016. A majority of the decrease is associated with fewer justice court fines from traffic and traffic school. Revenue associated with parking is projected to decline. The Administration has reviewed this with the Council previously and will be prepared to answer any follow up questions on Tuesday.
 - a. Council Members have previously discussed changing the hours of enforcement at parking meters from 8pm back to 6pm. The Administration is anticipating that for FY 2015 \$646,644 or 26% of all parking revenue will be generated during those hours. If the Council were to change enforcement hours, roughly \$650,000 would have to be removed from the budget and the budget would need to be re-balanced.
 - b. How are the new meters monitored to check they're functioning properly?
 - c. What factors are used for forecasting parking revenue? Which factors are contributing to the decreased revenue from parking meters and parking citations?
 - d. In the past the Council has discussed the possibility of having an outside firm take a look at this function in the City to ensure that we are following best practices with regard to management, enforcement, and revenue collection. Given the multiple changes in the parking program in the past year the Council may wish to hold off on an audit approach until the Administration has the chance to get system improvements more firmly in place.

4. Fee-related Changes:

- a. **Business License Fee Increase** Base business license fee increase of \$20 (\$297,500 in revenue) and per employee fee increase of \$2 (\$264,358 in revenue).
 - i. How will the burden of increased business license fees impact economic development in the City?
- b. **Freight Sticker Increase** The proposed budget increases the annual freight sticker fee from \$36 to \$75. This change generates \$64,896 in revenue.
 - i. Would the proposed definition of a freight vehicle eliminate access to freight loading/unloading zones for a class of delivery businesses? Sometimes a company does not own a permanently modified delivery vehicle as outlined in the proposed definition. For example, employees of delivery businesses such as flower shops, local couriers, and restaurants may use personal/unmarked vehicles for deliveries.
- c. **Business Parking Permit (\$500/year)** Under this new permit, businesses/individuals without typical freight vehicles would be paying \$500 per year instead of \$36 per year that they are currently paying. This change generates \$832,000 in revenue.
 - i. \$500 would purchase 250 hours of parking at the normal price of \$2/hour. A business/individual using this parking permit 10 hours/week would breakeven after 25 weeks.
 - ii. The Council may wish to discuss the policy basis of this shift, and discuss whether 2 hours is an appropriate amount of time to allow someone to occupy a City parking meter.
- 5. **Street Lighting** Lighting Districts are handled by multiple City departments including Finance. Due to timing for the pending annual assessment, staff is taking the opportunity of the Finance Department budget to raise this issue.

The annual assessments for Lighting District Lo3 have not been mailed to residents in those lighting areas, pending the Council's review of the increases and consideration of alternatives. The 663 properties pay 75% of the annual expenses for the district (\$255,637), and the City pays 25% (\$85,212).

- a. If a decision is not made in time for the bills to be sent with adequate notice in this fiscal year, no revenue will be received to offset the monthly expenses in those lighting areas. (Please refer to Attachment VI Council Staff Report for full information on the topic.)
- b. Does the Council want to move forward with the assessment mailings or wait for a full discussion of the issue? If the Council would like to consider options for mailing out the assessments, the attached staff report outlines some alternatives.

POLICY/PRIORITY AREAS

- 1. Economic development: Increasing the burden of obtaining a business license may impact companies' desire to locate in the City compared to other cities in the region.
- 2. Parking: The Council selected inventory of parking changes as an active project for 2015. Adjustments to fees and the new annual business parking permit relate to this topic.

ADDITIONAL & BACKGROUND INFORMATION

- 1. Fee-related Changes:
 - a. **Newsrack Fee Decrease** The Council requested CED gather feedback from local newspaper agencies regarding the new fees adopted on February 24, 2015. Several local newspaper agencies were contacted and two responded (City Weekly and Slug Magazine). Both supported decreasing the annual permit fee from \$100 to \$50 and decreasing the annual certification fee from \$10 to \$5. If approved, this adjustment will be reflected in the consolidated fee schedule.

- b. Business License Fee Changes The Mayor's recommended budget includes adjustments to business license fees that have not been changed since FY 2012. Both of these fee adjustments are less than the maximum increase justified by the City's most recent fee study:
 - i. Base business license fee increase (\$20 increase) \$297,500 in revenue
 - ii. Per Employee fee increase (\$2 increase) \$264,358 in revenue
- c. **Exempt Vehicle Permit** the Administration is proposing to charge to certify that an official vehicle is "exempt" and free from payment at City meters. This fee will be \$30 annually and the change could generate \$150,000 annually. Examples include marked official or non-marked official vehicles used by: City department directors, Council Members, City fleet vehicles, emergency services personnel, employees of enforcement agencies, and employees or representatives of other governmental entities.
- d. **Parking Changes** –in summary, along with revenue generated:
 - i. **Freight Sticker Increase** The proposed budget increases the annual freight sticker fee from \$36 to \$75 (this is still below the fee that would be justified by the City's most recent fee study). The Administration has also proposed an ordinance that would clarify which vehicles are eligible for a freight sticker (and eligible to park in freight loading zones). Currently any type of business with any type of car can apply for a freight sticker. This change generates \$64,896 in revenue.
 - Proposed Definition This ordinance would classify freight vehicles as a motor truck, a station
 wagon or van permanently modified to carry no more than three seated passengers, or a motor
 vehicle whose business name is permanently displayed on both sides of the vehicle in, at a
 minimum, two inch letters.
 - ii. **Business Parking Permit** If a business/individual wanted a freight-type benefit but did not have a traditional "freight" vehicle as defined by the new proposed ordinance, the Administration is proposing to create a "Business Parking Permit". This would allow any permit holder to park at a City meter for 2 hours at no cost. The fee for this permit would be \$500 per year. This means that businesses/individuals without typical freight vehicles would be paying \$500 per year instead of \$36 per year that they are currently paying. This change generates \$832,000 in revenue.
 - iii. **Failure to Pay at Meter** The Mayor's recommended budget is also proposing to change the fine for those who fail to pay at a meter (as opposed to the fine for those who pay, but whose meter expires). Currently both are treated equally. A new fee of \$50 will be imposed for all those who fail to pay a parking meter. This change generates \$60,000 in revenue.
 - iv. **Base Fee on Expired Meters** The Mayor's recommended budget also proposes to increase the base fee for an expired meter from \$15 to \$25, although it does extend the period for payment by an extra 10 days. It is estimated that this change will generate \$845,076.
- 2. **New Growth Property Tax Revenue** The Administration is proposing that the City will receive \$848,489 in "new growth" property tax revenue from the State Tax commission. This amount, if received, is proposed to go to the CIP fund, and if the State Tax Commission does not authorize this amount in new growth, then the CIP fund will be reduced accordingly. *Staff Note: Actual new growth since FY 2010 has ranged from negative \$90,000 to \$1.2 million, with an average of \$670,000.*
- 3. **Property Tax Stabilization** The Administration is proposing to adjust the City's property tax budget upward to match the actual revenues received in the previous fiscal year. The City took this approach in FY 2009 and FY 2010. If property tax revenues come in higher than budgeted for a given fiscal year, that money will in effect become "one time" money, unless the City undergoes a truth in taxation hearing to raise its official property tax budget by that same amount. In FY 2015, the City received \$5.4 million in property tax revenue above what was budgeted. This is likely due to an increase in the numbers of people actually paying their property taxes, but could also be due to businesses expanding and paying more on personal property such as

- copiers and other business equipment. Staff will know more by June 8th, when the City receives final figures from the State Tax Commission.
- 4. One-time Revenues The Administration is proposing approximately \$7 million in one-time revenues to help balance the general fund (including \$5.2 million in building permit fees from the Airport Terminal redevelopment program, and \$750,000 in permit fees relating to Google fiber construction). Typically the City tries to align one-time revenues with one-time expenses, so that the City has enough on-going revenue to sustainably continue its base operations. Staff will have more detail in the coming weeks on proposed one-time expenses.
- 5. **Judgment Levy** The Administration is proposing a judgment levy of \$300,000. This is a onetime, one year property tax increase that is authorized by state law for the City to recoup property tax revenue shortfall from the previous year. It should be noted that this amount is a placeholder. The City cannot charge more for the judgment levy than allowed. *The City will not know the final amount of the judgment levy until June 8th, when we receive information from the County Auditor.*
- 6. **Tax and Revenue Anticipation Notes Series 2015** The \$25 million sale of the tax and revenue anticipation notes at an interest rate of 3% is currently scheduled on June 17, 2015. Closing is scheduled for July 7, 2015. Last year cost of issuance was approximately \$24,000. This year the cost of issuance charges is anticipated to be slightly more. Interest expense varies depending on market conditions. The budget has a placeholder of \$400,000. Typically an adjustment is made in the first budget amendment to reflect actual costs at the time of sale, although if the actual cost of issuance is known in time it can be adjusted before the Council adopts the budget. In recent years, the actual cost of issuance has come in under the \$400,000 placeholder amount.
- 7. **Policy & Budget Moved to Finance from Mayor's Office** Moving Policy & Budget with three FTEs from the Mayor's Office to Finance Department was approved by the Council in BA #1 of FY 2015. The change will facilitate coordination between traditional finance functions and the City's budget philosophy.
- 8. 1/2 FTE for Grants Management The change for this position was approved by the Council in BA #1 of FY 2015. Previously, citywide grants management (except Airport and SLCPD) has been handled by HAND. BA #1 added 0.5 FTE to focus on grant management and converted an existing position to coordinate administrative fees. HAND will continue to manage CIP and HUD related grants.
- 9. **HIVE PASS Financial Analyst/Program Processor** This position will focus on the Hive Pass Program, both processing applications and performing any necessary analysis. If time allows, this position may assist in other areas of financial analysis, including business licensing. This position is being expanded and annualized from an hourly position approved in BA #3.
- 10. **Capital Outlay Changes** No capital outlay is proposed for the Finance Department in this year's budget. In the previous two years, capital outlay expenses included a sizable portion of the expenditures associated with the IFAS Maintenance Fund (IFAS is the City's financial system). This budget was established to replace servers and other infrastructure. This year that fund will be used to cover ongoing maintenance and software upgrades to the One Solution package, and these costs are not capital outlay. Rather, they are reflected in other line items. This also represents an accounting change instituted in IMS to have them allocate expenses based on projects rather than combining all costs together.
- 11. **Transfer from IMS for Financial System Maintenance (IFAS)** A large decrease to the transfer from IMS to the General Fund is proposed related to financial system maintenance (IFAS). The IFAS Maintenance Fund is a sub-fund within the IMS Fund for maintenance of the City's financial system, One Solution (the system was previously called IFAS). This fund is used to pay for all the programs, upgrades, licenses and everything associated with the One Solution Financial System. The budget amounts depend on anticipated expenses for those functions in a given year, and that expense is shown with the Finance Department's budget. Two years ago, the City made a major upgrade to two modules within the system, and also purchased new servers. Some of the costs for that upgrade were for one year only. The downward trend is not expected to

continue but to stabilize. When major expenses are planned, the budget for the fund increases. The General Fund's share of this cost is shown as a transfer into the IFAS Fund in Non-Departmental, and that amount is flat for FY 2016. In difficult budget years this fund was significantly depleted to help balance the general fund budget. The Council may wish to increase the amount of this fund on the condition that it be used to continue the City's on-going transparency improvements.

- 12. **Transfer Pay Station Coin Collection to Public Service** Reduced expenses by \$34,996 for collecting coins from pay stations by transferring responsibility from the Treasurer's Office to Public Services. This allows the Treasurer's Office to reduce their budget for paying off-duty police officers to collect the coins. The compliance maintenance crew within Public Services will be collecting coins from the pay stations as part of their assignment. The pay stations contain cash boxes which are keyed, and the crew collecting the boxes does not have key access to the boxes. The maintenance crew will switch out the box and drop it off at the City's bank. The bank then sends a receipt to the Treasurer's Office for reconciliation. Maintenance crews are notified when the cash boxes reach a certain threshold collections happen based on that schedule rather than a daily or weekly schedule. *This will reduce income for some police officers*.
- 13. **Citation Hearings Transitioning to Online** A one-time expense of \$75,000 for the Civil Unit to conduct citation hearings online. This expense includes an improved website, forms, and ticket printing. In the new model, a person would fill out paperwork for the appeal either on a kiosk or in writing, turn in relevant documentation, and then be notified of the decision electronically after a 48 hour period. Citizens may appeal a hearing officer's ruling to an Administrative Law Judge. The Civil Unit handles a variety of different types of cases, including parking, loud parties, alarms, impound, booting, snow removal and animal control. Potentially, other current or future civil citations could be run through this process, although there are no plans for expansion at this time.

14. Other Operational Changes:

- a. Increase related to salary changes of \$109,262
- b. Increase in personal services of \$217,559
- c. Transfer Constable Service Budget from Collections to Justice Court -(\$50,000)

Objective	Measurements	FY 2012-13 Results	FY 2013- 14 Target
Maintain Financial Stability: Ensure each Salt Lake City fund is financially secure.	Achieve and maintain a fund balance of 18% of annual revenues in the General Fund, with a minimum of not less than 10%.	13.15%	18%
Protect Bond Ratings:	Maintain Aaa/AAA general obligation bond ratings by Moody's and Fitch respectively.	AAA/AAA	AAA/AAA
Analyze debt capacity prior to issuing bonds and maintain modest debt levels to protect and enhance the City's overall credit worthiness.	2. Total debt service for general obligation and other General Fund supported debt, net of contributions from other sources, should be less than 15% of General Fund expenditures on an annual basis. (Low is <5%, Moderate is 5% to 15%, High is >15%).	9.24%	Less than 15%

Staff Note: Measurements were not provided as part of the Mayor's Recommended Budget for FY 2015-16 due to staffing resource availability.

The Council may ask whether there are other measures that should be tracked to determine the success of the department that would relate to financial ratings, accuracy of revenue projects for the general fund, education and outreach with the City's customers, or other.

ATTACHMENT IV FRAUD, WASTE & ABUSE HOTLINE MEMO

Salt Lake City Corporation - Finance

To: Gina Chamness

From: Mary Beth Thompson

Date: 5/6/2015

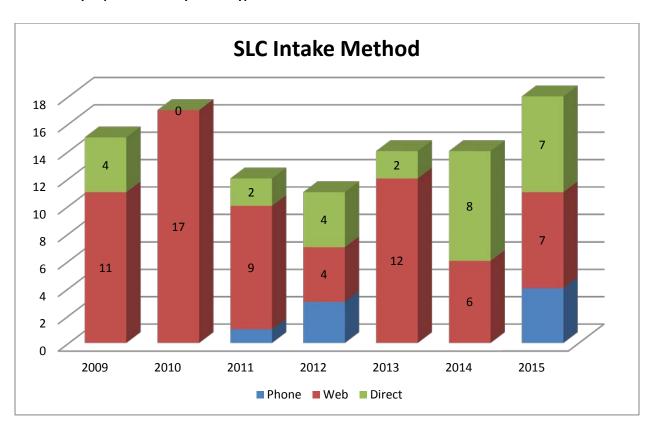

Re: Fraud, Waste and Abuse Hotline

Currently, Salt Lake City Corporation (SLC) Fraud, Waste and Abuse Program (the Program) provides employees and the public (including any individual who does business in the City), the opportunity to anonymously report instances of fraud, waste or abuse involving City resources. An individual may file a report online (https://dotnet.slcgov.com/ManagementServices/FraudReporting/), or using the phone hotline (available during regular business hours, or the individual can leave a voicemail). Individuals may remain anonymous and employees are protected by the Utah Protection of Public Employees Act and the SLC Fraud Detection and Prevention Policy.

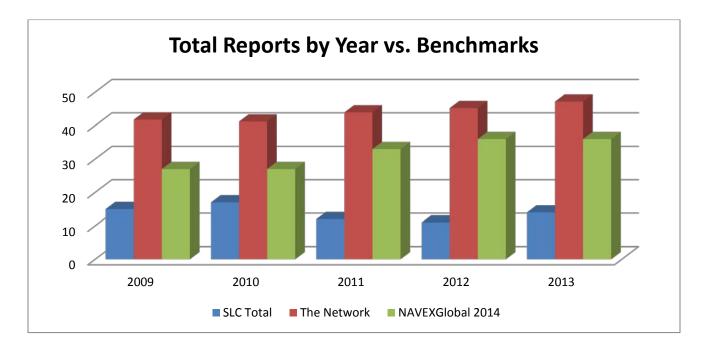

The following evaluates the historical trends of the City Program, as well as explores options for outsourcing the hotline and recommendations to improve the efficiency and effectiveness of the program.

To provide comparison and benchmarking, we obtained data and benchmarking statistics from two third party hotline vendors, Navex Global and The Network. This data represented calendar years and not fiscal years.

Salt Lake City Report Volume by Intake Type

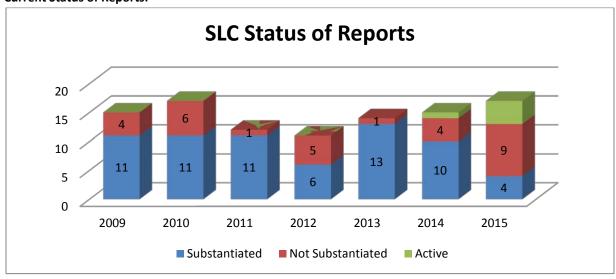

While the intake methods vary quite a bit from year to year, the number of phone reports remains minimal, while the number of direct reports has increased over time. This could indicate improved trust between employees and the auditors.

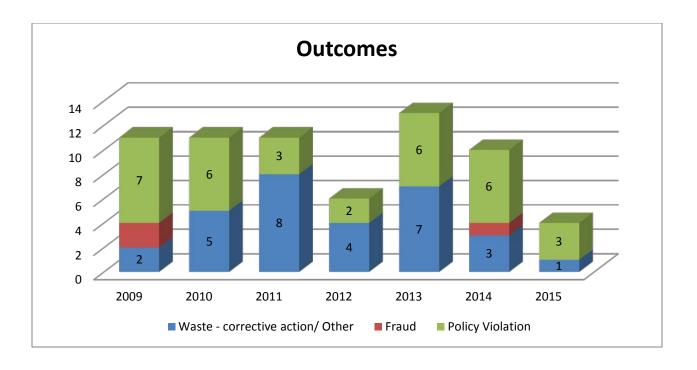

Note** the benchmark data was based on claims per 100 employees for NAVEXGlobal and claims per 1,000 employees for The Network. In order to adequately compare, we extrapolated those, assuming the City has approximately 3,000 full time employees. Benchmark data was not available for 2014 and 2015.

The number of reports made to the City on an annual basis falls far below the annual reports from the benchmarked companies. This could be due to a number of reasons, such as cases not reported in the City due to a fear of retaliation, fear that the report is not anonymous or that there are simply less accusations/concerns about fraud, waste and abuse. Also, there may be a perception that the claim will go nowhere or employees may not even be aware of the hotline. However, that is difficult to assess.

Current Status of Reports:

Recommendations:

Outsource the hotline - By outsourcing the hotline to a third-party, we can improve the perception of objectivity and ensure anonymity of the caller. The hotline service includes 24/7/365 reporting via website, toll-free telephone line, fax and email, as well as a web based case-management system to track not only reports received by the vendor, but also reports/claims we receive directly. The phone hotline is staffed by live interviewers who have received specialized training to ensure the most relevant information is collected. This same information can be collected on the web intake form. The third-party contractor can also facilitate follow-up with the reporter, while maintaining the anonymity.

With a third-party contractor, we can establish criteria to determine who receives the reports, which will increase objectivity and reduce potential bias.

Case Management software could be included in the Hotline service, which could provide the status information of the report/claim to the employee/claimant, internal audit team or anyone else assigned access to the software. This will open communication and provide more transparency then the current program provides.

 - Other city/governmental customers: San Bernardino County, Boise, Kansas City
 - Estimated annual costs of \$3,750, with initial set up costs of \$2,500.

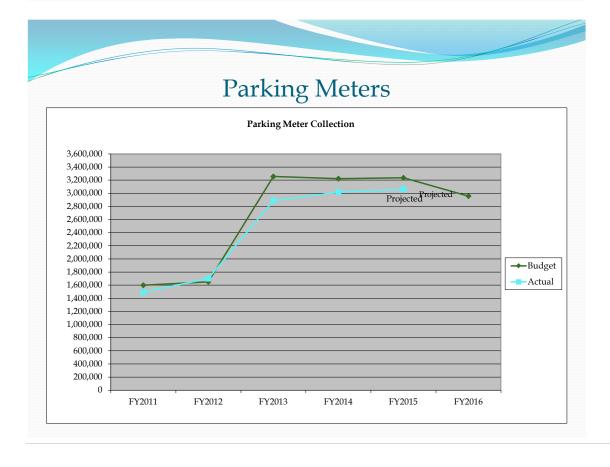

The following recommendations could be implemented WITH or WITHOUT an outsourced vendor discussed above.

- 2. Establish a Fraud, Waste and Abuse Hotline Committee this committee would be made of members of various departments of the City, such as Finance, Human Resources, Attorney's Office, City Council and Administration etc. The committee would assess ALL allegations of fraud, waste and abuse, whether the claim was reported to the hotline (web, phone, etc) or collected directly by an auditor (in person claim). The Committee would then establish the plan of action. As a result, this would also improve objectivity and stress the importance to employees and the public that all reports are taken seriously. In addition: we recommend the following:
 - a. Establish a policy that if claims/allegations are made against any City Department Director, and substantiated by the Committee, the audit of that allegation will be outsourced to a fraud investigator.
 - b. Establish a policy that if claims/allegations are made against a Finance Division Director, the Finance Department representative will be removed from the committee for that case.
- 3. Improve Outreach/Education the current program provides information to employees at new hire orientation. This education should be ongoing for employees and could be accomplished through posters in break rooms, quarterly emails and/or internal auditors could attend staff meetings. Part of this education should emphasize that employees will not be retaliated against, and that it is prohibited by law to do so. In addition, we should educate employees on what types of activities or observations are appropriate for reporting and those that are not. Education and promotion of the hotline is vital to its success.
- **4. Reporting/accountability** Evaluate and analyze the statistics collected from the hotline to monitor the program and report results to employees and the public. This will improve transparency of the hotline function and potentially reduce the risk of fraud, waste and abuse.

PROJECT TIMELINE:

Work Session briefing:

March 3, 2015

Follow-up Work Session briefing: May 5, 2015

ISSUE AT-A-GLANCE

Each March, an ordinance approving an assessment list and levying an annual assessment upon property owners in Special Lighting District Lo3 ("Lo3") is scheduled for the Council's adoption. This Council action is generally considered routine in nature. However, at the Council's March 3, 2015 Work Session, the Council was informed that assessment fees for several property owners extensions (extensions/neighborhoods) of Lo3 are significantly higher for 2015¹. The 2015 increases follow increases that were already applied in 2014 as a result of significantly increased maintenance costs and fund balance corrections. In light of the large increases, the Council's adoption of this year's assessment was delayed until Council staff had the opportunity to explore options with the Administration to assist the Council in their policy discussion. Expenses for Lo3 are part of the approved FY 2014/2105 budget.

As a result of the Council's March briefing on Lo3, Council and Administrative staff have been collaborating and recommend two paths moving forward: 1) Processing of Lo3 – including improvements to notification and ability to mail 2015 annual assessment (this is more time sensitive) charging property owners the same as last year or at the Administration's proposed rates or at a lower rate from what the Administration proposed, and 2) Comprehensive review of the City's Lighting Districts – this includes a more thorough review of accounts, balances, management, and identifying improvements. Item 2 will require more time and will impact all Special Lighting Districts and SAAs.

During the March 3, 2015 briefing, the Council took three unanimous straw polls to:

COUNCIL.SLCGOV.COM TEL 801-535-7600 FAX 801-535-7651

¹Refer to Attachment A for a list of annual assessment amounts and the Administration's proposed 2015 assessment increases for extensions (neighborhoods) in Lighting District L03.

- 1) Improve notification to property owners, including an explanation for a fee increase and provide more advance notice when a fee increase is involved for all future Special Lighting District assessments.²
- 2) Hold a Council public hearing for Lighting District Lo3 and provide notification to all property owners of the public hearing date and time. (Staff has some follow-up questions listed below.)
- 3) When an assessment increases over 50 percent, phase the increase in over a period of three years for all future Special Lighting District assessments. Assessment accounts are to be self-funded to avoid a subsidy from the General Fund. (Staff has provided some corrected information about this topic below.)

Goal of the briefing: Provide options and new information for the Council's consideration in order to move Lighting District Lo3 annual assessments forward for the Council's adoption. Review current plans for the comprehensive review of City Lighting Districts and provide any feedback.

NEW INFORMATION

Regarding the more comprehensive review of all 42 (extensions/neighborhoods) of the City's Lighting Districts - A consultant has been hired to assist the City in evaluating the circumstances surrounding the negative fund balances found in 14 of the 42 Special Lighting District extensions. The consultant has been asked to explore the history of the Lighting District accounts, identify causes for the negative balances, establish the current status of accounts, develop some potential options to improve management of Lighting Districts in the City, and clearly identify the nature of expenses charged to the various extensions for maintenance. It appears that there will be additional increases for assessments in upcoming years based on maintenance work order costs. The consultant's recommendations will be provided to the Council when the Council continues its discussion on private lighting and future Special Assessment Areas (SAA), likely later this Summer. As a reminder, the Council held a briefing on SAAs and Private Lighting areas in July 2014. Following the briefing and Council direction, the Administration submitted a transmittal for a future Council follow-up discussion on Citywide lighting and SAAs, but that conversation has yet to be scheduled. At this point, the discussion will be scheduled when the consultant's recommendations are received on the comprehensive review. The Council's direction from July 2014, on topics such as the General Fund 25% subsidy and conversion to energy efficient lighting, will be discussed during that future briefing.

Regarding the more immediate issue of LO3 2015assessments - Staff has new information and some clarifications regarding two of the Council's March 3rd straw polls:

Straw Poll #2: Holding a public hearing

In discussing the next steps for a public hearing, Council and Administrative staff raised questions about what would be asked of the public during the hearing – *what would they respond to?* It is important that residents within Lighting Districts do not have the impression that they can opt out of their District. A few options for the Council's consideration:

- a. Information gathering hearing Hold a hearing to give residents an opportunity to voice concerns or comments about the Lighting Districts. This could provide some helpful information to the consultant on areas of the Lighting Districts that could be improved. **Timing**: this could be held later in the summer separate from the current issue of Lo3 annual assessments. This would mean that the Lo3 assessments would go out now with the direction of the Council on assessment amounts (at last year's rate, higher rates as proposed by the Administration, or at a smaller increase).
- b. Feedback re: the increase Hold a hearing and ask residents of Lo3 to provide feedback on whether the current 2015 assessment should apply the proposed steep increases, in order to make

² Refer to Attachment B, a detailed notice to Lo3 property owners to help educate them regarding their fee increase for this year's assessment.

progress on recovering negative balances, or apply a smaller increase, or remain flat to last year while the broader Lighting District review happens. **Timing**: this would be held in May in order to get feedback in time for the annual assessments to be mailed prior to the end of the fiscal year.

c. A third option mentioned by Administrative staff or a variation of either of the other two, would be to use the Board of Equalization meeting that is being thought of by the Administration at the end of summer for providing an opportunity for staff to present information to the assessment payers and gather input. In addition to Lo3 this would also cover Lo1 and Lo2. The Council may wish to ask the Administration for more information on this approach. In this case, the Board of Equalization would have been held after bills have been sent out.

Staff Recommendation: It seems as though the information gathering hearing is more consistent with the Council's hope to improve communications and transparency with property owners in Lighting Districts. The Administration has proposed holding an Open House to share information and answer questions prior to a Council hearing. Pairing an Open House and Public Hearing could achieve better engagement with Lighting District residents, and inform the broader process of improving the City's role in Lighting Districts. This would also relieve some of the time pressure on getting assessments for Lo3 mailed out. In order to make sure that Lo3 residents receive more information about their annual assessment, the City's mailing letter could be more detailed about the current status of their Lighting District.

Straw Poll #3: Phasing in large increases and ensure accounts are self-funded

The first part of this relates to phasing in the large proposed increases; the Council requested that the increases be phased in over three years. **Corrected information:** Staff did not explain well that the increases, to correct negative fund balances, are already phased in over 10 years. The proposed Lo3 2015 assessment, budget year FY 2014/15 assessment reflects year one of the 10-year fund balance recovery. The mid-year adjustments to Lo3 holding increases to 50% will affect the fund balance correction to Lo3-12 and the balance of the overall fund. With this new information, the Council will likely want to revisit the straw poll, because switching from a 10-year phase in to a 3-year phase in would make the increases even larger. The second part of this straw poll was regarding the City's accounting for the Lighting Districts, and making sure that the General Fund was not contributing to the accounts due to the large negative balances. **Corrected information**: The City has a separate fund for all Lighting Districts (Special Assessment Areas). This fund includes all the separate Lighting areas. The areas with positive account balances have been adequate to balance the negative accounts. The fund has maintained a positive overall balance; however, it should be noted that the General Fund is providing the City's 25 percent subsidy that goes towards operation and maintenance.

Note: An ordinance for Lighting District Lo1 annual assessments is generally scheduled for June and an ordinance for Lighting District Lo2 annual assessments is generally scheduled in October.

POLICY QUESTIONS

In an effort to move Lighting District Lo3 forward, the following policy questions are for the Council's consideration:

- Does the Council want to hold a public hearing before assessment notices or after notices are mailed to property owners?
- 2. Does the Council want to revisit the straw poll regarding phasing in large increases?
- 3. If the Council approves of the annual assessments moving ahead, should the assessments be:
 - a. Held flat at last year's rates pending a comprehensive overview; or

- b. Remain at the Administration's proposed significantly higher rates; or
- c. Adjusted to a lower rate from what the Administration proposed?

ADDITIONAL & BACKGROUND INFORMATION (The following information was provided in the March 3rd Staff Report.)

The Administration requested that the City Council adopt an ordinance approving the annual assessment on properties in Lighting District Lo3. Lighting District Lo3 is an SAA, an area where property owners request additional street lights or decorative poles and fixtures for an assessed fee. This action would renew the annual assessment for operation, maintenance, and electrical energy costs of street lights within the lighting district. The Office of the City Engineer has determined that the total estimated annual costs for street lights for Lighting District Lo3 will be \$340,850 for 2015. The City's portion is \$85,213 leaving an assessment of \$255,637 upon the 663 property owners in the lighting district. The Administration has provided the City Council a map illustrating the extensions (neighborhoods) within the district and a spreadsheet showing the costs and the number of properties within each extension.

As mentioned earlier in this report, the 2015 fees proposed for some areas of the District are significantly higher than 2014 fees. Out of the 20 neighborhoods (extensions) that make up Lighting District Lo3, eight neighborhoods have a zero percent increase, while increases for the other 12 neighborhoods range from 2.88 percent to 151.96 percent. The assessment for each extension is calculated independently of the other neighborhoods with a different percentage rate. The number of property owners affected in each neighborhood varies. For example: 110 property owners' assessments will increase 39.19 percent for an additional \$160.33 on their annual bill. Four property owners' assessments will increase 151.96 percent for an additional \$857.79, and one property owner's assessment will increase 39.95 percent increase for an additional \$914.43.

According to the Administration, variable assessments are a result of power bill and monthly maintenance contract costs being calculated per lamp, costs associated with significant maintenance issues, numerous work orders associated with outage repairs and wind damage, high deficit fund balances being amortized over 10 years, catching up on deferred maintenance, and non-routine maintenance items.

The Administration states that property owners' assessments for Lighting District Lo3 remained the same from April 2011 to April 2013. However, in April 2014, several property owners experienced an increase in their assessment rates and expected increased rates for 2015 are noted in Attachment A. Increases have occurred because of light poles maintenance and extraordinary maintenance costs, resulting in negative balances for various extensions.

The Council discussed the unusual nature of increasing property owner fees without giving them an opportunity to go before the Board of Equalization since hearings are now held every five years (last hearings for Lighting District Lo3 were held on November 16, 17 and 18, 2010). Therefore, property owners of Lighting District Lo3 would not be given an opportunity to discuss their projected 2015 assessments since the next Board of Equalization hearings wouldn't be held until September 2015. The Council made the decision to schedule a public hearing to enhance public engagement based on the Council's policy to hold a public hearing whenever there is a fee increase (although not a legal requirement).

History of SAAs and Lo1, L02, and L03

An SAA includes property owners within a specific neighborhood who desired special or more lighting than the City's standard level of lighting and who were willing to be assessed for the additional costs of the lighting petitioned the City for the creation of SAAs. Special assessment districts are formed by ordinance upon agreement of a majority of the area property owners. The City currently has three "super districts" labeled as Lo1, Lo2, and Lo3.

Street Lighting Super Districts Lo1, Lo2 and Lo3 require the abutting property owners to pay 100 percent of the capital costs of the lighting and 75 percent of the ongoing operating and maintenance cost of the lights. Historically, the City has paid the remaining 25 percent as the equivalent of lighting that would be provided by the City. However, in July 2014, the Council took a straw poll to gradually eliminate the City's contribution to

³ Refer to Attachment A for a list of annual assessment amounts and the Administration's proposed 2015 assessment increases for extensions (neighborhoods) in Lighting District L03.

the ongoing operating costs. The practice of the General Fund providing a 25 percent subsidy for the assessments continues and is reflected in this ordinance. The property owners' costs are levied and billed annually in the form of special assessments.

There are 42 existing street lighting extensions (neighborhoods) within three super districts to isolate the annual assessment process. These extensions were combined into the three super districts based on assessment due dates, not on geographical location. On an annual basis, each district is renewed by assessment ordinance, such as this request for Lighting District Lo3 that is before the Council for consideration.

On December 11, 2012, the City Council adopted an ordinance that created an enterprise fund to pay for the operation and maintenance of Salt Lake City streetlights at a base level of lighting. The fund receives revenues through a fee charged to residents based on street frontage. The annual assessments charged to property owners within the SAAs are in addition to the \$3.73 per month base service fee for city-wide lighting.

Dear Property Owner:

Our records show that you are a property owner in Special Assessment Area (SAA) Lighting District No. 3, Extension 12 (Lo3-12). In past years, you would have received your annual bill by this time of year, however it is arriving late due to an internal City review of the SAA program and Lo3. Enclosed is your annual bill, due by June 30 (???).

We want to take this opportunity to update you on the status of your lighting area. As you may know, the lighting provides an added amenity to neighborhoods, but also requires a higher frequency of maintenance and repairs. Due to maintenance and upgrades that either need to happen now or have happened over the years, some of the the City's SAAs currently have a negative balance. For example, there is currently a deficit fund balance of \$378,573 in your Lighting District (Lo3-12) due to major maintenance expenses associated with outage repairs and wind damage and for replacement of underground wiring and circuits for 56 lamps that occurred in fiscal year 2011 and 2012. In order to keep the SAAs in good financial health, the City has started to impose increases to the annual bills for each property owner.

In light of all these factors, Salt Lake City is reviewing the status of each SAA and considering how to make improvements to the management and financial burdens of the districts. This comprehensive review will address financial status and handling, improving communication and transparency with SAA residents, energy efficiency upgrades, and other management related components.

TE	BD As the City evalu	uates the overall	status of SAAs,	the Council has	chosen to h	old a public
hearing or	n at	The	Council would l	ike to hear from	you about	(we'll fill
this in late	er).					

TBD Prior to the public hearing, Salt Lake City staff will also hold an informational meeting and will be available to discuss the street lighting assessments with you in person from 4:30-6:30 p.m. at the Salt Lake City Engineering Conference Room, 349 South 200 East, 6th floor, Salt Lake City.

General Background about SAAs

Your SAA area located in Lighting District Lo3, extension 12, was created by Salt Lake City in 1997 with notice and approval of a majority of property owners. When the SAA was established, residents elected to pay an annual assessment for the higher levels of street lighting. In addition, all property owners in Salt Lake City, including those in SAAs, are charged a base fee of \$3.73 per month for basic streetlights Citywide that is included on your utility bill.

Special lighting district assessments may vary from year to year, and are calculated annually by evaluating power costs, routine maintenance, extraordinary maintenance outlays, and corrections to fund balances if necessary.

Current Financial Status for L03:

District - Extension	L03-12	Individual Property Owner Share
Fund Balance - as of 02/13/2015	<\$378,573>	
Annual Power Cost	<\$3,294>	
Operations and Maintenance (need to put what this covers over power)	<\$2,890>	
Overhead and Administration	<\$1,291>	
City's Contribution	\$11,873	
2015 Assessment for LO3-12 (total collected from property owners)	\$30,007	
Fund Balance Payback	\$34,405	
Estimated Fund Balance— 3/31/2016	<\$344,168>	
Annual Assessment for 100 linear feet of Street Frontage	\$564	

Facts about your assessment:

- The assessment for this SAA is slated to increase 50% over the previous year's assessment.
- Your calculated annual assessment for May 2015 is \$______, which is \$____ more than last year's assessment.

BUDGET IMPACT: N/A

BACKGROUND/DISCUSSION:

Issue Origin: This is a request for adoption of an ordinance authorizing the Mayor to approve the annual assessment ordinance for Special Lighting District L03-2015 (see Attachment 3). There are four attachments accompanying this transmittal as follows:

Attachment 1 Calendar for Street Lighting District L03-2015

Attachment 2 Costs for Street Lighting District L03-2015

Attachment 3 Assessment Ordinance for Street Lighting District L03-2015

Attachment 4 Map for Street Lighting District L03-2015

1530 SOUTH WEST TEMPLE, SALT LAKE CITY, UTAH 84115 TELEPHONE: 801-483-6900 FAX: 801-483-6818 The Calendar of Events for the assessment is provided in Attachment 1.

Analysis: The annual operation, maintenance and electrical energy costs for the District is estimated at \$340,849.99. The City pays 25% of the annual expenses (\$85,212.50) and the residents in the District pay the remaining 75% (\$255,637.49). The City's portion is included in the City's non-departmental operation budget for FY 2015.

Attachment 3, the Assessment Ordinance, authorizes the Mayor to approve the annual assessment for the Special Lighting District L03-2015 to be levied upon each parcel of property in the lighting district for the purpose of paying the resident's share of operating, maintenance, and electrical energy costs of the District. There are 663 properties in the lighting district, which is comprised of numerous extension sites throughout the City. The Costs and number of properties within each extension are shown in Attachment 2. A map of the extensions within the District is shown in Attachment 4.

Master Plan Considerations: The proposed ordinance is consistent with the City's Street Light Master Plan and Policy.

PUBLIC PROCESS: Residents have the opportunity to file protests with the Board of Equalization.

March 3, 2015

A regular meeting of the City Council of Salt Lake City, Utah, was held on Tuesday, March 3, 2015, at the hour of 7:00 p.m. at the offices of the City Council at 451 South State Street, Salt Lake City, Utah, at which meeting there were present and answering to roll call the following members who constituted a quorum:

Luke Garrott	Chair
James Rogers	Vice-Chair
Erin J. Robinson Mendenhall	Councilmember
Stan Penfold	Councilmember
Charlie Luke	Councilmember
Kyle LaMalfa	Councilmember
Lisa Adams	Councilmember

Also present:

Ralph Becker	Mayor		
Margaret D. Plane	City Attorney		
Cindi Mansell	City Recorder		

Absent:

After the meeting had been duly called to order and after other matters not pertinent to this ordinance had been discussed, the City Recorder presented to the City Council a Certificate of Compliance with Open Meeting Law with respect to this March 3, 2015, meeting, a copy of which is attached hereto as Exhibit A.

ORDINANCE NO. of 2015

An ordinance (the "2015 Assessment Ordinance") approving an assessment list and levying an annual assessment upon property in Salt Lake City, Utah Lighting District No. 3, known as L03 (the "District L03"); establishing the effective date of the 2015 Assessment Ordinance; providing for a procedure to contest an assessment; and related matters.

BE IT ORDAINED BY THE CITY COUNCIL (THE "COUNCIL") OF SALT LAKE CITY (THE "CITY"), UTAH, AS FOLLOWS:

- Section 1. <u>Determination of Costs.</u> The annual estimated operation and maintenance costs of District L03 to provide for current street lighting within District L03 have been determined.
- Section 2. <u>Approval of Assessment List; Findings</u>. The Council confirms and approves the District L03 assessment list, a copy of which is attached hereto as <u>Exhibit B</u> and incorporated herein by reference (the "Assessment List"). The Assessment List has been adjusted to comport with the previous year's operating experience for District L03 and it includes estimated operation and maintenance costs for the twelve-month period beginning July 1, 2014, and ending June 30, 2015 (the "O&M Period"). The Council has determined that the Assessment List is just and equitable; that each piece of property to be assessed within District L03 will be benefited in an amount not less than the assessment to be levied against said property; and that no piece of property listed in the Assessment List will bear more than its proportionate share of the cost of the estimated operation and maintenance costs within District L03.
- Section 3. <u>Levy of Assessments</u>. The Council hereby levies an assessment upon the real property identified in the Assessment List. The assessments levied upon each parcel of property therein described shall be in the amount set forth in the Assessment List as adjusted.

The assessments hereby levied are for the purpose of paying the estimated operation and maintenance costs to provide street lighting and electrical energy for street lighting within District L03 for the O&M Period. It is hereby determined and established that the property being assessed will be specifically benefited to the full amount of the assessment hereby levied to cover said estimated operation and maintenance costs. All property benefited is within the boundaries of District L03. Unless future modifications revise the purposes and plans of District L03, future assessments will continue to be levied annually for the reasonable useful life of the facilities to be maintained by the assessment levy based upon applicable rates established by the energy contract with the City. Future non-energy costs of operation and maintenance relating to the providing of lighting benefits will also be a factor in determining future rates. The City Treasurer is hereby authorized and directed to notify property owners of this assessment and to collect assessments in accordance with the provisions of this 2015 Assessment Ordinance for the purposes herein provided.

trustee for purposes of the enforcement action. If at the sale no person or entity shall bid and pay the City the amount due on the assessment plus interest and costs, the property shall be deemed sold to the City for these amounts. The City shall be permitted to bid at the sale.

The election by the City to use or not to use a Notice of Delinquency and a Notice of Default shall have no effect on the perfecting of the lien resulting from a delinquency in the payment of any assessment after publication of this Assessment Ordinance. The remedies provided herein for the collection of assessments and the enforcement of liens shall be deemed and construed to be cumulative and the use of any one method or means of collection or enforcement shall not deprive the City of the use of any other method or means. The amounts of accrued interest and all costs of collection shall be added to the amount of the assessment up to the date of judgment or, in the case of foreclosure action, the date of the foreclosure sale.

Section 7. Remedy of Default. If prior to the final date that payment may be legally made under a final sale or foreclosure of property to collect delinquent assessment installments, the property owner pays the full amount of the unpaid assessment balance with interest at the Delinquent Rate, plus all approved or required costs, the owner shall then be restored to the right to pay installments in the same manner as if default had not occurred.

Section 8. Lien of Assessment. An assessment levied by this 2015 Assessment Ordinance or any unpaid portion of an earlier assessment, any interest accruing, and the costs of recording and collection shall constitute a lien against the property upon which the assessment is levied as of April 15, 2015, the effective date of this 2015 Assessment Ordinance (the "Effective Date"), or for any unpaid portion of an earlier assessment, as of the effective date of any earlier applicable assessment ordinance. Unless the assessment becomes delinquent, no notice of lien may be recorded and no release of lien will be recorded at the time of payment. When a delinquency occurs, a notice of lien setting out the assessment balance due may be incorporated into a Notice of Delinquency that will be recorded. The assessment lien based on this 2015 Assessment Ordinance, or on an earlier assessment ordinance, if the delinquency predates the effective date of this 2015 Assessment Ordinance, shall be superior to the lien of any trust deed, mortgage, mechanic's or materialman's lien, or other encumbrance and shall be equal to and on a parity with the lien for general property taxes. The lien shall continue until the assessment and any interest, penalties, and costs on it are paid, notwithstanding any sale of the property for or on account of a delinquent general property tax, special tax, or other assessment or the issuance of a tax deed, an assignment of interest by the governing entity, or a sheriff's certificate of sale or deed.

Section 9. <u>Contestability</u>. No assessment shall be declared void or set aside in whole or in part in consequence of any error or irregularity which does not go to the equity or justice of the assessment or proceeding. Any party who has not waived his or her objections to the assessment may commence a civil action against the City to enjoin the levy or collection of the assessment or to set aside and declare unlawful this 2015 Assessment Ordinance.

PASSED AND APPROVED by the City Council of the City, this March 3, 2015.

SALT LAKE CITY ORDINANCE No. ____ of 2015

(Adopting the rate of tax levy to be credited to the Library Fund for fiscal year 2015-2016)

An ordinance adopting the rate of tax levy to be credited to the Library Fund for fiscal year 2015-2016.

Be it ordained by the City Council of Salt Lake City:

PREAMBLE

Chapter 2, Title 59 of the Utah Code states that the governing body of each city shall, by ordinance or resolution, adopt a proposed tax levy or, if the tax rate is not more than the certified tax rate, a final tax levy on the real and personal property for various municipal purposes.

Chapter 2, Title 59, of the Utah Code provides for certain notice and hearing requirements if the proposed tax rate exceeds the certified tax rate. In that event, the proposed tax rate does not become final unless approved by resolution of the City Council following such notice and public hearing. It is the intent of Salt Lake City to comply with the mandate of the Utah Legislature, but reserve in itself the power to amend the tax rates set herein to guarantee, after final appraisal figures have been determined, that it does not exceed the amount required for its governmental operations and taxing authority granted by the Legislature. Further, it is the intent of the City to levy an additional tax, if necessary, to cover costs of State legislative mandates or judicial or administrative orders under Chapter 2, Title 59 of the Utah Code.

SECTION 1. PURPOSE. The purpose of this ordinance is to adopt a rate of tax levy for the Library Fund, pursuant to Chapter 2, Title 59 of the Utah Code, upon all real and personal property within Salt Lake City made taxable by law during fiscal year 2015-2016. The amount of

DISCLAIMER

City employment is subject to City ordinances, policies, practices and procedures as well as state law, federal law, and constitutional limitations on the City as a governmental entity. The policies, procedures, and practices of the City and its departments and workgroups do not limit, affect, or alter any legal or constitutional rights the City or its employees may have.

The City's policies, procedures, and practices do not create any contractual rights, either express or implied, or any other obligation or liability on the City. The City also expressly reserves the right to amend or change its policies, procedures, and practices at any time, with or without notice, and to amend or change its ordinances, with the notice required by law.

FY 20152016 COMPENSATION PLAN FOR SALT LAKE CITY CORPORATION

EFFECTIVE DATE

The provisions of this plan shall be effective commencing July 6, 2014 July 5, 2015, unless otherwise noted.

EMPLOYEES COVERED BY THIS PLAN

This ordinance shall apply to all full-time and transitional part-time city employees. This ordinance does not apply to employees classified as: seasonal, hourly, temporary, part-time or those covered by a memorandum of understanding.

AUTHORITY OF THE MAYOR

Employees covered by this compensation plan may be appointed, classified and advanced under rules and regulations promulgated by the Mayor, or the Civil Service Commission, if applicable, within budget limitations established by the City Council.

APPROPRIATION OF FUNDS

All provisions in this compensation plan are subject to the appropriation of funds by the City Council.

SECTION I: DEFINTIONS

SUBSECTION I - DEFINITION OF TERMS

As used in this ordinance:

- 1. "Appointed employees," with the exception of Justice Court Judges who are covered under this plan, means employees who are "at-will" employees serving at the pleasure of the Mayor (or the City Council if they are employees of the Office of the City Council).
- 2. "Adult Designee" means any individual with whom an employee has a long-term, committed relationship of mutual caring and support. The adult designee must have resided in the same household with the eligible employee for at least the past 12 consecutive months, and must have common financial obligations with the employee. The adult designee and the employee must be jointly responsible for each other's welfare. Adult designees and adult designees' children are not covered by Family Medical Leave Act.
- 3. "Exempt" refers to any employee who is not subject to or eligible to receive compensation for overtime according to §213 of the Fair Labor Standards Act.

- 4. "FLSA" means the federal Fair Labor Standards Act, which governs and determines the lawful requirements associated with compensating covered employees for time worked over 40 hours in a work week.
- 5. "Full-time employee" means employees whose positions regularly require 40-30 hours per week on a full-time schedule.
- 6. "Non-Exempt" refers to an employee who is covered by and must be compensated for overtime in accordance with §213 of the Fair Labor Standards Act.
- 7. "Transitional Part-Time" or "TPT" means an employee who, pursuant to the federal Affordable Care Act (ACA), regularly works thirty (30) hours or less per week.

SECTION II: EMPLOYEE WAGES, SALARIES & BENEFITS

SUBSECTION I - COMPENSATION PROGRAM & SALARY SCHEDULES

The City's compensation system and program, in conjunction with this ordinance, is intended to attract, motivate and retain qualified personnel necessary to effectively meet public service demands.

A. <u>Determination</u>

- 1. The Mayor shall develop policies and guidelines for the administration of the pay plans.
- 2. To the degree that funds permit, employees shall be paid compensation that:
 - a. Is commensurate with the skills and abilities required of the position;
 - b. Achieves equal pay for equal work;
 - c. Attains comparability and is competitive with the compensation paid by other public and/or private employers with whom the City compares and/or competes for personnel recruitment and retention.
- 3. When applicable, compensation surveys used to determine comparability shall include a cross section of comparable benchmark positions in organizations with whom the City competes for personnel recruitment and retention.
 - a. Compensation surveys shall measure total compensation including salaries and wages, paid leave, group insurance plans, retirement, and all other benefits.

b. The compensation plans may provide salary range widths that reflect the normal growth and productivity potential of employees within a job classification.

B. <u>Salary Schedules</u>

- 1. All Employees covered under this plan (except for those designated as "Elected Officials") shall be paid base wages or salaries according to the General Employee Pay Plan attached as Appendix "A." Wages and salaries shall not be less than the established range minimum or higher than the range maximum, unless otherwise approved by the Mayor or Mayor's designee.
- 2. <u>Appointed Employees</u>: The specific pay level assignments for Appointed Employees are shown in Appendix "B."
- 3. <u>Elected Officials:</u> Elected officials shall be paid annual compensation according to schedule attached as Appendix "C."

C. Other Compensation

The Mayor or the City Council may distribute appropriated monies to City employees as discretionary retention incentives or retirement contributions; or special lump sum supplemental payments. Retention incentives or special lump sum payments are subject to the Mayor's or City Council's approval.

SUBSECTION II - EMPLOYEE COMPENSATION FOR FISCAL YEAR 20152016

The City will increase each employee's base salary or hourly rate by three two percent (32%) beginning July 6, 2014 July 5, 2015.

SUBSECTION III - EMPLOYEE INSURANCE

The City will make available group medical, dental, life, accidental death & dismemberment, long-term disability insurance and an employee assistance program (EAP) to all eligible employees and their eligible spouse, adult designee, dependents and dependents of adult designee pursuant to City policy.

A. Employer-Paid Contributions. Effective July 1, 20142015, the City's contribution toward the total premium for group medical will be 95% for the high-deductible Summit Star Plan and 80% for the traditional Summit Care Plan. For employees enrolled in the high-deductible Summit Star Plan, the City will also contribute a one-time total of \$750 into a qualified health savings account (HSA) or a Medical Flex Account for those enrolled for single coverage and \$1,500 for those enrolled for double or family coverage per plan year. Health savings account or Medical Flex account contributions will be pro-rated for any employee hired after July 1, 20142015.

- B. Medical Insurance Coverage for TPT Employees. The City's contribution for TPT employees towards the group medical premium and, when applicable, the health savings account will be equal to 50% of the total paid for a regular, full-time employee. Pursuant to the City's implementation of the federal Affordable Care Act, employer-paid premium contributions and group medical insurance offerings for employees in this category shall cease no later than June 30, 2015.
- <u>CB</u>. <u>501(c) (9) Post Employment Health Plan.</u> The City will contribute \$24.30 per biweekly pay period into each employee's Nationwide Post Employment Health Plan account. For any year in which there are 27 pay periods, no such contribution will be made on the 27th pay period.

SUBSECTION IV - WORKERS' COMPENSATION

The City will provide Workers' Compensation coverage to employees as required by law.

SUBSECTION V - SOCIAL SECURITY ADOPTED, EXCEPTION FOR POLICE & FIRE

All sworn employees in the Police and Fire departments are exempt from the provisions of the Federal Social Security System unless determined otherwise by the City or unless required by state or federal law.

SUBSECTION VI - RETIREMENT

- A. <u>Retirement Programs</u>. The City hereby adopts the Utah State Retirement System for providing retirement pensions to employees covered by the plan. The City may permit or require the participation of employees in its retirement program(s) under terms and conditions established by the Mayor and consistent with state law. Such programs may include:
 - 1. The Utah State Public Employees' (Contributory and Non-Contributory); Public Safety Retirement Systems; or, the Utah Firefighters Retirement System; or
 - 2. Deferred Compensation Programs:
 - i. Elected city council members initially entering office before July 1, 2011 may elect to participate exclusively in a 401(k) created by the City. If participation is elected, the City will make a contribution of 10% of the participant's base salary into this 401(k). A city council member initially entering office before July 1, 2011 may not receive contributions into this 401(k) and receive contributions into a Tier I plan through Utah Retirement System.
- B. The 2014-20152015-2016 fiscal year retirement contribution rates for employees covered by this paragraph are shown in Appendix "D."

SUBSECTION VII - TRANSITIONAL PART-TIME EMPLOYEES

- A. The City may pay Transitional Part-Time employees a wage similar to classified full-time employees who perform the same work.
- B. Unless otherwise modified by the Mayor, Transitional Part-Time employees are eligible to receive retirement and insurance benefits, wage differentials and other allowances as specified in this plan.
- C. There shall be no cost to Transitional Part-time employees for Short-term Disability insurance. Short-term disability benefits will be prorated.

SECTION III: EMPLOYEE OVERTIME & OTHER PAY ALLOWANCES

SUBSECTION I - OVERTIME COMPENSATION

- A. Overtime Compensation. The City will pay non-exempt employees overtime compensation as required by the Fair Labor Standards Act. The City will pay for overtime hours at 1 ½ times the regular hourly rate or, at the employee's request and department director's approval, provide compensatory time off at a rate of 1½ hours for each overtime hour. Employees may accrue compensatory time up to a maximum as determined by the department director. The City may pay an employee for any or all accrued compensatory hours. The City will include all holiday leave hours when calculating overtime.
- B. <u>Labor Costs—Declared Emergency—Overtime Compensation for FLSA Exempt Employees</u>. The City may pay <u>FLSA</u> exempt employees (excluding Department heads/officials) overtime pay for any hours worked over forty (40) hours in a workweek at a rate of 1½ timesequivalent to their regular base hourly rates of pay during periods of a declared emergency. The City shall only make such payment when all of the following conditions occur:
 - 1. The Mayor or the City Council has issued a "Proclamation of Local Emergency;" or the City responds to an extraordinary emergency; and,
 - 2. Exempt employees are required to work over forty (40) hours for one <u>or more</u> workweek(s) during the Emergency period: and,
 - 3. The Mayor <u>and/</u>or the City Council <u>has</u> approve<u>sd</u> the use of available funds to cover the overtime payments.

The City shall distribute any overtime payments consistently with a pre-defined standard that treats all <u>exempt</u> employees equitably. Hours worked under a declared <u>or extraordinary</u> Emergency must be paid hours and cannot be accrued as compensatory time.

SUBSECTION II - LONGEVITY PAY

- A. <u>Eligibility</u>. With exception of elected officials, appointed employees and Justice Court Judges, the City will pay a monthly longevity benefit to full-time employees based on the most recent date an employee began full-time employment as follows:
 - 1) Employees who have completed six (6) consecutive years of employment with the City will receive \$50;
 - 2) Employees who have completed ten (10) consecutive years of employment with the City will receive \$75;
 - 3) Employees who have completed sixteen (16) full years of employment with the City will receive \$100; and,
 - 4) Employees who have completed twenty (20) full years of employment with the City will receive \$125.
- B. <u>Pension Base Pay.</u> Longevity pay will be included in base pay for purposes of pension contributions.
- C. <u>Longevity While on an Unpaid Leave of Absence</u>. Employees do not earn or receive longevity payments while on an unpaid leave of absence. When an employee returns from an approved unpaid leave of absence, longevity payments will resume.

SUBSECTION III - WAGE DIFFERENTIALS & ADDITIONAL PAY

Eligible employees receive certain wage differentials as follows:

- A. <u>Call Back and Call Out Pay.</u> Non-exempt employees will be paid Call Back or Call Out pay based upon Department Director approval and the following guidelines:
 - 1. <u>Call Back Pay</u>: Non-sworn, non-exempt employees who have been released from normally scheduled work and standby periods, and who are directed by an appropriate department head or designated representative to return to work prior to their next scheduled normal duty shift, will be paid for a minimum of three (3) hours straight-time pay and, in addition, will be guaranteed a minimum four (4) hours work at straight-time pay.
 - 2. <u>Call Out Pay for Police Sergeants (excluding Airport Police)</u>. Sergeants who have been released from their scheduled work shifts and have been directed by an appropriate division head or designated representative to perform work without at least 24 hours advance notice or scheduling, shall be compensated as follows:
 - a. Sergeants who are directed to report to work shall receive a minimum of four (4) hours compensation at one and one-half times their hourly

- wage rate, or one and one-half times their hourly wage rate for actual hours worked, whichever is greater.
- b. Sergeants who are assigned to day shift, and who are directed to perform work within eight (8) hours prior to the beginning of their regularly scheduled shift shall receive a minimum of four (4) hours compensation at one and one-half times their hourly wage rate, or one and one-half times their hourly wage rate for actual hours worked, whichever is greater.
- c. Sergeants who are assigned to the afternoon or graveyard shifts, and who are directed to perform work within eight (8) hours following the end of their regularly scheduled shift shall receive a minimum of four (4) hours compensation at one and one-half times their hourly wage rate, or one and one-half times their hourly wage rate for actual hours worked, whichever is greater.
- B. <u>Standby Pay</u>: Non-exempt employees are eligible to receive Standby pay based upon the following guidelines.
 - 1. <u>Standby for Non-Sworn Employees</u>: Non-exempt, non-sworn employees who have been released from normally scheduled work but have not been released from standby status will be paid either two (2) hours of straight time pay for each 24 hour period of limited standby status; or two (2) hours straight time pay for each 12-hour period of standby status if they are Department of Airports or Public Utilities Department employees.
 - a. <u>First Call to Work.</u> An eligible employee who is directed to return to his or her normal work site during an assigned Standby period by a department head or designated representative without advanced notice or scheduling will be paid a guaranteed minimum of four (4) hours, which may include any combination of hours worked and/or non-worked straight-time pay.
 - b. Additional Calls to Work. An eligible employee will be paid an additional guaranteed minimum of two (2) hours, which may include any combination of hours worked and/or non-worked straight-time pay, for each additional occasion he or she is called to work during the same twenty-four (24) or twelve (12) hour standby period.
 - c. <u>Exclusion for Snow Fighters.</u> Any employee on standby as a member of the Snow Fighter Corps shall not receive standby/on-call pay or shift differential when on standby or called back to fight snow.
 - 2. <u>Standby for Police Sergeants (excluding Airport Police)</u>: Police Sergeants directed by their Division Commander or designee to keep themselves available for City service during otherwise off-duty hours shall be compensated one (1) hour of straight time for each twenty-four (24) hours

while on a designated Standby status. This compensation shall be in addition to any callout pay or pay for time worked the employee may receive during the standby period.

- C. Extra-Duty Shifts for Police Sergeants. "Extra-duty shifts" are defined as scheduled or unscheduled hours worked other than the sergeant's normally scheduled work shifts. "Extra-duty shifts" do not include extension or carry over of the sergeant's normally scheduled work shift.
 - 1. In the event a Sergeant is required by the City to work extra-duty shifts, time worked during each shift will be paid at one and one-half times the Sergeant's hourly wage rate.
- D. <u>Shift Allowance</u>, not including <u>Police Sergeants & Lieutenants</u>. Only FLSA non-exempt employees assigned to perform afternoon/swing or evening shift work are eligible to receive a shift allowance.
 - 1. The City will include all shift allowance when computing overtime. An employee who receives Snow Fighter Corps differential pay is not eligible to also receive shift allowance.
 - 2. <u>Day Shift</u>: No allowance will be paid for work hours which are part of a regular day shift.
 - 3. <u>Eligible Hours</u>: For each non-day shift hour worked between the hours of 6:00 p.m. and 6:00 a.m., the City will pay an eligible non-exempt employee a differential of \$1.00 per hour.
- E. <u>Shift Differential for Police Sergeant & Lieutenant (excluding Airport Police):</u> The City will pay Police Sergeants & Lieutenants shift differentials according to the shift actually worked. Actual shift differential rates are determined as follows:
 - 1. <u>Day Shift</u>: No differential pay for hours worked during day shift, which begins at 0500 hours until 1159 hours.
 - 2. Swing Shift: A differential of 2.5% in addition to the regular day rate shall be paid for swing shift, which begins at 1200 hours until 1859 hours.
 - 3. <u>Graveyard Shift</u>: A differential of 5.0% in addition to the regular day rate shall be paid for graveyard shift, which begins at 1900 hours until 0459 hours.
- F. Acting/Working out of Classification. A department head may elect to grant additional compensation to an employee for work performed on a temporary basis, in an acting capacity or otherwise beyond the employee's regular job classification for any period lasting 20 or more working days. Compensation adjustments may be retroactive to the start date of the temporary job assignment. This pay shall be limited to no more than 90 calendar days from the start date and paid separately from regular

- earnings on each employee's wage statement. Exceptions may be approved by the Mayor or Mayor's designee.
- G. <u>Snowfighter Pay</u>. The City will pay employees designated by the department head, or designee, as members of the Snow Fighter Corps a pay differential equal to \$200 per pay period for the snowfighter season not to exceed \$2,000 during each fiscal year for work related to snow removal. This pay shall be separate from regular earnings on each employee's wage statement.

SUBSECTION IV - EDUCATION AND TRAINING PAY

- A. <u>Education Incentives</u>. The Mayor may adopt programs to promote employee education and training, provided that all compensation incentives are authorized within appropriate budget limitations established by the City Council.
 - 1. Police Captains and Lieutenants are eligible for a \$500 per year job-related training allowance.
 - 2. - 13. One personal holiday per calendar year, taken upon request of an employee and as approved by a supervisor.
- B. When any holiday listed above falls on a Sunday, the following business day shall be considered a holiday. When any holiday listed above falls on a Saturday, the preceding business day shall be considered a holiday. In addition to the above, any day may be designated as a holiday by proclamation of the Mayor and/or the City Council.
- C. All holiday hours, including personal holidays, shall be used in no less than regular full day or shift increments.
- D. No employee shall receive in excess of the equivalent of one work day or a regular scheduled shift as holiday pay for a single holiday. Employees must work or be on authorized paid leave their last scheduled working day before and the next working day following the holiday to qualify for holiday pay.
- E. <u>Holiday Exception:</u> Employees may observe the following holidays up to 50 days prior to the actual holiday, with prior management approval: 1) the Friday after Thanksgiving Day (for all eligible employees except for those assigned to the Justice Court Division); or, 2) Columbus Day (only for eligible employees assigned to the Justice Court Division).
- F. <u>Police Sergeant, Lieutenant & Captain</u>: Police Sergeants, Lieutenants and Captains who retire or separate from City employment for any reason shall be compensated for any holiday time accrued and unused during the preceding 12 months. Employees shall not be compensated for any unused holiday time accrued before the 12 months preceding the employee's retirement or separation.

SUBSECTION II - VACATION LEAVE

The City will pay eligible employees their regular salaries during vacation periods earned and taken in accordance with the following provisions. Transitional Part-Time employees are entitled to receive 50% of the same vacation leave benefits as regular full-time employees. Except as provided for expressly in either city policy or this plan, vacation leave hours are ineligible to be cashed out or used to exceed the total number of hours for which an employee is regularly compensated during a work week or a pay period.

Except for Appointed employees, no employee shall be entitled to use any vacation unless the employee has successfully completed his or her initial probationary period.

A. Full-Time employees and Appointed employees (except for Department Directors & Fire Battalion Chiefs) shall accrue vacation leave based upon years of City Service as follows:

- D. For any plan year in which there are 27 pay periods, no vacation leave hours will be awarded on the 27th pay period.
- E. Years of City Service shall be based on the most recent date the person became a Full-Time salaried employee.
- F. Regular full-time and transitional part time employees re-hired by Salt Lake City are eligible to receive up to three years of prior service credit for vacation and personal leave accrual.
- G. Full-Time and Appointed employees (except those listed in Paragraph B of this subsection) may accumulate vacations, according to the length of their full-time years of City Service up to the following maximum limits:

Up to and including 9 years Up to 30 days/ 15 shifts/ 240 hours

After 9 years Up to 35 days/ 17.5 shifts/ 280 hours

After 14 years Up to 40 days/ 20 shifts/ 320 hours For purposes of this subsection, "days" means "8-hour" days and "shifts" means "24 hour" combat shifts.

- H. Department Directors and those included in Paragraph B of this subsection may accumulate up to 320 hours of vacation without regard to their years of employment with the City.
- I. Any vacation accrued beyond the allowable maximums will be deemed forfeited unless utilized prior to the end of each calendar year in which the hours are accrued. However, in the case of an employee's return from an unpaid military leave of absence, leave hours may be restored according to requirements under federal law and city ordinance.
- J. <u>Vacation Payout at Termination</u>: Employees shall be paid at their base hourly rate for any unused accrued vacation leave time following termination of employment, including retirement.
- K. <u>Vacation Allowance</u>: As a recruiting incentive, the Mayor or the City Council may provide a one-time allowance of up to 120 hours of vacation leave.

SUBSECTION III - SICK AND OTHER RELATED LEAVE OR PERSONAL LEAVE

Benefits in this section are for the purpose of continuing income to employees during absence due to illness, accident or personal reasons. Some of these absences may qualify under the Family and Medical Leave Act (FMLA). The City requires all employees using FMLA leave to exhaust their paid leave allotments for FMLA-qualifying events prior to taking unpaid FMLA leave. Employees are not eligible to earn or receive leave benefits while on an unpaid leave of absence. However, employees on an unpaid military leave of absence may be entitled to the restoration of such leave benefits, as provided by federal law and city ordinance.

Employees hired on or after November 16, 1997 shall receive personal leave benefits under Plan B. All other employees shall participate in the plan they participated in on November 15, 1998. Employees who were hired before November 16, 1997, shall participate in Plan B if they so elected during any City-established election period occurring after 1998.

A. Plan "A"

1. Sick Leave

- a. Sick leave shall be provided for Full-Time employees under this Plan "A" as insurance against loss of income when an employee is unable to perform assigned duties because of illness or injury. The Mayor may establish rules governing the interfacing of sick leave and Workers' Compensation benefits and avoiding, to the extent allowable by law, duplicative payments.
- b. Each Full-Time employee shall accrue sick leave at a rate of 4.62 hours per pay period. For any plan year in which there are 27 pay periods, no sick leave hours will be awarded on the 27th pay period. Authorized and unused sick leave may be accumulated from year to year, subject to the limitations of this plan.
- c. Under this Plan "A," Full-Time employees who have accumulated 240 hours of sick leave may choose to convert up to 64 hours of the sick leave earned and unused during any given year to vacation. Any sick leave used during the calendar year reduces the allowable conversion by an equal amount.
- d. Conversion at the maximum allowable hours will be made unless the employee elects otherwise. Any election by an employee for no conversion, or to convert less than the maximum allowable sick leave hours to vacation time, must be made by notifying his or her Personnel/Payroll Administrator, in writing, not later than the second payperiod of the new calendar year. Otherwise, the opportunity to waive conversion or elect conversion other than the maximum allowable amount shall be deemed

waived for that calendar year. In no event shall sick leave days be converted from other than the current year's sick leave allocation.

- e. Any sick leave hours, properly converted to vacation benefits as above described, shall be taken prior to any other vacation hours to which the employee is entitled; provided, however, that in no event shall an employee be entitled to any pay or compensation upon an employee's separation for any sick leave converted to vacation. Any sick leave converted to vacation remaining unused at the date of separation shall be forfeited by the employee.
- f. Sick Leave Benefits Upon Layoff. Employees who are subject to layoff because of lack of work or lack of funds will be paid at 100% of the hourly base wage rate on date of termination for each accumulated unused sick leave hour.

2. Hospitalization Leave

- a. Hospitalization leave shall be provided for Full-Time employees under this Plan "A," in addition to sick leave authorized hereunder, as insurance against loss of income when employees are unable to perform assigned duties because of scheduled surgical procedures, urgent medical treatment, or hospital inpatient admission.
- b. Employees shall be entitled to 30 days of hospitalization leave each calendar year. Hospitalization leave shall not accumulate from year to year. Employees may not convert hospitalization leave to vacation or any other leave, nor may they convert hospitalization leave to any additional benefit at time of retirement.
- c. Employees who are unable to perform their duties during a shift due to preparations (such as fasting, rest, or ingestion of medicine), for a scheduled surgical procedure, may report the absence from the affected shift as hospitalization leave, with the prior approval of their division head or supervisor.
- d. Employees who must receive urgent medical treatment at a hospital, emergency room, or acute care facility, and who are unable to perform their duties during a shift due to urgent medical treatment, may report the absence from the affected shift as hospitalization leave. The employee is responsible to report the receipt of urgent medical treatment to the employee's Division head or supervisor as soon as practical. For purposes of use of hospitalization leave, urgent medical treatment includes at-home care directed by a physician immediately after the urgent medical treatment and within the affected shift.

- e. Employees who are admitted as an inpatient to a hospital for medical treatment, so they are unable to perform their duties, may report the absence from duty while in the hospital as hospitalization leave.
- f. Medical treatment consisting exclusively or primarily of post-injury rehabilitation or therapy treatment, whether conducted in a hospital or other medical facility, shall not be counted as hospitalization leave.
- g. An employee requesting hospitalization leave under this section may be required to provide verification of treatment or care from a competent medical practitioner.

3. Dependent Leave

- a. Under Plan "A," dependent leave may be requested by a Full-Time employee for the following reasons:
 - 1) Becoming a parent through birth or adoption of a child or children.
 - 2) Placement of a foster child in the employee's home.
 - 3) Due to the care of the employee's child, spouse, spouse's child, adult designee, adult designee's unmarried child under age 26, or parent with a serious health condition.
- b. Under Plan "A," dependent leave may also be requested by a Full-Time employee to care for an employee's child, spouse, spouse's child, adult designee, adult designee's unmarried child under age 26, or a parent who is ill or injured but who does not have a serious health condition.
- c. The following provisions apply to the use of dependent leave by a Full-Time employee:
 - 1) Dependent leave may be granted with pay on a straight time basis.
 - 2) If an employee has available unused sick leave, sick leave may be used as dependent leave.
 - 3) An employee is required to give notice of the need to take dependent leave, including the expected duration of leave, to to his or her supervisor as soon as possible.
 - 4) Upon request of a supervisor, an employee will be required to provide a copy of a birth certificate or evidence of child placement for adoption, or a letter from the attending physician in the event of hospitalization, injury or illness of a child, spouse, spouse's child, adult designee, adult designee's child, or parent within five calendar days following a return from leave.

5) An employee's sick leave shall be reduced by the number of hours taken by an employee as dependent leave.

4. Career Incentive Leave, Plan "A."

Full-Time employees, who have been in continuous Full-Time employment with the City for more than 20 years, and who have accumulated to their credit 1500 or more sick leave hours, may make a one-time election to convert up to 160 hours of sick leave into 80 hours of paid Career Incentive Leave. Career Incentive Leave must be taken prior to retirement. Sick leave hours converted to Career Incentive Leave will not be eligible for a cash payout upon termination or retirement even though the employee has unused Career Incentive Leave hours available. This leave can be used for any reason. Requests for Career Incentive Leave must be submitted in writing to the Department Director and be approved subject to the department's business needs (e.g., work schedules and workloads).

5. Retirement Benefit, Plan "A."

a. Persons who retire under the eligibility requirements of the Utah State Retirement System will be paid at their base hourly rate for 2550% of their accumulated sick leave hours balance based on the schedule below:

	h	
-	н	-

Retirement Month	50% sick leave will be:
January 1 st – June 30 th	Contribution to Nationwide 501(c)9 Plan
July 1 st – December 31 st	Cash to retiree

In lieu of the above, Full-Time employees may elect to convert 50% of the sick leave hours provided under Plan A to pay for health insurance premiums. Any sick leave hours converted to a dollar allowance are subject to state, federal and social security income tax withholding required by law. Upon an issuance of payment to an employee, the employee shall endorse the payment to the City, which is to be held in a non-interest bearing account from which the City will pay the insurance carrier until the account balance is exhausted. This provision shall not act to reinstate an employee with sick leave benefits which were in any respect lost, used, or forfeited prior to the effective date of this plan.

B. Plan "B"

1. The benefit Plan Year of Plan "B" begins in each calendar year on the first day of the pay-period that includes November 15. Under this Plan "B," paid personal leave shall be provided for employees as insurance against loss of income when an employee needs to be absent from work because of illness or injury, to care for a dependent, or for any other emergency or personal reason. Where the leave is

not related to the employee's own illness or disability—or an event that qualifies under the FMLA—a personal leave request is subject to supervisory approval based on the operational requirements of the City and any policies regarding the use of such leave adopted by the department in which the employee works.

2. Each Full-Time employee under this Plan "B" shall be awarded personal leave hours based on the following schedule:

- Months of Consecutive <u>City Service</u>	Hours of Personal Leave
Less than 6	40
Less than 24	60
24 or more	80

Employees hired during the plan year will be provided paid personal leave on a pro-rated basis.

- 3. Not later than October 31st in each calendar year, employees covered by Plan "B" may elect, by notifying their Personnel/Payroll Administrator in writing, to:
 - a. Convert any unused personal leave hours available at the end of the first pay period of November to a lump sum payment equal to the following: For each converted hour, the employee shall be paid 50 percent of the employee's hourly base wage rate in effect on date of conversion. In no event shall total pay hereunder exceed 40 hours of pay (80 hours at 50%); or,
 - b. Carryover to the next calendar year up to 80 unused personal leave hours; or,
 - c. Convert a portion of unused personal leave hours, to a lump sum payment as provided in subparagraph (a), above, and carry over a portion as provided in subparagraph (b), above.
- 4. <u>Maximum Accrual.</u> A maximum of 80 hours of personal leave may be carried over to the next plan year. Any personal leave hours unused at the end of the plan year in excess of 80 shall be converted to a lump sum payment as provided in subparagraph 3(a) above.
- 5. <u>Termination Benefits.</u> At termination of employment for any reason, accumulated unused personal leave hours, minus any adjustment necessary after calculating the "prorated amount," shall be paid to the employee at 50 percent of the hourly base wage rate on date of termination for each unused hour. For purposes of this paragraph, "prorated amount" shall mean the amount of personal

leave credited at the beginning of the plan year, multiplied by the ratio of the number of pay periods worked in the plan year (rounded to the end of the pay period which includes the separation date) to 26 pay periods. If the employee, at the time of separation, has used personal leave in excess of the prorated amount, the value of the excess amount shall be reimbursed to the City and may be deducted from the employee's paycheck.

6. Conditions on Use of Personal Leave include:

- a. Minimum use of personal leave, with supervisory approval, must be in no less than quarter-hour increments.
- b. Except in unforseen circumstances, such as emergencies or the employees' inability to work due to their illness or accident, or an unforseen FMLA-qualifying event, the employees must provide their supervisors with prior notice to allow time for the supervisors to make arrangements necessary to cover the employees' work.
- c. For leave due to unforseen circumstances, the employees must give their supervisors as much prior notice as possible.
- 7. Career Enhancement Leave, Plan "B." A Full-Time employee covered under this Plan "B" is eligible, after 15 years of full time service with the City, to be selected to receive up to two weeks of career enhancement leave. This one-time leave benefit could be used for formal training, informal course of study, jobrelated travel, internship, mentoring or other activity that could be of benefit to the City and the employee's career development. Selected employees shall receive their full regular salary during the leave. Request for this leave must be submitted in writing to the appropriate department head, stating the purpose of the request and how the leave is intended to benefit the City. The request must be approved by the department head and by the Human Resources Director (who will review the request for compliance with the guidelines outlined here).

8. Retirement/Layoff (RL) Benefit, Plan "B"

- a. Full-Time employees currently covered under Plan "B" who were hired before November 16, 1997, and who elected to be covered under Plan "B," shall have a retirement/layoff (RL) account equal to sixty percent of their accumulated unused sick leave hours available on November 16, 1997, minus any hours withdrawn from that account since it was established.
- b. Full-Time employees who were hired before November 16, 1997 and who elected in 1998 to be covered under Plan "B," shall have a retirement/layoff (RL) account equal to fifty percent of their accumulated unused sick leave hours available on November 14, 1998, minus any hours withdrawn after the account is established.

d. Full-Time employees who were hired before November 16, 1997 and who elected in 2007 or later during any period designated by the City to be covered under Plan "B," shall have a retirement /layoff (RL) account equal to forty percent of their accumulated unused sick leave hours available on the date that Plan B participation began, minus any hours withdrawn after the account is established.

d. Payment of the RL Account.

- 1) All of the hours in the RL account shall be payable to an employee only upon retirement or as a result of layoff. In the case of layoff, Hhours shall be paid to employee according to the employee's base hourly rate of pay on date of retirement or layoff.
- 2) In the case of retirement-only, in lieu of the above, employees who retire under the eligibility requirements of the Utah State Retirement System will be paid at their base hourly rate for 100% of their RL account balance based on the schedule below:

Retirement Month	100% sick leaveRL hours will be:
January 1 st – June 30 th	Contribution to Nationwide 501(c)9 Plan
July 1 st – December 31 st	<u>Cash to retiree</u>

Full-Time employees may elect to convert the RL account payment as provided herein to pay for health insurance premiums. Such payment shall be subject to any state and federal income and social security tax withholding required by law. An employee's available RL account balance, computed by the hours therein times the base salary rate at the effective date of employment separation, determines the number of months of medical and surgical coverage that may be purchased. The purchase is made on a monthly basis, which shall be computed on a monthly basis of charges against the account balance. If insurance costs increase, the number of months of coverage will decrease.

- e. Hours may be withdrawn from the RL account for emergencies or to supplement Workers' Compensation benefits after personal leave hours are exhausted. RL account hours, when added to the employee's Workers' Compensation benefit, may not exceed the employee's regular net salary.
- 9. Short-Term Disability Insurance, Plan "B." Protection against loss of income when an employee is absent from work due to short-term disability shall be provided to Full-Time employees covered under Plan "B" through short-term disability insurance (SDI). There shall be no cost to the employee for SDI. SDI shall be administered in accordance with the terms determined by the City. As

one of the conditions for receiving SDI, the employee may be required to submit to a medical examination by a medical provider of the City's choosing.

SUBSECTION IV - BEREAVEMENT LEAVE

- A. Time off with pay will be granted to an employee who suffers the loss of a current wife or husband; child, mother, father, brother, sister; current father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law; grandparent; current step-grandfather, step-grandmother; grandchild, or current step grandchild, stepchild, stepmother, stepfather, stepbrother or stepsister, grandfather-in-law, grandmother-in-law; or, adult designee or adult designee's relative as if the adult designee were the employee's spouse. In the event of death in any of these instances, the City will provide an employee with up to five working days of paid leave for bereavement, including attendance at a funeral, memorial service, or related event(s). The employee will be permitted one additional day of bereavement leave if the employee attends a funeral, memorial service or equivalent event that is held more than 150 miles distance from Salt Lake City and the day following the memorial service or equivalent event is a regular working shift.
 - 1. In the event of death of a first-line extended relative to the employee, employee's spouse or adult designee's relative as if the adult designee were the employee's spouse, not covered in paragraph A above (such as an uncle, aunt or cousin), the City will pay an employee for time off for one work shift to attend memorial services. The employee will be permitted one additional day of bereavement leave if the employee attends a funeral, memorial service or equivalent event that is held more than 150 miles distance from Salt Lake City and the day following the memorial service or equivalent event is a regular working shift.
 - 2. In the event of death of friends, an employee may be allowed to use vacation or personal leave for time off to attend the funeral or memorial service, as approved by an immediate supervisor.
 - 3. In the event of death of any covered family member while an employee is on vacation leave, an employee's absence may be extended and authorized as bereavement leave.

SUBSECTION V - MILITARY LEAVE

A. <u>Leave of absence for employees who enter uniformed service.</u> An employee who enters the service of a uniformed services of the United States, including the United States Army, United States Navy, United States Marine Corps, United States Air Force, commissioned Corps of the National Oceanic and Atmospheric Administration, United States Coast Guard, or the commissioned corps of the Public Health Service, shall be entitled to be absent from his or her duties and service from the City, without pay, as required by state and federal law. Leave shall be granted for no more than five cumulative years, consistent with the federal Uniform Services Employment and Reemployment Act.

B. Leave while on duty with the armed forces or Utah National Guard. An employee who is or who becomes a member of the reserves of the federal armed forces, including United States Army, United States Navy, United States Marine Corps, United States Air Force, and the United States Coast Guard, or any unit of the Utah National Guard, shall be allowed military leave for up to 11 working days per calendar year for time spent on active or reserve duty. Military leave may be in addition to vacation leave and need not be consecutive days of service. To be covered, an employee must provide documentation to the City demonstrating a duty requirement.

SUBSECTION VI - JURY LEAVE & COURT APPEARANCES

- A. <u>Jury Leave</u>: An employee shall be released from duty with full pay when, in obedience to a subpoena or direction by proper authority, the employee is required to either serve on a jury or appear as a witness as part of their position for the federal government, state of Utah, or other political subdivision.
 - 1. Employees are entitled to retain statutory juror's fees paid for jury service in the State and Federal Courts.
 - 2. On any day that an employee is required to report for jury service and is thereafter excused from such service during his or her regular working hours from the City, he or she shall forthwith return to and carry on his or her regular City employment. Employees who fail to return to work after being excused from jury service for the day shall be subject to discipline.
- B. <u>Court Appearances</u>. A Police Sergeant is eligible to receive compensation as a witness subpoenaed by the City, the State of Utah, or the United States for a court or administrative proceeding appearance as follows:
 - 1. Appearances in court or administrative proceeding made while on-duty will be compensated as normal hours worked.
 - 2. In the event an appearance extends beyond the end of an employee's regularly scheduled shift, time will be counted as normal work time for the purpose of computing an employee's overtime compensation.
 - 3. Appearances made while off-duty will be compensated as follows:
 - (a) The City will pay employees for two (2) hours of preparation time plus actual time spent in court or in an administrative hearing at 1 ½ times their regular hourly rate. Lunch periods granted are not considered compensable time. Compensation for additional preparation time for any subsequent appearance during the same day is allowed only when there is at least two (2) hours between the employee's release time from a prior court or administrative proceeding and the start of the other.

- (b) In the event the time spent in court or administrative proceeding extends into the beginning of the employee's regularly scheduled work shift, time spent in court or in administrative proceeding shall be deemed ended at the time such shift is scheduled to begin.
- 4. An employee is required to provide a copy of the subpoena, including the beginning time and time released from the court or administrative hearing with initials of the prosecuting or another court representative within seven (7) working days following the appearance.
- 5. Any employee failing to appear in compliance with the terms of a formal notice or subpoena may be subject to disciplinary action.

SUBSECTION VII - INJURY LEAVE (AIRPORT POLICE EMPLOYEES ONLY)

The City has established rules governing the administration of an injury leave program for employees of the Operations Division of the Department of Airports who are required to carry firearms as part of their jobs, under the following qualifications and restrictions:

- A. The disability must have resulted from an injury arising out of the discharge of official duties and/or while exercising some form of necessary job related activity as determined by the City;
- B. The employee must be unable to return to work due to the injury as verified by a medical provider acceptable to the City;
- C. The leave benefit shall not exceed the value of the employee's net salary during the period of absence due to the injury, less all amounts paid or credited to the employee as Workers' Compensation, Social Security, long-term disability or retirement benefits, or any form of governmental relief whatsoever;
- D. The value of benefits provided to employees under this injury leave program shall not exceed the total of \$5,000 per employee per injury; unless approved in writing by the employee's Department Head after receiving an acceptable treatment plan and consulting with the City's Risk Manager;
- E. The City's Risk Manager shall be principally responsible for the review of injury leave claims provided that appeals from the decision of the City's Risk Manager may be reviewed by the Human Resource Director, who may make recommendations to the Mayor for final decisions;
- F. If an employee is eligible for Workers' Compensation as provided by law; and is not receiving injury leave pursuant to this provision, an employee may elect to use either accumulated sick leave or hours from the RL account, if applicable, and authorized vacation time to supplement Workers' Compensation. The total value of leave hours or hours from an RL account combined with a Workers' Compensation benefit may not exceed an employee's regular net salary.

SUBSECTION VIII - ADDITIONAL LEAVES OF ABSENCE

Additional unpaid leaves of absence may l	be requested i	n writing and	granted	to an emp	loyee at
the discretion of a Department Director.

SALT LAKE CITY ORDINANCE

No. ____ of 2015

(Parking Exemption for Official Vehicles)

An ordinance amending section 12.56.590 of the Salt Lake City Code regarding the exemption of official vehicles from certain requirements of the City's parking ordinances.

WHEREAS, the City has enacted ordinances governing parking within Salt Lake City; and

WHEREAS, Salt Lake City Code section 12.56.590 provides a process whereby the City can facilitate the registration and utilization of qualifying vehicles used for governmental or quasi-governmental purposes in a manner that exempts such vehicles from certain aspects of the City's parking ordinances; and

WHEREAS, the City now desires to update its ordinances governing parking exemptions for qualifying vehicles;

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 12.56.590 of the Salt Lake City Code be, and the same hereby is, amended as follows:

12.56.590: PARKING EXEMPTION FOR OFFICIAL VEHICLES:

A. Definitions: For purposes of this section, unless otherwise apparent from the context, certain words and phrases used in this section are defined as follows:

EXEMPT VEHICLE: A marked official vehicle or a nonmarked official vehicle used by the following persons:

- 1. City department directors.
- 2. City council members.
- 3. Operators of city fleet vehicles.
- 4. Designated city employees as determined by the mayor or the mayor's designee.
- 5. Designated employees or representatives of other governmental entities as determined by the mayor or the mayor's designee.
- 6. Emergency services personnel and employees of enforcement agencies.
- 7. Employees or representatives of quasi-governmental entities as determined by the mayor or the mayor's designee.

A personal vehicle may be considered an exempt vehicle if it is used by a person described above for official governmental or quasi-governmental purposes.

MARKED OFFICIAL VEHICLE: A vehicle owned or leased by a governmental or quasigovernmental entity that a representative of the entity uses in the course of the representative's official duties and that displays obvious official identification such as door symbols or light bars. A governmental or exempt license plate alone does not satisfy the obvious official identification requirement.

NONMARKED OFFICIAL VEHICLE: A vehicle, owned or leased by a governmental or quasi-governmental entity, without obvious official identification such as door symbols or light bars that a representative of the entity uses in the course of the representative's official duties, or a nonmarked vehicle for which the city previously issued an official vehicle sticker or placard parking dash-placard.

B. Registration:

1. In order for a nonmarked official vehicle to become an exempt vehicle, it must be registered with the city's compliance director using the city's online registration process. The requesting agency's designated primary contact can initiate the registration process by contacting the compliance director's office and following the -guidelines for the vehicle registration process. Registration is not required for a marked official vehicle. A city department director may allow an individual city employee to register his or her

personal vehicle as an exempt vehicle based on a documented need or requirement that will be included as part of the registration process.

- 2. As part of the online registration, the entity shall provide the following information:
 - a. Entity's name.
 - b. Name of entity's primary contact.
 - c. Telephone number of entity's primary contact.
 - d. E-mail address of entity's primary contact.
 - e. Vehicle make.
 - f. Vehicle model.
 - g. Vehicle color.
 - h. Vehicle license plate number.
 - i. Vehicle identification number.
 - j. Vehicle primary driver.
 - k. Reason why the vehicle should be classified as an exempt vehicle.
 - 1. Days of the week when exempt status is required.
 - m. Location(s) in Salt Lake City where exempt status is needed.
- 3. As a part of the registration process, the city's compliance program director shall review all requests and approve or deny exempt vehicle status. Upon approval or disapproval, the city shall notify the entity's primary contact of the approval or disapproval. Upon receiving notice that their vehicles have been approved, a participating agency must make payment to city in the amount listed in the Salt Lake City Consolidated Fee Schedule for each nonmarked registered vehicle. This payment will be made to the city online or through cashiers. For an Upon approval and receipt of payment, the city shall include information about the registered exempt vehicle in the exempt vehicle database maintained in the city's parking enforcement office. The exempt vehicle database shall contain the information necessary to enable parking enforcement personnel to identify an exempt vehicle when they enter the vehicle's license plate number in their enforcement handheld device and to confirm exempt vehicle status and any status limitations.

- 4. The city's compliance program director or the director's designee shall be responsible for reviewing and approving any specific limitations for exempt vehicles, which limitations may vary for each entity and each vehicle.
- 5. Exempt vehicles are subject to the generally applicable rules regarding restricted parking locations (such as handicap, no parking, bus lanes, and residential parking permit areas) and shall comply with non-parking related ordinances such as vehicle registration requirements. Exempt vehicles may will not receive citations for violations of the following sections of this chapter unless parking was required as part of an unavoidable or emergent official duty: 12.56.150, "Parking Meters; Installation and Enforcement"; 12.56.180, "Parking Meters; Restricted Spaces"; 12.56.190, "Parking Meters; Overtime Parking Prohibited"; 12.56.300, "Residential Parking Lots Owned By The City"; 12.56.450, "Time Limited Parking On Certain Streets"; and 12.56.520, "Using Streets For Storage Prohibited". 1f-1The city's parking enforcement personnel will also attempt to identify instances in which official vehicles are parkeding in violation of city ordinances -due toas required as part of an unavoidable or emergency circumstances related tot official dutiesy. If the city's parking enforcement personnel are unable to identify the justification and rationale for an exempt vehicle being parked in a restricted parking location, then a citation shall be issued and the participating agency may establish justification for such parking violations may be established by before a hearing officer as part of a review process. Registered city exempt vehicles and city exempt vehicles used for emergency services are exempt from all parking ordinances.
- C. Maintenance: A registered exempt vehicle shall remain exempt only if it undergoes an annual review and recertification process. The process shall be completed by the entity's primary contact using the same method that was used for the initial registration and shall be completed when the entity receives notification of completion from the city's parking enforcement office. Parking enforcement's notification shall be sent by e-mail to the entity's primary contact. Approximately eleven (11) calendar months after the initial registration or recertification of an exempt vehicle, parking enforcement shall notify, by e-mail, the entity's primary contact of the need to recertify the vehicle. Vehicles that are not recertified by the thirteenth month after initial registration or recertification shall be automatically removed from the exempt vehicle database. An entity may submit to the city's compliance director requests for changes to exempt vehicle status, new requests, and changes to primary contact information, and the compliance director may make those changes.

SECTION 2.	That this ordinance shall become effective on September 1, 2015.

An ordinance enacting section 12.56.595 of the Salt Lake City Code providing for the issuance of a business parking permit.

WHEREAS, the Salt Lake City Code contains provisions governing parking within the City; and

WHEREAS, the City desires to provide a mechanism whereby a business parking permit can be issued for vehicles associated with a business that do not qualify for a freight permit parking pass;

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 12.56.595 of the Salt Lake City Code be, and the same hereby is, enacted to read as follows:

SECTION 12.56.595: BUSINESS PARKING PERMIT

- A. A business that has a valid Salt Lake City business license is eligible to purchase a Business

 Parking Permit for vehicles affiliated with the business that do not qualify for a freight
 license parking permit. Business Parking Permits may be purchased through the Business
 Licensing section of Salt Lake City upon payment of the corresponding fee listed on the Salt
 Lake City Consolidated Fee Schedule.
- B. A vehicle for which a valid Business Parking Permit has been purchased can occupy a parking space without paying any parking meter fees that would otherwise be required to park in such parking space. Notwithstanding the foregoing, a Business Parking Permit does not allow a vehicle to occupy a parking space for longer than two (2) hours or such other maximum time period as indicated on signage that corresponds to such parking space.

(Freight Curb Loading Zones)

An ordinance amending section 12.56.330 of the Salt Lake City Code, regarding the regulation and use of freight curb loading zones.

WHEREAS, the City desires to amend the City Code with respect the manner in which freight license parking permits are regulated; and

WHEREAS, the City also desires to amend the City Code regarding the permitted uses of freight curb loading zones; and

WHEREAS, the City Council finds the proposed amendments are equitable and reasonably further the health, safety, and general welfare of the citizens of Salt Lake City.

NOW, THEREFORE, Be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 12.56.330 of the Salt Lake City Code be, and the same hereby is, amended as follows:

12.56.330: FREIGHT CURB LOADING ZONES:

A. For purposes of this section, a vehicle shall be considered a commercial vehicle if it is:
1 A motor truck-;
2 A station wagon or a van permanently modified to carry no more than three seated passengers; or
3.— A motor vehicle whose business name is permanently displayed on both sides of the vehicle; in, at a minimum, two inch lettering.
B. A freight license parking permit for qualifying commercial vehicles may be obtained as follows:

- 1. Applicants for a freight license parking permit must possess a current Salt Lake City business license.
- 2. A business requesting issuance of a freight license parking permit must contact the City's Business Licensing section to receive an application as well as any applicable instructional documentation. The business representative must complete the application in its entirety and include all required commercial vehicle descriptions for each vehicle for which the business is requesting a freight license parking permit.
- 3. The business requesting one or more a freight license parking permits must return the completed freight license parking permit application to the Business Licensing section. At that time the business must also pay- the fee as listed on the Salt Lake City Consolidated Fee Schedule for each freight license parking permit requested.
- 4. Upon receiving a freight license parking permit application, the City's Compliance Enforcement section will inspect each of the vehicles for which a freight license parking permit has been requested. Upon verifying that each vehicle meets the above-listed definition of a commercial vehicle, a Compliance Enforcement official will approve the business's freight license parking permit application and forward the approved application to the Business Licensing section for retention.
- 5. The Compliance Enforcement official who approves a freight license parking permit application shall ensure that the license plate number and state of those commercial vehicles that receive freight license parking permits are registered in the electronic Salt Lake City freight permitting system and the Compliance Enforcement system(s).
- 6. If a vehicle inspected by Compliance Enforcement does not successfully meet the definition of a commercial vehicle the business representative may make any necessary corrections and return the vehicle in a timely manner and at a scheduled time for reinspection. No amount of the initial fee will be reimbursed.
- C. A freight license parking permit is non-transferable and is renewable annually.
- D. No person shall stop any vehicle, or permit the same to be stopped, in a freight curb loading zone when the provisions applicable to such zones are in effect unless:
 - 1. A valid freight license parking permit has been issued to such vehicle; and
 - 2. The stop involves the expeditious loading or unloading of materials; and
 - 3. The duration of the stop does not exceed thirty (30) minutes.

A. No person shall stop a vehicle or permit the same to remain stopped for any purpose or length of time other than for the expeditious loading and/or unloading of materials in any place marked as a freight curb loading zone during the hours when the provisions applicable to such zones are in effect.
B. Vehicles so using freight curb loading zones must have a freight license sticker permanently affixed to the front windshield of the vehicle. Said sticker shall be obtained from the business license supervisor upon payment of the base business license fee shown on the Salt Lake City consolidated fee schedule, plus a sticker fee shown on the Salt Lake City consolidated fee schedule and shall be renewable annually. Said sticker is not transferable to any other vehicle, except as provided herein. The maximum number of stickers which may be issued to a business shall be the number of vehicles used by the business for transporting freight. In the event the licensee sells, assigns or transfers such vehicle, the city license may be transferred to a newly acquired vehicle upon application to the city license supervisor. In the event a sticker or permit issued by the city under this chapter is lost or destroyed, the licensee shall forthwith obtain a replacement sticker or permit from the city. The fee for a transfer of a motor vehicle license shall be as shown on the Salt Lake City consolidated fee schedule, for each vehicle. The fee for replacement of a sticker or permit issued by the city under this chapter shall be as shown on the Salt Lake City consolidated fee schedule, per replacement.
CJ.In no case shall the <u>commercial vehicle</u> stop for loading and/or unloading of materials exceed thirty (30) minutes.
D. The driver of a passenger vehicle may stop at a place marked as a freight curb loading zone for the purpose of and while actually engaged in loading or unloading passengers when such stopping does not interfere with any city licensed vehicle used for the transportation of materials which is waiting to enter or about to enter such zone; provided, however, that the driver must remain with his or her vehicle. (Ord. 24-11, 2011)
SECTION 2. That this ordinance shall become effective 120 days after the date of publication.

(Golf courses, green fees, and group reservations and corresponding changes to the Salt Lake City Consolidated Fee Schedule)

An ordinance amending Sections 15.16.031 and 15.16.035 of the Salt Lake City Code, relating to golf courses and green fees and group reservations and amending the corresponding portions of the Salt Lake City Consolidated Fee Schedule.

WHEREAS, the City desires to amend the City Code regarding certain golf course provisions, green fees, and group reservations; and

WHEREAS, on May 17, 2011 the City Council adopted Ordinances 2011-23, 2011-24 and 2011-25 to authorize and create the Salt Lake City Consolidated Fee Schedule; and

WHEREAS, it is now proposed that the Salt Lake City Consolidated Fee Schedule be amended to modify certain golf fees as shown in the attached Exhibit A; and

WHEREAS, the City Council finds (i) the fees set forth in Exhibit A are necessary, reasonable, and equitable in relation to regulatory and service costs incurred by the City; and (ii) adoption of this ordinance reasonably furthers the health, safety, and general welfare of the citizens of Salt Lake City.

NOW, THEREFORE, Be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 15.16.031 of the Salt Lake City Code, relating to golf course and green fees be, and the same hereby is, amended as follows:

15.16.031: GOLF COURSES; GREEN FEES:

A. Fees Imposed: There shall be imposed on any person playing golf at any of the city golf courses the fees shown on the Salt Lake City consolidated fee schedule. Fees and policies listed in this section shall become effective September 1, 2014 January 1, 2016. The Salt Lake City Consolidated Fee Schedule also shows the Demand Tier timeframes related to fees. All fees include sales tax unless otherwise noted.

- 1. <u>Senior and Junior</u> Green Fees: Senior <u>and Junior</u> green fees shall be valid <u>at any time</u> Monday through <u>Friday Thursday</u> <u>all dayat all golf courses</u> and Saturday, Sunday, and recognized holidays after twelve o'clock (12:00) noon <u>at Forest Dale</u>, <u>Nibley Park and Rose Park</u>; <u>after 1 p.m. at Glendale</u>; <u>and after 2 p.m. at Bonneville and Mountain Dell</u>. SALT LAKE CITY ORDINANCE

No. ____ of 2015

(Amending recreation program fees and corresponding changes to the Salt Lake City Consolidated Fee Schedule)

An ordinance amending section 15.16.090 of the Salt Lake City Code, relating to events no longer produced or sponsored by Salt Lake City, and amending the corresponding portions of the Salt Lake City Consolidated Fee Schedule.

WHEREAS, the City desires to amend the City Code regarding certain events no longer produced or sponsored by the City and regarding related recreation program fees; and

WHEREAS, on May 17, 2011 the City Council adopted Ordinances 2011-23, 2011-24 and 2011-25 to authorize and create the Salt Lake City Consolidated Fee Schedule; and

WHEREAS, it is now proposed that the Salt Lake City Consolidated Fee Schedule be amended to delete certain events no longer produced or sponsored by the City and to modify certain recreation program fees as shown in the attached Exhibit A; and

WHEREAS, the City Council finds (i) the fees set forth in Exhibit A are necessary, reasonable, and equitable in relation to regulatory and service costs incurred by the City; and (ii) adoption of this ordinance reasonably furthers the health, safety, and general welfare of the citizens of Salt Lake City.

NOW, THEREFORE, Be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 15.16.090 of the Salt Lake City Code, relating to recreation program fees be, and the same hereby is, amended as follows:

15.16.090 Recreation Program Fees:

A. The director of public services and the director of community and economic development, with approval of the mayor, shall establish a fee schedule for recreation program fees; provided, however that all such fees shall be included on the Salt Lake City consolidated fee schedule. The maximum fees charged shall be as follows:

1. City Special Events: The majority of special events produced or sponsored by Salt Lake City shall be free to the public. These events include, but are not limited to, Bike Bonanza, Friday Night Flicks, 4th of July Celebration at Jordan Park, Fireworks for 24th of July Celebration at Liberty Park, Monster Block Party, Highland Bagpipe Experience, Salt Lake City Gets Fit Online Tracking. The People's Market, and the International Culture Fest.

The Salt Lake City Gets Fit 5K is currently charging the admission fee shown on the Salt Lake City consolidated fee schedule. The Salt Lake City Gets Fit Volleyball Tournament charges the admission fee shown on the Salt lake City consolidated fee schedule. These admission fees will not exceed the amount shown on the Salt Lake City consolidated fee schedule, per person. These fees represent a partial recovery of the costs to produce these events.

Fees for additional special events and festivals that may be produced or sponsored by Salt Lake City, or held on city owned or city managed property, shall be established consistent with fees for similar events as set forth in the Salt Lake City consolidated fee schedule.

2. Program And Fees:

- a. Youth And Family Programs: The youth and family recreation program fees are shown on the Salt Lake City consolidated fee schedule.
- B. The director of public services and the director of community and economic development, in establishing fees within the limitations provided in this section, shall determine the fee based upon the recoupment of costs incurred by city personnel for their time in making the reservations and in their involvement with the activity. The fees charged do not represent the payment of any consideration for the use of the land, which is provided at no cost, fee or consideration.
- C. Refugee youth are eligible for scholarships funded by Salt Lake County. In general, refugee status is a form of protection that may be granted to people who meet the definition of refugee and who are of special humanitarian concern to the United States.

SECTION 2. That the Salt Lake City Consolidated Fee Schedule shall be, and hereby is, amended, in pertinent part, to reflect the fees and corresponding fee information set forth in the attached Exhibit A, and that a copy of the amended Salt Lake City Consolidated Fee Schedule shall be published on the official Salt Lake City website.

SALT LAKE CITY ORDINANCE

No. ____ of 2015

(Amending tennis court use fees and corresponding changes to the Salt Lake City Consolidated Fee Schedule)

An ordinance amending section 15.16.060 of the Salt Lake City Code, relating to tennis court use fees, and amending the corresponding portions of the Salt Lake City Consolidated Fee Schedule.

WHEREAS, the City desires to amend the City Code regarding certain tennis court use fees; and

WHEREAS, on May 17, 2011 the City Council adopted Ordinances 2011-23, 2011-24 and 2011-25 to authorize and create the Salt Lake City Consolidated Fee Schedule; and

WHEREAS, it is now proposed that the Salt Lake City Consolidated Fee Schedule be amended to modify certain tennis court use fees as shown in the attached Exhibit A; and

WHEREAS, the City Council finds (i) the fees set forth in Exhibit A are necessary, reasonable, and equitable in relation to regulatory and service costs incurred by the City; and (ii) adoption of this ordinance reasonably furthers the health, safety, and general welfare of the citizens of Salt Lake City.

NOW, THERFORE. Be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 15.16.060 of the Salt Lake City Code, relating to tennis court use fees be, and the same hereby is, amended as follows:

15.16.060 Tennis Court Use Fees:

- A. Fee Categories: The fees imposed for use of city tennis courts are set forth in the Salt Lake City consolidated fee schedule under the following categories of uses:
 - 1. Tennis courts other than in Liberty Park or the Dee Smith Tennis Courts.
 - 2. Tennis courts in Liberty Park or the Dee Smith Tennis Courts:

a. Outdoor Courts:

- 1) Basic Use Fee (Court Fee): A person, or multiple persons, desiring to play tennis on any outdoor tennis court shall pay a single basic use fee per hour per court during the hours that such person or persons make use of such court
- 2) Nontournament Reservation Fee (Reservation Fee): Except as provided in subsection A2a(3) of this section regarding tournaments, a person making a reservation of an outdoor tennis court, before the day of use, shall pay a reservation fee for each court reserved. This reservation fee shall be in addition to the basic use fee described above.
- 3) Tournaments (Tournament Reservation Fee): Any person, group, or organization desiring to reserve any outdoor tennis courts for the purpose of conducting a tournament may do so only if the director of tennis for the site to be used has first approved such tournament. The person, group, or organization conducting the tournament shall pay, in advance and in addition to the basic use fee, a tournament reservation fee for each court so reserved, plus a cleaning deposit for the entire tournament.

b. Indoor (Bubble) Courts:

- 1) Basic Use Fee (Court Fee): Except as provided in subsection A2b(2) of this section regarding prepaid fees and subsection A2b(4) of this section regarding tournaments, a person, or multiple persons, desiring to play tennis on any indoor (bubble) tennis court shall pay a single basic use fee per hour per court during the hours that such person or persons make use of such court.
- 2) Seasonal Prepaid Fee (Prepaid Court Fee): A person may pay a prepaid court fee in order to reserve the use of a particular indoor (bubble) tennis court on a recurring basis on a particular day and time during the entire tennis season that the bubble is in place during a particular year. Such recurring use must be at least once per week. The prepaid court fee is assessed on a per hour per court basis, and must be prepaid for the entire tennis season before such use begins.
- 3) Reservation Fee: There is no reservation fee for the indoor (bubble) courts.
- 4) Tournaments (Tournament Fee): Any person, group, or organization desiring to reserve any indoor (bubble) tennis courts for the purpose of conducting a tournament may do so only if the director of tennis for the site to be used has first approved such tournament. The person, group, or

organization conducting the tournament shall pay, in advance and in lieu of the basic use fee, a tournament fee that will be assessed on a per hour per court basis for each court so used, plus a cleaning deposit for the entire tournament.

B. Hours of Operation: The fees referenced in this section shall apply only on Monday through Friday, from seven o'clock (7:00) A.M. until closing time, and on Saturdays, Sundays, and holidays from eight o'clock A.M. until closing time.

SECTION 2. That the Salt Lake City Consolidated Fee Schedule shall be, and hereby is, amended, in pertinent part, to reflect the fees and corresponding fee information set forth in the attached Exhibit A, and that a copy of the amended Salt Lake City Consolidated Fee Schedule shall be published on the official Salt Lake City website.

SECTION 3. This ordinance shall become effective ten (10) days after the date of its first publication.

SALT LAKE CITY ORDINANCE

No. of 2015

(Pedestrian Crosswalk Flags and corresponding changes to the Salt Lake City Consolidated Fee Schedule)

An ordinance enacting section 12.76.100 of the Salt Lake City Code, imposing pedestrian crosswalk flag fees, and amending the corresponding portions of the Salt Lake City Consolidated Fee Schedule.

WHEREAS, in an effort to reduce pedestrian involved accidents, the city places flags in containers at each end of crosswalks in the downtown area and instructs pedestrians to carry a flag with them while crossing the street in the crosswalk; and

WHEREAS, the brightly colored flags benefit pedestrians by making them more visible to drivers and alerts drivers that the pedestrian has a desire and intent to cross the street; and

WHEREAS, to facilitate the placement of flags and flag containers in areas outside of downtown, the city created the Adopt-a-Crosswalk program; and

WHEREAS, the Adopt-a-Crosswalk program allows individuals or businesses residing within approximately 700 feet of a marked crosswalk to install crosswalk flags by "adopting" or "sponsoring" the crosswalk; and

WHEREAS, to adopt a crosswalk, the sponsor agrees to occasionally monitor the flags to ensure that they are available at both ends of the crosswalk and to provide replacement flags as needed. In return, the city installs the flag holders, and an initial supply of flags at no cost to the sponsor; and

WHEREAS, the Adopt-a-Crosswalk program has also been expanded to include elementary schools where the city provides replacement flags at no cost as long as the school agrees picks them up from the City when needed; and

WHEREAS, on May 17, 2011 the City Council adopted Ordinances 2011-23, 2011-24 and 2011-25 to authorize and create the Salt Lake City Consolidated Fee Schedule; and

WHEREAS, it is now proposed that the Salt Lake City Consolidated Fee Schedule be amended to include certain pedestrian crosswalk flag fees as shown in the attached Exhibit A; and

WHEREAS, the City Council finds (i) the fees set forth in Exhibit A are necessary, reasonable, and equitable in relation to regulatory and service costs incurred by the City; and (ii) adoption of this ordinance reasonably furthers the health, safety, and general welfare of the citizens of Salt Lake City.

NOW, THEREFORE, Be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That Section 12.76.100 of the Salt Lake City Code, relating to pedestrian crosswalk flag fees be, and the same hereby is, enacted read as follows:

12.76.100 Pedestrian Crosswalk Flag Fees:

Under the city's Adopt-a-Crosswalk program, a sponsor of a crosswalk, except a sponsor who is an elementary school, shall pay the city a fee for any replacement crosswalk flag in the amount shown on the Salt Lake City consolidated fee schedule.

SECTION 2. That the Salt Lake City Consolidated Fee Schedule shall be, and hereby is, amended, in pertinent part, to reflect the fees and corresponding fee information set forth in the attached Exhibit A, and that a copy of the amended Salt Lake City Consolidated Fee Schedule shall be published on the official Salt Lake City website.

SECTION 3. This ordinance shall become effective ten (10) days after the date of its first publication.

(Amendments to the Salt Lake City Consolidated Fee Schedule)

An ordinance amending various fees set forth in the Salt Lake City Consolidated Fee Schedule.

WHEREAS, on May 17, 2011 the City Council adopted Ordinances 2011-23, 2011-24 and 2011-25 to authorize and create the Salt Lake City consolidated fee schedule; and

WHEREAS, the Salt Lake City consolidated fee schedule has since been amended from time to time; and

WHEREAS, it is now proposed that the Salt Lake City consolidated fee schedule be amended to include, eliminate, or otherwise modify various fees and corresponding fee information as shown in the attached Exhibit "A"; and

WHEREAS, the Salt Lake City Council finds the proposed amendment reasonably furthers the health, safety, and general welfare of the citizens of Salt Lake City.

NOW, THEREFORE, be it ordained by the City Council of Salt Lake City, Utah:

SECTION 1. That the Salt Lake City Consolidated Fee Schedule shall be, and hereby is, amended in pertinent part as set forth in the attached Exhibit "A" and that a copy thereof shall be published on the official Salt Lake City website.

SECTION 2. That this ordinance shall become effective on the date of its first publication.

Passed by the City Council of Salt Lake City, Utah this ___ day of ______, 2015.

Salt Lake City Consolidated Fee Schedule

Salt Lake City Consolidated Fee Schedule

This document shows fees charged by Salt Lake City to offset regulatory and administrative service costs. Although most City fees are shown, this consolidated fee schedule does not show penalties, such as fines and late fees; court fees; credit card processing fees; or fees required by a city contract, such as concession and franchise fees. It also may not show fees authorized by administrative rules or a general delegation of authority. The City intends that future versions of this document will show such fees.

Fees are generally listed by City department and the associated service. References to a "section" in the comments column means a section of the Salt Lake City Code. The code may be accessed by going to Sterlingcodifiers.com

More than one fee may apply to a given set of circumstances. For answers to questions, please call the number shown at the top of each section.

The fees here may change. The current consolidated fee schedule may be accessed by clicking here. The fee schedule was originally adopted by Ordinance 2011-25 and has been subsequently amended by:

Note:

"AWC" means average winter consumption, and is calculated as the average amount of water used by customer during the months of November through March, inclusive (a "winter period"), taking into account the highest number of complete winter periods available for that customer, up to a maximum of 3 winter periods. Any customer that at the time of calculation has not established an AWC will be assigned a class average AWC by meter size for such customer's classification. Customers with defective plumbing or unexplained deceases in usage of more than 25 percent may be adjusted back to a prior AWC, or be assigned the class average by meter size. In cases where class average is not available or is not reasonable, the Director may use other consumption information specific to such account to determine AWC.

As per applicable sections of the City and / or State Code, a fee will be assessed for required public notices. This may include sending notice by 1st class U.S. Mail to property owners within a certain radius of the subject property and / or advertising required public hearings in a newspaper of general circulation. A fee for each required public hearing will be assessed. The noticing fee is authorized through the following sections of the Zoning Ordinance and State Law: Salt Lake City Code 21A.10.E and Utah State Code Annotated 10.9a.204 and 510

Salt Lake City Consolidated Fee Schedule

Salt Lake City Consolidated Fee Schedule

This document shows fees charged by Salt Lake City to offset regulatory and administrative service costs. Although most City fees are shown, this consolidated fee schedule does not show penalties, such as fines and late fees; court fees; credit card processing fees; or fees required by a city contract, such as concession and franchise fees. It also may not show fees authorized by administrative rules or a general delegation of authority. The City intends that future versions of this document will show such fees.

Fees are generally listed by City department and the associated service. References to a "section" in the comments column means a section of the Salt Lake City Code. The code may be accessed by going to Sterlingcodifiers.com

More than one fee may apply to a given set of circumstances. For answers to questions, please call the number shown at the top of each section.

The fees here may change. The current consolidated fee schedule may be accessed by clicking here. The fee schedule was originally adopted by Ordinance 2011-25 and has been subsequently amended by:

Note:

"AWC" means average winter consumption, and is calculated as the average amount of water used by customer during the months of November through March, inclusive (a "winter period"), taking into account the highest number of complete winter periods available for that customer, up to a maximum of 3 winter periods. Any customer that at the time of calculation has not established an AWC will be assigned a class average AWC by meter size for such customer's classification. Customers with defective plumbing or unexplained deceases in usage of more than 25 percent may be adjusted back to a prior AWC, or be assigned the class average by meter size. In cases where class average is not available or is not reasonable, the Director may use other consumption information specific to such account to determine AWC.

	Over 300% of target budget	\$2.43	\$3.28		

Note:

"Irrigation account" means an account established for applying water for irrigation and landscaping only, as determined by the Public
Utilities Director or his designee.

"Target budget" means the estimated amount of water consumed per acre, as established by the Public Utilities Director or his designee each year for customer based on factors including, but not limited to, evapotranspiration, and considering efficient water practices. A different target budget is established for each month of the irrigation season.

Salt Lake City Consolidated Fee Schedule

Salt Lake City Consolidated Fee Schedule

This document shows fees charged by Salt Lake City to offset regulatory and administrative service costs. Although most City fees are shown, this consolidated fee schedule does not show penalties, such as fines and late fees; court fees; credit card processing fees; or fees required by a city contract, such as concession and franchise fees. It also may not show fees authorized by administrative rules or a general delegation of authority. The City intends that future versions of this document will show such fees.

Fees are generally listed by City department and the associated service. References to a "section" in the comments column means a section of the Salt Lake City Code. The code may be accessed by going to Sterlingcodifiers.com

More than one fee may apply to a given set of circumstances. For answers to questions, please call the number shown at the top of each section.

The fees here may change. The current consolidated fee schedule may be accessed by clicking here. The fee schedule was originally adopted by Ordinance 2011-25 and has been subsequently amended by:

	Over 700% of AWC	\$2.43	\$3.28			\$2.34	\$3.15	\$1.08	\$1.46	

Note:

"AWC" means average winter consumption, and is calculated as the average amount of water used by customer during the months of November through March, inclusive (a "winter period"), taking into account the highest number of complete winter periods available for that customer, up to a maximum of 3 winter periods. Any customer that at the time of calculation has not established an AWC will be assigned a class average AWC by meter size for such customer's classification. Customers with defective plumbing or unexplained deceases in usage of more than 25 percent may be adjusted back to a prior AWC, or be assigned the class average by meter size. In cases where class average is not available or is not reasonable, the Director may use other consumption information specific to such account to determine AWC.

	Over 300% of target budget	\$2.43	\$3.28			\$2.34	\$3.15		\$2.16

Note:

"Irrigation account" means an account established for applying water for irrigation and landscaping only, as determined by the Public Utilities Director or his designee.

"Target budget" means the estimated amount of water consumed per acre, as established by the Public Utilities Director or his designee each year for customer based on factors including, but not limited to, evapotranspiration, and considering efficient water practices. A different target budget is established for each month of the irrigation season.

Salt Lake City Consolidated Fee Schedule

Salt Lake City Consolidated Fee Schedule

This document shows fees charged by Salt Lake City to offset regulatory and administrative service costs. Although most City fees are shown, this consolidated fee schedule does not show penalties, such as fines and late fees; court fees; credit card processing fees; or fees required by a city contract, such as concession and franchise fees. It also may not show fees authorized by administrative rules or a general delegation of authority. The City intends that future versions of this document will show such fees.

Fees are generally listed by City department and the associated service. References to a "section" in the comments column means a section of the Salt Lake City Code. The code may be accessed by going to Sterlingcodifiers.com

More than one fee may apply to a given set of circumstances. For answers to questions, please call the number shown at the top of each section.

The fees here may change. The current consolidated fee schedule may be accessed by clicking here. The fee schedule was originally adopted by Ordinance 2011-25 and has been subsequently amended by:

Note:

"AWC" means average winter consumption, and is calculated as the average amount of water used by customer during the months of November through March, inclusive (a "winter period"), taking into account the highest number of complete winter periods available for that customer, up to a maximum of 3 winter periods. Any customer that at the time of calculation has not established an AWC will be assigned a class average AWC by meter size for such customer's classification. Customers with defective plumbing or unexplained deceases in usage of more than 25 percent may be adjusted back to a prior AWC, or be assigned the class average by meter size. In cases where class average is not available or is not reasonable, the Director may use other consumption information specific to such account to determine AWC.

Note

"Irrigation account" means an account established for applying water for irrigation and landscaping only, as determined by the Public
Utilities Director or his designee.

"Target budget" means the estimated amount of water consumed per acre, as established by the Public Utilities Director or his designee each year for customer based on factors including, but not limited to, evapotranspiration, and considering efficient water practices. A different target budget is established for each month of the irrigation season.
