(b) Each Supplemental Indenture authorizing the issuance of a Series of Refunding Bonds shall specify the Refunded Bonds to be refunded.

(c) Each Series of Refunding Bonds shall be authenticated and delivered by the Trustee only upon receipt by the Trustee (in addition to the documents required by Section 2.02) of the following documents or moneys or securities (or if such documents or moneys or securities are to be delivered to the trustee or debtor for the other borrowings, to such trustee or debtor, with a copy or other evidence of such delivery to the Trustee):

(1) Either

(A) for Refunded Bonds originally issued pursuant to the provisions of the Indenture, a Written Certificate of the City which shall:

(i) set forth the Aggregate Debt Service on the Refunded Bonds for each Fiscal Year to and including the scheduled final maturity date thereof,

(ii) set forth the Aggregate Debt Service on the Refunding Bonds for each Fiscal Year to and including the scheduled final maturity date thereof, and

(iii) demonstrate that the Aggregate Debt Service on the Refunding Bonds for each such Fiscal Year set forth pursuant to clause (ii) is no greater than one hundred percent (100%) of the Aggregate Debt Service on the Refunded Bonds for each such Fiscal Year set forth pursuant to clause (i), and containing such additional statements as may be

reasonably necessary to show compliance with the requirements of the Indenture;

or

(B) A Written Certificate of the City which shall:

(i) set forth, for any Year within the twenty-four (24) calendar months next preceding the authentication and delivery of such Series of Refunding Bonds, the Revenues for such period;

(iii) demonstrate that the Revenues set forth in (i) above are equal to or greater than 200% of the Maximum Annual Debt Service set forth in (ii) above.

The provisions of this paragraph (c)(1) shall not apply to the first Series of Bonds issued hereunder.

(2) Irrevocable instructions to the Trustee (or such trustee or lender or its designee, as appropriate), satisfactory to it, to give due notice of redemption of all the Refunded Bonds on the redemption date or dates specified in such instructions;

(3) If the Refunded Bonds are not by their terms subject to redemption within the next succeeding ninety (90) days, irrevocable instructions to the Trustee (or such trustee or lender or its designee, as appropriate), satisfactory to it, to mail the notice provided for in Section 11.01(b) (or any similar provision for other borrowings, as appropriate) to the holders of the Refunded Bonds;

(4) Either (A) moneys in an amount sufficient to effect payment at the applicable redemption price of the Refunded Bonds, together with accrued interest to the redemption date, which moneys shall be held by the Trustee or any one or more of the Paying Agents (or such trustee or lender or its designee, as appropriate) in a separate account irrevocably in trust for and assigned to the respective holders of the Refunded Bonds, or (B) Government Obligations (or similar investments as provided for in the documents relating to other borrowings, as appropriate) in such principal amounts, of such maturities, bearing such interest, and otherwise having such terms and qualifications and any moneys, as shall be necessary to comply with the provisions of Section 11.01(b) (or any similar provision for other borrowings, as appropriate), which Government Obligations and moneys shall be held in trust and used only as provided in such Section.

(d) A Series of Refunding Bonds may be combined with a Series of Construction Bonds.

Section 2.05. Provisions Regarding Bonds Secured by a Security Instrument.

(a) The City may include such provisions in a Supplemental Indenture authorizing the issuance of a Series of Bonds secured by a Security Instrument as the City deems appropriate, including:

(1) So long as the Security Instrument is in full force and effect, and payment on the Security Instrument is not in default, (A) the Security Instrument Issuer shall be deemed to be the Holder of the Outstanding Bonds of such Series when the approval, consent or action of the Bondholders for such Series of Bonds is required or may be exercised under the Indenture and following an Event of Default and (B) the Indenture may not be amended in any manner which affects the rights of such Security Instrument Issuer without its prior written consent.

(2) In the event that the Principal and Redemption Price, if applicable, and interest due on any Series of Bonds Outstanding shall be paid under the provisions of a Security Instrument, all covenants, agreements and other obligations of the City to the Bondholders of such Series of Bonds shall continue to exist and such Security Instrument Issuer shall be subrogated to the rights of such Bondholders in accordance with the terms of such Security Instrument.

(b) In addition, such Supplemental Indenture may establish such provisions as are necessary to provide relevant information to the Security Instrument Issuer and to provide a mechanism for paying Principal Installments and interest on such Series of Bonds from the Security Instrument.

ARTICLE III

TERMS AND PROVISIONS OF BONDS

Section 3.01. Terms of Bonds.

(a) The Principal and Redemption Price of the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust operations office of the Trustee, or at the principal office of any Paying Agent, or otherwise as provided in a Supplemental Indenture with respect to any Series of Bonds. Unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, payment of interest on any Bond shall be made to the person who is the registered owner thereof as of the close of business on the Record Date and shall be paid by check mailed to the registered owner thereof at the address of such registered owner as it appears on the registration books of the City maintained by the Trustee or at such other address as is furnished to the Trustee in writing by such registered owner prior to the Record Date.

(b) Unless otherwise provided in a Supplemental Indenture authorizing a Series of Bonds, the Bonds of any Series shall be issued in fully registered form without coupons. Each Series of Bonds shall be in such denominations as may be authorized by the Supplemental Indenture authorizing the issuance of the Bonds of such Series. A Supplemental Indenture may provide for the delivery of a Series of Bonds, issued in the form of a single fully registered Bond, in installments to be noted by the Trustee in a delivery schedule attached to such Bond. Anything in this Indenture to the contrary notwithstanding, a Supplemental Indenture may provide that Bonds issued in such single fully registered form may be submitted to the Trustee for notation of payment of installments and for notation of transfer, without requiring cancellation of such single fully registered Bond. Such Supplemental Indenture may provide for transfer of such Bonds to a new Holder by delivery after such notation, and without cancellation.

(c) The Bonds shall be dated as of the Issue Date specified in the Supplemental Indenture pursuant to which the Series of Bonds is issued. Unless otherwise provided in a Supplemental Indenture authorizing a Series of Bonds, each fully-registered Bond of any Series shall bear interest from the interest payment date next preceding the date of registration and authentication thereof unless it is registered as of an interest payment date, in which event it shall bear interest from the date thereof, or unless it is registered prior to the first interest payment date, in which event it shall bear interest from its date, or unless, as shown by the records of the Trustee, interest on the Bonds of such Series shall be in default, in which event it shall bear interest from the date to which interest has been paid in full.

(d) The Bonds of each Series may contain or have endorsed thereon such provisions, specifications and descriptive words not inconsistent with the provisions of the Indenture as may be necessary or desirable to comply with the Act, custom, the rules of any securities exchange or commission or brokerage board, or otherwise, as may be determined by the City prior to the authentication and delivery thereof.

(e) From and after the issuance of the Bonds of any Series, the findings and determinations of the Council respecting that Series shall be conclusive evidence of the existence of the facts so found and determined in any action or proceeding in any court in which the validity of such Bonds is at issue, and no bona fide purchaser of any such Bonds shall be required to see to the existence of any fact or to the performance of any condition or to the taking of any proceeding required prior to such issuance, or to the application of the purchase price paid for such Bonds. The validity of the issuance of any Series of Bonds shall not be dependent on or affected in any way by (1) any proceedings taken by the City for the planning, acquisition or construction of a Project, or (2) any contracts made by the City in connection therewith, or (3) the failure to complete the planning, acquisition or construction of a Project. The recital contained in the Bonds that the same are issued pursuant to the Act shall be conclusive evidence of their validity and of the regularity of their issuance and all the Bonds shall be incontestable from and after their issuance. Bonds shall be deemed to be issued, within the meaning of the Indenture, whenever the definitive Bonds, or any temporary Bonds exchangeable therefor, have been delivered to the purchasers thereof, and the purchase price thereof received, or in the case of Bonds to be refunded through exchange, whenever such exchange has been made.

(f) Subject to any limitations contained in a Supplemental Indenture, the City may provide a Security Instrument for any Series of Bonds (or may substitute one Security Instrument for another) if the City has provided to the Trustee written evidence satisfactory to the Trustee from each Rating Agency then having a rating in effect for any Series of Bonds then Outstanding to the effect that the Rating Agency has reviewed the proposed Security Instrument and that the use of such Security Instrument (or the substitution of one Security Instrument for another, as appropriate) will not, by itself result in a reduction or withdrawal of such Rating Agency's rating of such Series of Bonds.

Section 3.02. Execution of Bonds; Limited Obligations.

(a) The Bonds shall be signed on behalf of the City by the manual or facsimile signature of its Mayor and attested and countersigned by the manual or facsimile signature of its City Recorder, and its seal shall be thereunto affixed by its City Recorder, which may be by a facsimile of the City's seal imprinted upon the Bonds. The Bonds shall then be delivered to the Trustee for manual authentication by it or by any Transfer Agent. In case any officer who shall have signed or attested any of the Bonds shall cease to be such officer before the Bonds so signed or attested shall have been authenticated or delivered by the Trustee or by any Transfer Agent or issued by the City, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issuance, shall be as binding upon the City as though such person who signed or attested the same had continued to be such officer of the City. Also, any Bond may be signed, countersigned or attested on behalf of the City by any person who on the actual date of the execution of such Bond shall be the proper officer of the City, although on the nominal date of such Bond any such person shall not have been such officer of the City.

(b) Only such of the Bonds as shall bear thereon a certificate of authentication, executed by the Trustee or by any Transfer Agent, shall be valid or obligatory for any purpose or entitled to the benefits of the Indenture, and such certificate of the Trustee or of any Transfer Agent shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered under, and are entitled to the benefits of, the Indenture and that the Holder thereof is entitled to the benefits of the Indenture.

(c) The Bonds, together with interest thereon, and all Repayment Obligations shall be limited obligations of the City payable solely from the Revenues (except to the extent paid out of moneys attributable to the Bond proceeds or other funds created hereunder or the income from the temporary investment thereof) as provided herein. The issuance of the Bonds and delivery of any Security Instrument Agreement or Reserve Instrument Agreement shall not, directly, indirectly or contingently, obligate the City or any agency, instrumentality or political subdivision thereof to levy any form of ad valorem taxation therefore.

(d) The provisions of this Section relating to the execution of Bonds may be changed as they apply to the Bonds of any Series by the Supplemental Indenture authorizing such Series of Bonds.

Section 3.03. Transfer of Bonds. Unless otherwise provided in a Supplemental Indenture authorizing a Series of Bonds:

(a) Any Bond may, in accordance with its terms, be transferred, upon the books required to be kept pursuant to the provisions of Section 3.06, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation or, if applicable, notation of the new Holder together with the signature of the Trustee or any applicable Transfer Agent on the back of such Bond or on a form of record attached to such Bond for such purpose, accompanied by delivery of a written instrument of transfer in a form approved by the Trustee, duly executed. No transfer will be effective until entered upon the books required to be kept pursuant to the provisions of Section 3.06.

(b) Whenever any Bond shall be surrendered for transfer, the Trustee or any Transfer Agent shall authenticate and deliver a new fully registered Bond or Bonds duly executed by the City or, if applicable, shall deliver the same Bond, duly annotated with the new Holder and signed by the Trustee or any applicable Transfer Agent on the back of such Bond or on a form of record attached to such Bond for such purpose, for like aggregate principal amount. The Trustee or any Transfer Agent shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

(c) The City, the Trustee and any Transfer Agent shall not be required (1) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the date of the mailing of a notice of redemption of Bonds selected for redemption under Article IV and ending at the close of business on the day of such mailing, or (2) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part.

(d) The City, the Trustee and any Transfer Agent may treat and consider the person in whose name each Bond is registered upon the books required to be kept pursuant to Section 3.06 as the Holder and absolute owner of such Bond for the purpose of payment of Principal of and interest on such Bond and for all other purposes whatsoever.

Section 3.04. Exchange of Bonds. Fully-registered Bonds may be exchanged at the principal corporate trust operations office of the Trustee or of any Transfer Agent for a like aggregate Principal amount of fully-registered Bonds of the same Series and maturity of authorized denominations. The Trustee or any Transfer Agent shall require the payment by the Bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. Except as otherwise provided in a Supplemental Indenture authorizing a Series of Bonds, no such exchange shall be required to be made subsequent to the Record Date.

Section 3.05. Form of Bonds. The Bonds of each Series of Bonds shall be in substantially the forms thereof set forth in the Supplemental Indenture authorizing the issuance of such Bonds, with such omissions, insertions and variations not inconsistent with the terms hereof as may be necessary, desirable, authorized and permitted hereby.

Section 3.06. Bond Registration Books. The Trustee will keep or cause to be kept, at its principal corporate trust operations office, sufficient books for the registration and transfer of Bonds, which shall at all times be open to inspection by the City; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on said books, Bonds as hereinbefore provided.

Section 3.07. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the City, at the expense of the Holder of such Bond, shall execute, and the Trustee or any Transfer Agent shall, at the expense of the Holder of such Bond, thereupon authenticate and deliver, a new Bond of like tenor in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee or any Transfer Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee or to any Transfer Agent shall be cancelled by it and delivered to, or upon the order of, the City. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the City and the Trustee and, if such evidence be satisfactory to both and indemnity as required by the Act or State law and satisfactory to the Trustee shall be given, the City, at the expense of the Holder of such Bond, shall execute, and the Trustee shall, at the expense of the Holder of such Bond, thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall be about to mature, instead of issuing a substitute Bond the Trustee may pay the same without surrender thereof). Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an additional contractual obligation of the City, and shall be equally and proportionately entitled to the benefits of the Indenture with all other Bonds of the same Series secured by the Indenture. Neither the City nor the Trustee shall be required to treat both the original Bond and any duplicate Bond as being Outstanding for the purpose of determining the Principal amount of Bonds which may be issued hereunder or for the purpose of determining any percentage of Bonds Outstanding hereunder, but both the original and duplicate Bond shall be treated as one and the same.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01. Privilege of Redemption of Bonds. Any Series of Bonds subject to redemption prior to maturity pursuant to a Supplemental Indenture shall be redeemable, upon notice being given, at such times, at such Redemption Prices and upon such terms as provided in this Article and (in addition to and consistent with the terms contained in this Article) in the Supplemental Indenture authorizing the issuance of the Bonds of such Series.

Section 4.02. Selection of Bonds for Redemption. Except as otherwise provided in a Supplemental Indenture:

- (a) If less than all of the Bonds of any Series are called for redemption and if the Bonds of such Series shall mature on more than one date, the Bonds of such Series shall be redeemed from the Outstanding Bonds of such Series in inverse order of maturities.

(b) If less than all of the Bonds of any Series maturing on any single date are called for redemption, the Trustee shall select the Bonds to be redeemed, from the Outstanding Bonds of such Series maturing on that date not previously called for redemption, in such manner as in the Trustee's sole discretion it shall deem appropriate and fair; *provided, however*, that subject to other applicable provisions of the Indenture or of any Supplemental Indenture, the portion of any Bond to be redeemed shall be in a Principal amount equal to a denomination in which Bonds of such Series are authorized to be issued. In selecting Bonds for redemption the Trustee shall treat each Bond as representing the number of Bonds which is obtained by dividing the Principal amount of each Bond by the minimum denomination in which such Series of Bonds is authorized to be issued. If part but not all of a Bond shall be selected for redemption, the Holder thereof or his attorney or legal representative shall present and surrender such Bond to the Trustee for payment of the Principal amount thereof so called for redemption and the redemption premium, if any, on such Principal amount. The City shall execute and the Trustee or any Transfer Agent shall authenticate and deliver to or upon the order of such Holder or his legal representative, without charge therefor, a Bond or Bonds of the same maturity and bearing interest at the same rate as the Bond so surrendered for the unredeemed portion of the surrendered Bond. The Trustee shall promptly notify the City in writing of the Bonds or portions thereof selected for redemption.

Section 4.03. Notice of Redemption. Except as otherwise provided in a Supplemental Indenture authorizing a Series of Bonds:

(a) Notice of redemption shall be given by first class mail, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date, to the registered owner of such Bond, at his address as it appears on the bond registration books of the Trustee or at such address as he may have filed with the Trustee for that purpose, but neither failure to mail any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds. Each notice of redemption shall state the redemption date, the place of redemption, the source of the funds to be used for such redemption, the Principal amount and, if less than all of the Bonds of any like Series and maturity are to be redeemed, the distinctive numbers of the Bonds to be redeemed, and shall also state that the interest on the Bonds or portions thereof in such notice designated for redemption shall cease to accrue from and after such redemption date and that on said date there will become due and payable on each of said Bonds the Redemption Price thereof and interest accrued thereon to the redemption date.

(b) Notice of redemption shall be given by the Trustee for and on behalf and at the expense of the City, at the Written Request of the City given to the Trustee at least 60 days prior to the date fixed for redemption. The City shall deposit with, or otherwise make available to, the Trustee the money required for payment of the Redemption Price of and the accrued interest to the redemption date on all Bonds then to be called for redemption at least two Business Days before the date fixed for such redemption.

(c) If at the time of mailing of notice of redemption there shall not have been deposited with the Trustee moneys sufficient to redeem all Bonds called for redemption,

such notice may state that it is conditional upon the deposit of moneys sufficient to redeem all Bonds with the Trustee not later than the redemption date, and such notice shall be of no effect unless such moneys are so deposited. If the notice contains such condition and if moneys sufficient to redeem all Bonds called for redemption have not been deposited with the Trustee by the redemption date, the notice of redemption shall be rescinded, none of the Bonds described in such notice shall be redeemed, the Redemption Price shall not be due and payable under the Indenture, and the Trustee shall, as soon as possible after the redemption date, give notice for and on behalf and at the expense of the City, by first class mail, postage prepaid, to the registered owners of the Bonds called for redemption of the rescission of such notice of redemption.

Section 4.04. Partial Redemption of Bonds; Disposition of Redeemed Bonds. Except as otherwise provided in a Supplemental Indenture authorizing a Series of Bonds:

(a) Upon surrender of any Bond redeemed in part only, the City shall duly execute and the Trustee or any Transfer Agent shall authenticate and deliver to the registered owner thereof, at the expense of the City, a new Bond or Bonds of the same Series and maturity and of authorized denominations equal in aggregate Principal amount to the unredeemed portion of the Bond surrendered.

(b) All Bonds redeemed in whole or in part pursuant to the provisions of this Article shall be cancelled by the Trustee or any Transfer Agent and shall thereafter be delivered to, or upon the order of, the City.

Section 4.05. Effect of Redemption. Except as otherwise provided in a Supplemental Indenture authorizing a Series of Bonds, if notice of redemption has been duly given as aforesaid, and moneys for payment of the Redemption Price, together with interest to the redemption date on the Bonds so called for redemption, are held by the Trustee, then such Bonds shall, on the redemption date designated in such notice, become due and payable at the Redemption Price specified in such notice and interest accrued thereon to the redemption date; and from and after the date so designated interest on the Bonds so called for redemption shall cease to accrue.

ARTICLE V

PLEDGE OF REVENUES; ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 5.01. The Pledge Effected by the Indenture. The Bonds and the Repayment Obligations are special obligations of the City payable from and secured by the Revenues, moneys, securities and funds pledged therefor. There are hereby pledged for the payment of Principal, Redemption Price and interest on the Bonds and of Repayment Obligations in accordance with their terms and the provisions of the Indenture, subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture (1) the proceeds of sale of the Bonds, (2) the Revenues, and (3) the Construction Fund, Principal and Interest Fund, Revenue Fund and any other Funds hereafter

established or confirmed by the Indenture (except for any Rebate Fund) and pledged for the payment of Principal, Redemption Price and interest on the Bonds and of Repayment Obligations, including the investments, if any, thereof, subject to any required rebate of all or a portion of the earnings on such investments to the United States of America pursuant to the requirements of Section 148(f) of the Code.

Section 5.02. Perfection of Security Interest.

(a) This Indenture creates a valid and binding pledge and assignment of and security interest in all of the Revenues pledged under this Indenture in favor of the Trustee as security for payment of the Bonds, enforceable by the Trustee in accordance with the terms thereof.

(b) Under the laws of the State, such pledge and assignment and security interest is automatically perfected by Section 11-14-28, Utah Code Annotated 1953, as amended, and hereafter has priority against all parties having claims of any kind in tort, contract, or otherwise against the City, regardless of whether or not the parties have notice of the lien created hereunder.

Section 5.03. Establishment of Funds.

(a) The following Funds are hereby established:

(1) Revenue Fund, to be held by the City;

(2) Construction Fund, to be held by the Trustee, in which the Trustee shall establish a Project Account for each Project; and

(3) Principal and Interest Fund, to be held by the Trustee, consisting of

(A) a Bond Service Account, in which the Trustee shall establish a separate Series Subaccount for each Series of Bonds, and

(B) a Debt Service Reserve Account, in which the Trustee may establish a separate Series Subaccount for one or more Series of Bonds.

(c) The City may, by Supplemental Indenture, establish one or more additional Funds, accounts or subaccounts, including, but not limited to, a Rebate Fund.

Section 5.04. Construction Fund.

(a) There shall be paid into the Construction Fund the amounts required to be so paid by the provisions of the Indenture or any Supplemental Indenture.

(b) The Trustee shall establish within the Construction Fund a separate Project Account for each Project and may establish one or more subaccounts in each Project Account.

(c) Amounts in each Project Account established for a Project shall be applied to pay the Cost of Construction of the Project. In the event and to the extent that proceeds of the sale of Bonds were deposited in a Project Account to provide for the payment of capitalized interest, the Trustee shall, during the period for which such interest was capitalized, transfer from such Project Account, to the appropriate Series Subaccount in the Bond Service Account, the amounts required to pay interest on the Bonds when due, subject to any limitations contained in the Supplemental Indenture authorizing such Bonds.

(d) Before any payment is made from any Project Account by the Trustee (except for transfers into Series Subaccounts in the Bond Service Account to pay interest on the Bonds as contemplated in (c) above), the City shall file with the Trustee a Written Request of the City, showing with respect to each payment to be made, the name of the person to whom payment is due and the amount to be paid with payment instructions, and stating that the obligation to be paid was incurred and is a proper charge against the Project Account. Each such Written Request shall be sufficient evidence to the Trustee that obligations in the stated amounts have been incurred by the City and that each item thereof is a proper charge against the applicable Project Account.

(e) Upon receipt of each such Written Request, the Trustee shall pay the amounts set forth therein as directed by the terms thereof.

(f) The City shall maintain on file with the Trustee a schedule of dates on which the City estimates that money in each Project Account will be expended and the amounts estimated to be required on those dates. The City may revise such schedule at any time to reflect changes in the estimated dates and amounts. Amounts in the Construction Fund shall be invested and reinvested by the Trustee, in accordance with instructions received from an Authorized Officer of the City, to the fullest extent practicable in Investment Securities (or, to the extent permitted by a Supplemental Indenture executed and delivered pursuant to Section 10.02(a)(3), in other investments) maturing in such amounts and at such times as may be necessary to make funds available when needed. The Trustee may, and to the extent required for payments from the Construction Fund shall, sell any such Investment Securities at any time, and the proceeds of such sale, and of all payments at maturity and upon redemption of such investments, shall be held in the applicable Project Account in the Construction Fund.

(g) Unless otherwise provided in a Supplemental Indenture authorizing a Series of Construction Bonds, all net income earned on any moneys or investments in the Project Account established in the Construction Fund for a Project shall be held in such Project Account and applied to pay the Costs of Construction.

(h) The substantial completion of construction of each Project shall be evidenced by a Written Certificate of the City, which shall be filed with the Trustee. Upon the filing of such Certificate, the balance in the Project Account in the Construction Fund in excess of the amount, if any, stated in such Certificate shall, to the extent permitted under applicable law and covenants, including any covenants contained in any Tax Certificate, regarding the use of proceeds of the Bonds, and as directed in such Written Certificate or in a Supplemental Indenture, be (i) used to purchase Bonds as provided in Section 5.09, (ii) deposited into the Debt

Service Reserve Account to fund any amounts required to be deposited therein, (iii) deposited into the Bond Service Account, (iv) transferred into another Project Account to pay Costs of Construction of a Project or (v) used for any other purpose for which proceeds of Bonds may be used under applicable law and covenants regarding the use of proceeds of Bonds. If subsequent to the filing of such Certificate, a supplemental Written Certificate of the City is filed with the Trustee stating that the balance of the money remaining in the Construction Fund is no longer needed to pay Costs of Construction of such Project, any remaining balance in the Project Account in the Construction Fund shall, to the extent permitted under applicable law and covenants, including any covenants contained in any Tax Certificate, regarding the use of proceeds of the Bonds and as directed in such supplemental Written Certificate or in a Supplemental Indenture, be (i) used to purchase Bonds as provided in Section 5.09, (ii) deposited into the Debt Service Reserve Account to fund any amounts required to be deposited therein, (iii) deposited into the Bond Service Account, (iv) transferred into another Project Account to pay Costs of Construction of a Project or (v) used for any other purpose for which proceeds of Bonds may be used under applicable law and covenants regarding the use of proceeds of Bonds.

Section 5.05. Revenues; Revenue Fund.

(a) All Revenues shall be promptly deposited by the City to the credit of the Revenue Fund. There shall also be deposited into the Revenue Fund all amounts required to be so deposited by the Indenture, including, but not limited to, Section 10.02.

(b) Following the deposits required by Section 5.06(a), there shall be retained in the Revenue Fund, to the extent such amounts are not otherwise required to be transferred from the Revenue Fund pursuant to the provisions of Section 5.06, the amount estimated to be required for deposit into the Principal and Interest Fund in the next succeeding month; *provided, however*, for purposes of calculating the interest payable for the next succeeding month for any Series of Variable Rate Bonds or Repayment Obligations bearing interest at a variable rate that cannot be ascertained for any such month, it shall be assumed that such Series of Variable Rate Bonds or Repayment Obligations will bear interest at the greater of (i) the maximum interest rate permitted under the applicable Supplemental Indenture authorizing the issuance of such Series of Variable Rate Bonds, (ii) the maximum interest rate permitted under any Reserve Instrument Agreement then in effect with respect to such Series of Variable Rate Bonds, or (iii) the maximum interest rate permitted under any Security Instrument Agreement then in effect with respect to such Series of Variable Rate Bonds, as applicable.

Section 5.06. Flow of Funds.

(a) On or before the last Business Day prior to the end of each month the City shall transfer from the Revenue Fund, to the extent of moneys available therein, and deposit, in the following order:

(1) into the following Funds and Accounts, the amounts set forth below:

(A) Into the Principal and Interest Fund:

(i) for credit to the Bond Service Account, the amount, if any, required so that the balance in each of the Series Subaccounts in the Bond Service Account shall equal the Accrued Debt Service on the Series of Bonds and, to the extent that the Supplemental Indenture creating such Series Subaccount authorizes the use of a Security Instrument, on any Security Instrument Repayment Obligations for which such Series Subaccount was established; *provided* that if there are not sufficient moneys to satisfy the requirements of this subsection (i) with respect to all Series Subaccounts in the Bond Service Account, all moneys available for distribution among such Series Subaccounts shall be deposited into the Bond Service Account and distributed on a pro rata basis to the deficient Series Subaccounts in the Bond Service Account, such distribution to be determined by multiplying the amount available for distribution by the proportion that the deficiency for each Series Subaccount bears to the total deficiency for all Series Subaccounts; and *provided further*, that in the event and to the extent moneys have been deposited in any Project Account to provide for the payment of capitalized interest, such moneys shall be transferred from the appropriate Project Account and deposited into the appropriate Series Subaccount in the Bond Service Account in an amount sufficient to cause the balance in such Series Subaccount to equal the interest component of Accrued Debt Service on the Series of Bonds; and

(ii) for credit to the Debt Service Reserve Account, without priority or preference as between subsections (A) or (B):

(A) if, after the issuance of a Series of Bonds, an amount equal to the Debt Service Reserve Requirement is not on deposit in the Series Subaccount established in the Debt Service Reserve Account for such Series of Bonds because sufficient moneys for that purpose were not required by a Supplemental Indenture to be deposited into the Debt Service Reserve Account pursuant to the provisions of Section 2.02(a)(10), such amount as shall be required by the Supplemental Indenture authorizing such Series of Bonds, in not to exceed sixty (60) approximately equal monthly installments commencing no later than the Business Day immediately preceding the first Interest Payment Date of such Series of Bonds, computed as of the contemplated date of issuance of such Series of Bonds, necessary to cause the balance in such Series Subaccount to equal the Debt Service Reserve Requirement; and

(B) if moneys shall ever have been paid out of any Series Subaccount in the Debt Service Reserve Account for the purpose specified in Section 5.08(b) or if for any other reason moneys in any Series Subaccount in the Debt Service Reserve

Account shall have been removed and in either case if such moneys shall not have been replaced from any source, such amount as shall be necessary to cause either the amount so paid out of or removed from such Series Subaccount in the Debt Service Reserve Account to be replaced, or the amount to be on deposit in such Series Subaccount to be equal to the Debt Service Reserve Requirement attributable to the corresponding Series of Bonds, whichever is less;

provided that if there are not sufficient moneys in the Revenue Fund to satisfy the requirements of this subsection (ii), all moneys available for distribution among the Series Subaccounts in the Debt Service Reserve Account shall be deposited into the Debt Service Reserve Account and distributed pro rata based on the amount of the deficiencies to the deficient Series Subaccounts in the Debt Service Reserve Account.

provided, however, that so long as there shall be held in the Principal and Interest Fund, excluding any Reserve Instrument Coverage, an amount sufficient to pay in full all Outstanding Bonds and all outstanding Repayment Obligations in accordance with their terms (including Principal or applicable sinking fund Redemption Price and interest thereon), no deposits shall be required to be made into the Principal and Interest Fund.

(b) Amounts remaining in the Revenue Fund at the end of each month after payment of the amounts required by subsection (a) of this Section may be applied by the City, free and clear of the lien of the Indenture, to any one or more of the following, to the extent permitted by law: (1) the purchase or redemption of any Bonds and payment of expenses in connection therewith; (2) payments of Principal or redemption price of and interest on any bonds, including general obligation or junior lien revenue bonds of the City; (3) payments into any Project Account or Accounts established in the Construction Fund for application to the purposes of such Accounts; and (4) any other lawful purpose of the City.

(c) Upon any purchase or redemption, pursuant to subsection (b) of this Section, of Bonds of any Series and maturity for which Sinking Fund Installments shall have been established, the principal amount of such Bonds shall be credited toward such Sinking Fund Installments as directed in a Written Certificate or Request of the City, unless the City shall elect to have the Sinking Fund Installments next due credited as provided in Section 5.07(c).

Section 5.07. Principal and Interest Fund - Bond Service Account.

(a) Each Supplemental Indenture providing for the issuance of a Series of Bonds shall establish a separate Series Subaccount in the Bond Service Account for each such Series of Bonds issued; *provided, however*, that such a separate Series Subaccount need not be established in the Principal and Interest Fund for a Series of Bonds if such Series of Bonds is secured by a Series Subaccount in the Debt Service Reserve Account that also secures one or more other Series of Bonds as contemplated by Section 5.08(a) (in which case the Supplemental Indenture may provide for the payment of principal and interest on such Series of Bonds from the same Series Subaccount in the Principal and Interest Fund as the principal and interest on such other Series of Bonds are payable from). There shall be deposited into each Series Subaccount the amounts required to be so deposited pursuant to Section 5.06(a)(1)(A)(i). Any payments made by a Security Instrument Issuer with respect to a Series of Bonds shall be deposited into the Series Subaccount in the Bond Service Account relating to such Series of Bonds, subject to the provisions of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

(b) The Trustee shall pay out of the appropriate Series Subaccount in the Bond Service Account to the respective Paying Agent (1) on or before each interest payment date for each Series of Bonds, the amount required for the interest payable on such date; (2) on or before each Principal Installment due date, the amount required for the Principal Installment payable on such due date; and (3) on or before any redemption date for each Series of Bonds, the amount required for the payment of Redemption Price of and accrued interest on such Bonds then to be redeemed. Such amounts shall be applied by the Paying Agents to pay Principal Installments and Redemption Price of, and interest on the related Series of Bonds. The Trustee shall pay out of the appropriate Series Subaccount in the Bond Service Account to the Security Instrument Issuer, if any, that has issued a Security Instrument with respect to such Series of Bonds an amount equal to any Security Instrument Repayment Obligation then due and payable to such Security Instrument Issuer. If payment is so made on Pledged Bonds held for the benefit of the Security Instrument Issuer, a corresponding payment on the Security Instrument Repayment Obligation shall be deemed to have been made (without requiring an additional payment by the City) and the Trustee shall keep its records accordingly.

(c) Except as otherwise provided in a Supplemental Indenture authorizing a Series of Bonds, amounts accumulated in any Series Subaccount in the Bond Service Account with respect to any Sinking Fund Installment (together with amounts accumulated therein with respect to interest on the Bonds for which such Sinking Fund Installment was established) shall, if so directed by the City in a Written Request not less than 30 days before the due date of such Sinking Fund Installment, be applied by the Trustee to (1) the purchase of Bonds of the Series and maturity for which such Sinking Fund Installment was established, (2) the redemption at the applicable sinking fund Redemption Price of such Bonds, if then redeemable by their terms, or (3) any combination of (1) and (2). The applicable sinking fund Redemption Price (or Principal amount of maturing Bonds) of any Bonds so purchased or redeemed shall be deemed to constitute part of the Bond Service Account until such Sinking Fund Installment date for the purpose of calculating the amount of such Account. As soon as practicable after the 60th day preceding the due date of any such Sinking Fund Installment, the Trustee shall proceed to call for redemption on such due date, by giving notice as required by the Indenture, Bonds of the Series

and maturity for which such Sinking Fund Installment was established (except in the case of Bonds maturing on a Sinking Fund Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Sinking Fund Installment. The Trustee shall pay out of the appropriate Series Subaccount in the Bond Service Account to the appropriate Paying Agents, on or before such redemption date (or maturity date), the amount required for the redemption of the Bonds so called for redemption (or for the payment of such Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment).

Section 5.08. Principal and Interest Fund - Debt Service Reserve Account.

(a) Each Supplemental Indenture providing for the issuance of a Series of Bonds shall establish in the Debt Service Reserve Account a separate Series Subaccount for each such Series of Bonds issued *provided, however*, that such a separate Series Subaccount need not be established in the Principal and Interest Fund for a Series of Bonds if such Series of Bonds is secured by a Series Subaccount in the Debt Service Reserve Account that also serves one or more other Series of Bonds. Such Supplemental Indenture shall also specify the Debt Service Reserve Requirement to be on deposit in such Series Subaccount.

(b) If on the third Business Day prior to the end of any month, after the deposit of moneys required by Section 5.06(a)(1)(A)(i), the amount in any Series Subaccount in the Bond Service Account shall be less than the amount required to be in such Series Subaccount, the Trustee shall (1) apply amounts from the corresponding Series Subaccount, if any, in the Debt Service Reserve Account to the extent necessary to make good the deficiency; and (2) to the extent that moneys and investments available in the corresponding Series Subaccount, if any, in the Debt Service Reserve Account are not sufficient to eliminate the deficiency in the Series Subaccount in the Bond Service Account and Reserve Instruments are in effect for the corresponding Series of Bonds, immediately make a demand for payment on all such Reserve Instruments, to the maximum extent authorized by such Reserve Instruments, in the amount necessary to make up such deficiency, and immediately deposit such payment upon receipt thereof in the appropriate Series Subaccount in the Bond Service Account.

(c) Whenever the moneys on deposit in a Series Subaccount in the Debt Service Reserve Account, including investment earnings and Reserve Instrument Coverage with respect thereto, shall exceed the Debt Service Reserve Requirement for such Series Subaccount, such excess shall be transferred by the Trustee to the corresponding Series Subaccount in the Bond Service Account and shall be used to pay Debt Service on the related Bonds, subject to any limitations contained in the Tax Certificate relating to such Bonds.

(d) Whenever the amount in a Series Subaccount in the Debt Service Reserve Account, excluding any Reserve Instrument Coverage, together with the amount in the corresponding Series Subaccount in the Bond Service Account for a Series of Bonds, is sufficient to pay in full all Outstanding Bonds of such Series and related Repayment Obligations in accordance with their terms (including Principal or applicable sinking fund Redemption Price and interest thereon), the funds on deposit in such Series Subaccount in the Debt Service Reserve Account shall be transferred to the corresponding Series Subaccount in the Bond Service Account and no

deposits shall be required to be made into such Series Subaccount in the Debt Service Reserve Account.

(e) Unless otherwise provided in a Supplemental Indenture authorizing a Series of Bonds, in calculating the amount on deposit in a Series Subaccount in the Debt Service Reserve Account, the amount of the Reserve Instrument Coverage for the corresponding Series of Bonds will be treated as an amount on deposit in such Series Subaccount in the Debt Service Reserve Account. The City may deposit a Reserve Instrument into any Series Subaccount in the Debt Service Reserve Account to satisfy all or a portion of the Debt Service Reserve Requirement with respect to the Series of Bonds for which such Series Subaccount was established and upon such deposit may withdraw any moneys in such Series Subaccount in excess of such Debt Service Reserve Requirement.

(f) Unless otherwise specified in the Supplemental Indenture authorizing a Series of Bonds, no Reserve Instrument for such Series of Bonds shall be allowed to expire unless and until cash has been deposited into the appropriate Series Subaccount in the Debt Service Reserve Account, or a new Reserve Instrument has been issued in place of the expiring Reserve Instrument, in an amount or to provide coverage at least equal to the Debt Service Reserve Requirement for the corresponding Series of Bonds.

Section 5.09. Purchase of Bonds. The City may, to the extent permitted under applicable law and covenants, including any covenants contained in any Tax Certificate, purchase Bonds of any Series from any available funds at public or private sale, as and when and at such prices as the City may in its discretion determine. All Bonds so purchased shall at such times as shall be selected by the City be delivered to and cancelled by the Trustee or any Registrar and shall thereafter be delivered to, or upon the order of, the City, and no Bonds shall be issued in place thereof. In the case of the purchase of Bonds of a Series and maturity for which Sinking Fund Installments shall have been established, the City shall, by a Written Request of the City delivered to the Trustee, elect the manner in which the Principal amount of such Bonds shall be credited toward Sinking Fund Installments, consistent with the procedures of Section 5.07(c).

Section 6.06. Accounts and Reports.

Section 6.07. Maintenance of Paying Agents. The City for itself, its successors and assigns, represents, covenants and agrees with the Holders of the Bonds, the Security Instrument Issuers and the Reserve Instrument Issuers as a material inducement to the purchase of the Bonds and the issuance of the Security Instruments and the Reserve Instruments, that so long as any of the Bonds shall remain Outstanding and the principal or Redemption Price thereof or interest thereon shall be unpaid or unprovided for, it will faithfully perform all of the covenants and agreements contained in the Indenture and the Bonds.

ARTICLE VII

THE TRUSTEE, THE PAYING AGENTS AND THE TRANSFER AGENTS

Section 7.01. Trustee.

(a) The City hereby appoints Zions First National Bank, as the initial Trustee hereunder to act as the legal depository of the City for the purpose of receiving all moneys which the City is required to pay to the Trustee hereunder and to hold, allocate, use and apply the same as provided in the Indenture. The Trustee hereby accepts and agrees to execute the trusts hereby created upon the terms set forth herein. The Trustee shall act as the legal depository of the City for the purpose of receiving all moneys which the City is required to pay to the Trustee hereunder, and to hold, allocate, use and apply the same as provided in the Indenture. The Trustee shall also act as registrar and Transfer Agent for the Bonds, with the duties herein provided, and shall also act in accordance with the duties specified in Section 3.02(a). In acting as registrar and Transfer Agent, the Trustee shall be the agent of the City.

(b) The Trustee may at any time resign or be discharged of its duties and obligations hereby created by giving not less than 60 days' written notice to the City, specifying the date when such resignation shall take effect, and mailing notice thereof to the Holders of all Bonds then Outstanding, and such resignation shall take effect on the day specified in such notice unless previously a successor shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor; *provided, however*, that such resignation of the Trustee shall in no event take effect until such successor shall have been appointed and accepted the duties of Trustee.

(c) The City may at any time remove the Trustee initially appointed or any successor thereto by a Written Certificate of the City providing for such removal, for the appointment of a successor, and for the effective date of the change of Trustee; *provided, however*, that such removal of the Trustee shall in no event take effect until such successor shall have been appointed and accepted the duties of Trustee by the execution of a Supplemental Indenture. A copy of such Written Certificate of the City shall be mailed by first class mail to the Trustee.

(d) Notice of the resignation or removal of the Trustee and the appointment of a successor shall be mailed by first class mail to the registered Holders of all Bonds then Outstanding, the Information Services, the NRMSIRs and to each Security Instrument Issuer and Reserve Instrument Issuer then having a Security Instrument or Reserve Instrument outstanding, within 30 days after delivery of the Written Certificate of the City providing for such appointment. Any successor Trustee appointed by the City subsequent to the issuance of the first Series of Bonds issued hereunder shall be a bank or trust company with a capital, undivided profits and surplus of not less than \$50,000,000.

(e) If no successor Trustee shall have been appointed and shall have accepted appointment within 45 days of giving notice of the resignation or removal of the Trustee as aforesaid, the Trustee or any Bondholder (on behalf of himself and all other Bondholders) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such

court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee.

Section 7.02. *Paying Agents; Appointment and Acceptance of Duties; Removal.* The City shall appoint Paying Agents for the Bonds of each Series pursuant to Supplemental Indentures. Each Paying Agent shall signify its acceptance of the duties and obligations imposed upon it by the Indenture by executing and delivering to the City and to the Trustee a written acceptance thereof. The City may remove any Paying Agent and any successor thereto, and appoint a successor or successors thereto; *provided, however*, that any such Paying Agent designated by the City shall continue to be a Paying Agent of the City for the purpose of paying the Principal and Redemption Price of and interest on the Bonds until the designation of a successor as such Paying Agent. Each Paying Agent is hereby authorized to redeem Bonds when duly presented to it for payment or redemption, which Bonds shall thereafter be delivered to the Trustee for cancellation.

Section 7.03. *Terms and Conditions of the Trusts.* Notwithstanding any other provision of this Indenture to the contrary, the Trustee shall, prior to an Event of Default, and after the curing of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations of the Trustee shall be read into this Indenture. Subject to Article IX and Section 7.03(1) hereof, the Trustee shall, during the existence of any Event of Default (which has not been cured), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs. The Trustee shall perform such duties, rights and powers only upon and subject to the following express terms and conditions:

(a) The Trustee shall perform such duties and only such duties as are specifically set forth in the Indenture. The duties and obligations of the Trustee shall be determined solely by the express provisions of the Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Indenture, and no implied covenants or obligations shall be read into the Indenture against the Trustee.

(b) The Trustee may execute any of the trusts or powers hereof and perform any of its duties by or through attorneys, agents, receivers or employees but shall not be answerable for the conduct of any of the same who have been selected by it with ordinary care in accordance with the standard specified above, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such attorneys, agents, receivers and employees as may reasonably be employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorney for the City or any other attorneys, if, in the case of such other attorneys, they are approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action in good faith in reliance upon such opinion or advice. The Trustee shall not be liable for any error of judgment made in good faith by

any of its officers or employees unless it shall be proved that the Trustee was negligent in ascertaining pertinent facts.

(c) The Trustee shall not be responsible for any recital herein, or in the Bonds (except in respect to the certificate of authentication of the Trustee endorsed on the Bonds), or for the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby, and the Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the City herein set forth; but the Trustee may require of the City full information and advice as to the performance of the covenants, conditions and agreements aforesaid. The Trustee shall have no obligation to perform any of the duties of the City under the Indenture.

(d) The Trustee shall not be accountable for the use of any Bonds authenticated or delivered hereunder. The Trustee may become the owner or pledgee of Bonds secured hereby with the same rights which it would have if not Trustee. To the extent permitted by law, the Trustee may also receive tenders and purchase in good faith Bonds from itself, including any department, affiliate or subsidiary, with like effect as if it were not Trustee.

(e) The Trustee shall be protected in acting upon any notice, request, consent, certificate, order, affidavit, letter, telegram or other paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons. Any action taken by the Trustee pursuant to the Indenture, upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the owner of any Bond, shall be conclusive and binding upon all future owners of the same Bond and upon Bonds issued in exchange therefor or in place thereof. The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of not less than a majority in Principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under the Indenture.

(f) As to the existence or non-existence of any fact or as to the sufficiency or validity of any instrument, paper or proceeding, the Trustee shall be entitled to rely upon a Written Certificate of the City as sufficient evidence of the facts therein contained and shall also be at liberty to accept a similar Written Certificate to the effect that any particular dealing, transaction or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the City Recorder to the effect that a resolution in the form therein set forth has been adopted by the City as conclusive evidence that such resolution has been duly adopted, and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in the Indenture shall not be construed as a duty and it shall not be answerable for other than its gross negligence or willful default.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any default hereunder except:

(1) Failure by the City to cause to be made any of the payments to the Trustee required to be made pursuant to Article V;

(2) Failure of the City to file with the Trustee any document required by the Indenture to be so filed prior to or subsequent to the issuance of the Bonds; or

(3) Any default with respect to a Security Instrument Agreement or a Reserve Instrument Agreement as to which any of the parties thereto has notified the Trustee in writing;

provided that the Trustee shall be required to take notice or be deemed to have notice of any default hereunder if specifically notified in writing of such default by the Holders of not less than 10% in aggregate Principal amount of Bonds then Outstanding, by any Security Instrument Issuer or by any Reserve Instrument Issuer, and all notices or other instruments required by the Indenture to be delivered to the Trustee must, in order to be effective, be delivered at the principal corporate trust office of the Trustee and in the absence of such notice, the Trustee may conclusively assume there is no default except as aforesaid;

(i) At any and all reasonable times the Trustee, and its duly authorized agents, attorneys, experts, engineers, accountants and representatives, shall have the right fully to inspect any and all books, papers and records of the City pertaining to the Revenues and the Bonds, and to take such memoranda from and in regard thereto as may be desired.

(j) The Trustee shall not be required to give any bond or surety in respect of the execution of the said trusts and powers or otherwise in respect of the premises.

(k) Notwithstanding anything elsewhere in the Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds or any action whatsoever within the purview of the Indenture, any showings, certificates, opinions, appraisals or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required, as a condition of such action by the Trustee reasonably deemed desirable by it for the purpose of establishing the right of the City to the authentication of any Bonds or the taking of any other action by the Trustee.

(l) The Trustee shall be under no obligation to exercise any of the trusts or powers vested in it by the Indenture at the request, order or direction of any of the

Bondholders, Security Instrument Issuers or Reserve Instrument Issuers pursuant to the provisions of the Indenture, unless such Bondholders, Security Instrument Issuers or Reserve Instrument Issuers shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred therein or thereby.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by mandatory provisions of law.

(n) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, appraisal, Bond or other paper or document, unless requested in writing to do so by (i) the Holders of not less than 25% in aggregate Principal amount of the Bonds then Outstanding, (ii) any Security Instrument Issuer of a Security Instrument then in full force and effect and not in default on a payment obligation or (iii) any Reserve Instrument Issuer of a Reserve Instrument then in full force and effect and not in default on a payment obligation; *provided*, that, if the payment within a reasonable time to the Trustee of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Trustee, not reasonably assured to the Trustee by the security afforded to it by the terms of the Indenture, the Trustee may require reasonable indemnity against such expenses or liabilities as a condition to so proceeding. The reasonable expense of every such inquiry or examination shall be paid by the City or, if paid by the Trustee, shall be repaid by the City.

(o) The Trustee shall not be liable for any action taken by it in good faith and reasonably believed by it to be authorized or within the discretion, rights or powers conferred upon it by the Indenture.

(p) None of the provisions contained in the Indenture shall require the Trustee to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there is reasonable ground for believing that the repayment of such funds or liability is not reasonably assured to it.

(q) The Trustee shall not be obligated to take or omit to take any action hereunder if, upon the basis of advice of counsel selected by it, the Trustee determines it would be unlawful to take or omit to take such action.

(r) The Trustee shall have no responsibility with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to any Series of Bonds.

(s) The Trustee shall not be liable for actions taken at the direction of Bondholders or Security Instrument Issuer pursuant to the provisions of Article IX.

Section 7.04. Intervention by the Trustee. In any judicial proceeding to which the City is a party and which in the opinion of the Trustee has a substantial bearing on the interests of Holders of the Bonds, the Trustee may intervene on behalf of Bondholders and shall do so if requested in writing by (i) the Holders of a majority of the aggregate Principal amount of Bonds then Outstanding or (ii) any Security Instrument Issuer of a Security Instrument then in full force and effect and not in default on a payment obligation. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 7.05. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business or assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, shall be and become a successor Trustee hereunder and vested with all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instrument or any further act, deed or conveyance on the part of the Trustee or the City, anything herein to the contrary notwithstanding.

Section 7.06. Concerning Any Successor Trustee. Every successor Trustee appointed hereunder shall execute, acknowledge and deliver to its or his predecessor and also to the City a Supplemental Indenture accepting such appointment hereunder and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the Written Request of the City, or of its successor, execute and deliver an instrument transferring to such successor Trustee all the estates, properties, rights, powers and trusts of such predecessor hereunder; and every predecessor Trustee shall deliver all securities and moneys held by it as Trustee hereunder to its or his successor. Should any instrument in writing from the City be required by any successor Trustee for more fully and certainly vesting in such successor the estates, properties, rights, powers, trusts, duties and obligations hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City. Any Trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such Trustee to secure any amounts then due it pursuant to the provisions of Section 7.07 hereof.

Section 7.07. Compensation of the Trustee and Its Lien. The City covenants and agrees to pay to the Trustee from time to time and the Trustee shall be entitled to, reasonable compensation and, except as otherwise expressly provided, the City covenants and agrees to pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of the Indenture (including the reasonable compensation and the expenses and disbursements of its counsel and of all persons not regularly in its employ including but not limited to any Paying Agent, Transfer Agent or Depository) except any such expense, disbursement or advance as may arise from its negligence or bad faith. The City also covenants to indemnify the Trustee for, and

to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim of liability in the premises. The obligations of the City under this Section to compensate and indemnify the Trustee and to pay or reimburse the Trustee for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall survive the satisfaction and discharge of the Indenture. Such additional indebtedness shall be secured by a lien prior to that of the Bonds upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Bonds.

Section 7.08. Appointment of Co-Trustee. It is the purpose of this Indenture that there shall be no violation of any law of any jurisdiction (including particularly the law of the State) denying or restricting the right of banking corporations or associations to transact business as Trustee in such jurisdiction. It is recognized that in case of litigation under the Indenture, and in particular in case of the enforcement thereof on default, or in the case the Trustee deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein granted to the Trustee or hold title to the properties, in trust, as herein granted, or take any action which may be desirable or necessary in connection therewith, it may be necessary that the Trustee appoint an additional individual or institution as a separate or co-trustee. The following provisions of this Section are adapted to these ends.

In the event that the Trustee appoints an additional individual or institution as a separate or co-trustee, each and every remedy, power, right, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by the Indenture to be exercised by or vested in or conveyed to the Trustee with respect thereto shall be exercisable by and vest in such separate or co-trustee but only to the extent necessary to enable such separate or co-trustee to exercise such powers, rights and remedies, and every covenant and obligation necessary to the exercise thereof by such separate or co-trustee shall run to and be enforceable by either of them.

Should any instrument in writing from the City be required by the separate trustee or co-trustee so appointed by the Trustee for more fully and certainly vesting in and confirming to him or it such estates, properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the City. In case any separate trustee or co-trustee, or a successor to either of them shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such separate trustee or co-trustee, so far as permitted by law, shall vest in and be exercised by the Trustee until the appointment of a new trustee or successor to such separate trustee or co-trustee.

Section 7.09. Appointment, Duties and Term of Remarketing Agent. The City may pursuant to a Supplemental Indenture appoint one or more Remarketing Agents from time to time to purchase or remarket Put Bonds.

Section 7.10. Appointment, Duties and Term of Additional Transfer Agents. The City may appoint one or more Transfer Agents from time to time in addition to the Trustee to transfer and authenticate Bonds. Each appointment of a Transfer Agent other than the Trustee shall be

made by a Supplemental Indenture which shall, among other things, specify the duties, qualifications and term of such Transfer Agent and the conditions under which such Transfer Agent may resign, be removed or be replaced. Each Transfer Agent other than the Trustee shall signify its acceptance of the duties imposed upon it pursuant to the Indenture by depositing with the City and the Trustee a written acceptance of such duties, together with a certificate stating that the Transfer Agent is duly qualified to perform such duties under the terms of the Indenture and under all applicable local, state and federal laws.

ARTICLE VIII

MODIFICATION OR AMENDMENT OF INDENTURE

Section 8.01. Amendments Permitted.

(a) The Indenture or any Supplemental Indenture and the rights and obligations of the City and of the Holders of the Bonds may be modified or amended at any time by a Supplemental Indenture and pursuant to the affirmative vote at a meeting of Bondholders, or with the written consent without a meeting, (1) of the Holders of at least a majority in Principal amount of the Bonds then Outstanding, and (2) in case less than all of the several Series of Bonds then Outstanding are affected by the modification or amendment, of the Holders of at least a majority in Principal amount of the Bonds of each Series so affected and then Outstanding, and (3) in case the modification or amendment changes the terms of any Sinking Fund Installment, of the Holders of at least a majority in Principal amount of the Bonds of the particular Series and maturity entitled to such Sinking Fund Installment and then Outstanding; *provided, however*, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series remain Outstanding, the consent of the Holders of Bonds of such Series shall not be required and Bonds of such Series shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section.

(b) The Indenture or any Supplemental Indenture and the rights and obligations of the City, the Holders of the Bonds, the Security Instrument Issuers and the Reserve Instrument Issuers may also be modified or amended at any time by a Supplemental Indenture, without notice to or the consent of any Bondholders for any of the following purposes:

(1) to add to the covenants and agreements of the City contained in the Indenture, to add other covenants and agreements thereafter to be observed, to pledge or provide additional security hereunder or to surrender any right or power herein reserved to or conferred upon the City;

(2) to make such provisions for the purpose of curing any ambiguity, or of curing or correcting any defective provision contained in the Indenture or in regard to questions arising under the Indenture, as the City may deem necessary or desirable, and which shall not adversely affect the interests of the Holders of the Bonds;

(3) to provide for the issuance of a Series of Bonds in accordance with the provisions of Article II;

(4) to provide for the issuance of the Bonds pursuant to a book-entry system or as uncertificated registered public obligations pursuant to the provisions of the Registered Public Obligations Act, Chapter 7 of Title 15 of the Utah Code Annotated 1953, as amended, or any successor provision of law or to modify or eliminate the book-entry registration system for any of the Bonds;

(5) to confirm, as further assurance, any pledge of or lien on the Revenues or any other moneys, securities or funds subject or to be subjected to the lien of this Indenture;

(6) to comply with the requirements of the Trust Indenture Act of 1939, as from time to time amended;

(7) to modify, alter, amend or supplement this Indenture or any Supplemental Indenture in any other respect which in the judgment of the Trustee is not materially adverse to the Holders of the Bonds; *provided, however*, that any such modification, alteration, amendment or supplement pursuant to this Section 8.01(b)(7) shall not take effect until the Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation thereunder shall have consented in writing to such modification, alteration, amendment or supplement; *provided further* that in determining whether any such modification, alteration, amendment or supplement is materially adverse to the Holders of the Bonds, the Trustee shall consider the effect on the Holders as if there were no Security Instrument with respect to the Bonds;

(8) to make any change which in the judgment of the Trustee shall not materially adversely affect the rights or interests of the Holders of any Outstanding Bonds requested by a Rating Agency in order to obtain or maintain any rating on the Bonds or by a Security Instrument Issuer or Reserve Instrument Issuer in order to insure or provide other security for any Bonds;

(9) to make any change necessary (A) to establish or maintain the exemption from federal income taxation of interest on any Series of Bonds as a result of any modifications or amendments to Section 148 of the Code (or any successor provision of law) or interpretations thereof by the Internal Revenue Service, or (B) to comply with the provisions of Section 148(f) of the Code (or any successor provision of law), including provisions for the payment of all or a portion of the investment earnings of any of the Funds established hereunder to the United States of America;

(10) if the Bonds affected by such change are rated by a Rating Agency, to make any change which does not result in a reduction of the rating applicable to any of the Bonds so affected, *provided* that if any of the Bonds so affected are secured by a

Security Instrument, such change must be approved in writing by the related Security Instrument Issuer;

(11) if the Bonds affected by such change are secured by a Security Instrument, to make any change approved in writing by the related Security Instrument Issuer, *provided* that if any of the Bonds so affected are rated by a Rating Agency, such change shall not result in a reduction of the rating applicable to any of the Bonds so affected;

(12) to the extent permitted by a Supplemental Indenture authorizing a Series of Bonds, the designation of the facilities to constitute a Project by such Supplemental Indenture may be modified or amended if the City delivers to the Trustee (1) a Supplemental Indenture designating the facilities to comprise the Project and (2) a Written Certificate of the City setting forth the costs of the Project and an Estimated Completion Date and certifying that such amendment will not adversely affect the City's ability to comply with the provisions of the Indenture;

(13) to provide for the appointment of a successor Trustee, a Paying Agent, a separate or co-trustee pursuant to Section 7.08, a Remarketing Agent or a Transfer Agent;

(14) to provide for uncertificated Bonds or for the issuance of coupons and bearer Bonds or Bonds registered only as to principal, but only to the extent that such would not adversely affect the Tax-Exempt status of the Bonds;

(15) to provide the procedures required to permit any Holder to separate the right to receive interest on the Bonds from the right to receive principal thereof and to sell or dispose of such right as contemplated by Section 1286 of the Code;

(16) to provide for the appointment or replacement of a Security Instrument Issuer or a Reserve Instrument Issuer or for an additional Security Instrument Issuer or an additional Reserve Instrument Issuer following the occurrence of an event of default under the respective Security Instrument or Reserve Instrument, as applicable, or to provide for an additional Security Instrument Issuer following the withdrawal or suspension or reduction below the Rating Category of AAA, Aaa or any equivalent rating by any rating agency of the long-term ratings of the Security Instrument Issuer provided that the Security Instrument provided by the replacement or additional Security Instrument Issuer would result in a long-term rating on the Bonds equal to the Rating Category of AAA, Aaa or any equivalent rating by any Rating Agency;

(17) to provide for the pledge of Special Revenues, additional monies, funds or other assets to secure payment of one or more Series of Bonds; and

(18) to correct any references contained herein to provisions of the Act, the Code or other applicable provisions of law that have been amended so that the references herein are incorrect.

No modification or amendment shall be permitted pursuant to subparagraph (1), (7), (8), (10), (11), (12) or (16) unless the City delivers to the Trustee an Opinion of Counsel of nationally recognized standing in the field of law relating to municipal bonds to the effect that such modification or amendment will not adversely affect the tax-exempt status or validity of any Bonds affected by such modification or amendment.

(c) No modification or amendment permitted by this Section shall (1) extend the fixed maturity of any Bond, or reduce the Principal amount or Redemption Price thereof, or reduce the rate or extend the time of payment of interest thereon, without the consent of the Holder of each Bond so affected, or (2) reduce the aforesaid percentage of Bonds required for the affirmative vote or written consent to an amendment or modification of the Indenture, without the consent of the Holders of all of the Bonds then Outstanding, or (3) without its written consent thereto, modify any of the rights or obligations of the Trustee.

(d) Each Supplemental Indenture authorized by this Section shall become effective as of the date of its execution and delivery or such other date as shall be specified in such Supplemental Indenture.

(e) No amendment shall be permitted pursuant to this Section 8.01 which shall affect (1) the rights or duties of a Security Instrument Issuer or Reserve Instrument Issuer of a Security Instrument or a Reserve Instrument as the case may be, then in full force and effect and not in default on a payment obligation, or (2) the Series of Bonds for which a Security Instrument Issuer or Reserve Instrument Issuer provides security, without the consent of such Security Instrument Issuer or Reserve Instrument Issuer as the case may be.

(f) Notwithstanding any provisions of the Indenture to the contrary, a Supplemental Indenture providing for the issuance by a Security Instrument Issuer of a Security Instrument in connection with a Series of Bonds issued under the Indenture may provide, among other provisions, that the Security Instrument Issuer shall at all times, so long as the Series of Bonds remains Outstanding, be deemed to be the exclusive owner of all of the Bonds of such Series for the purpose of consenting to the execution and delivery of a Supplemental Indenture pursuant to the provisions of Section 8.01(a).

Section 8.02. Bondholders' Meetings.

(a) The Trustee may, and upon the Written Request of the City shall, at any time, call a meeting of the Holders of Bonds, to be held at such place as may be selected by the Trustee and specified in the notice calling such meeting. Written notice of such meeting, stating the time and place of the meeting and in general terms the business to be submitted, shall be mailed by the Trustee, postage prepaid, not less than 30 nor more than 60 days before such meeting, to any Security Instrument Issuer or Reserve Instrument Issuer that is in full force and effect with respect to any Series of Bonds Outstanding and to each registered owner of Bonds then Outstanding at his address, if any, appearing upon the Bond register of the City. The cost and expense of the giving of such notice shall be borne by the City, and the Trustee shall be reimbursed by the City for any expense incurred by it.

(b) Prior to calling any meeting of the Holders of Bonds, the Trustee shall adopt regulations for the holding and conduct of such meeting, and copies of such regulations shall be filed at the principal corporate trust office of the Trustee and at the office of the City and shall be open to the inspection of all Bondholders. The regulations shall include such provisions as the Trustee may deem advisable for evidencing the ownership of Bonds, for voting in person or by proxy, for the selection of temporary and permanent officers to conduct the meeting and inspectors to tabulate and canvass the votes cast thereat, the adjournment of any meeting and the records to be kept of the proceedings of such meeting, including rules of order for the conduct of such meeting and such other regulations as, in the opinion of the Trustee, may be necessary or desirable.

(c) No resolution adopted by such meeting of Bondholders shall be binding unless and until a valid Supplemental Indenture has been executed and delivered containing the modifications or amendments authorized by the resolution adopted at such meeting. Such Supplemental Indenture shall become effective upon the filing with the Trustee of the resolution adopted at such meeting and such Supplemental Indenture.

Section 8.03. Amendment by Written Consent. The City may at any time execute and deliver a valid Supplemental Indenture amending the provisions of the Bonds or of the Indenture or any Supplemental Indenture, to the extent that such an amendment is permitted by this Article, to become effective when and as approved by written consent of the Bondholders, and any necessary Security Instrument Issuers and Reserve Instrument Issuers, and as provided in this Section. Such Supplemental Indenture shall not be effective unless there shall have been filed with the City or the Trustee the written consents of the necessary number of Holders of the Bonds then Outstanding and the consents of any necessary Security Instrument Issuers and Reserve Instrument Issuers, and a notice shall have been published as hereinafter in this Section provided. It shall not be necessary for any consent under this Section to approve the particular form of any proposed Supplemental Indenture, but it shall be sufficient if such consent shall approve the substance thereof. Each consent of a Bondholder shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 12.04. Any such consent shall be binding upon the Holder of the Bonds giving such consent and on any subsequent Holder thereof (whether or not such subsequent Holder has notice thereof) unless such consent is revoked in writing by the Holder of the Bonds giving such consent or a subsequent Holder thereof by filing such revocation with the City and the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed. Notice of the execution and delivery of such Supplemental Indenture shall be mailed by the City to Bondholders (but failure to mail copies of such notice shall not affect the validity of the Supplemental Indenture when assented to by the requisite percentage of the Holders of the Bonds as aforesaid) and to each Security Instrument Issuer and Reserve Instrument Issuer of a Security Instrument or a Reserve Instrument as the case may be, then in full force and effect and not in default in a payment obligation.

Section 8.04. Disqualified Bonds. Bonds owned or held by or for the account of the City shall not be deemed Outstanding for the purpose of any vote, consent or other action or any calculation of Outstanding Bonds in this Article provided for, and neither the City nor any owner or Holder of such Bonds shall be entitled to vote or consent to, or to take, any other action

provided for in this Article. Any Pledged Bonds shall be deemed Outstanding and, for the purposes of any vote, shall be considered to be owned by the appropriate Security Instrument Issuer.

Section 8.05. *Effect of Modification or Amendment.* When any Supplemental Indenture modifying or amending the provisions of the Indenture or any Supplemental Indenture shall become effective, as provided in this Article, the Indenture or such Supplemental Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, duties and obligations under the Indenture or such Supplemental Indenture of the City, the Trustee, any Security Instrument Issuer, any Reserve Instrument Issuer, and all Holders of Bonds Outstanding hereunder shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be and be deemed to be part of the terms and conditions of the Indenture or the modified or amended Supplemental Indenture for any and all purposes.

Section 8.06. *Endorsement or Replacement of Bonds Issued After Amendments.* The City or the Trustee may determine that Bonds executed and delivered after the effective date of a Supplemental Indenture executed and delivered as provided in this Article shall bear a notation, by endorsement or otherwise, in form approved by the City, as to the modification or amendment provided for by such Supplemental Indenture. In that case, upon demand of the Holder of any Bond Outstanding at such effective date and presentation of his Bond for the purpose at the principal corporate trust operations office of the Trustee or at such other office as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Supplemental Indenture, shall be prepared, executed and delivered. In that case, upon demand of the Holder of any Bond then Outstanding, such new Bonds shall be exchanged at the principal corporate trust operations office of the Trustee without cost to any Bondholder, for Bonds then Outstanding, upon surrender of such Bonds.

Section 8.07. *Irrevocable Consent.* Subject to Section 8.03, any consent pursuant to the provisions of this Article by any Holder of a Bond shall be irrevocable, and shall be conclusive and binding upon all future Holders of the same Bond delivered on transfer thereof or in exchange therefor or in replacement thereof.

ARTICLE IX

EVENTS OF DEFAULT AND REMEDIES OF BONDHOLDERS

Section 9.01. *Events of Default.* The occurrence of one or more of the following events shall constitute an “*Event of Default*”:

- (a) failure by the City to make the due and punctual payment of the Principal or Redemption Price of any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by proceedings for redemption or otherwise;

(b) failure by the City to make the due and punctual payment of any installment of interest on any Bond or any Sinking Fund Installment when and as such interest installment or Sinking Fund Installment shall become due and payable;

(c) failure by the City to observe any of the covenants, agreements or conditions on its part contained in the Indenture or in the Bonds contained, and failure to remedy the same for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the City by the Trustee, or to the City and the Trustee by the Holders of not less than 25% in aggregate principal amount of the Bonds at the time Outstanding;

(d) bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, including without limitation proceedings under Chapter 9 of Title 11, United States Code (as the same may from time to time be hereafter amended), or other proceedings for relief under any federal or state bankruptcy law or similar law for the relief of debtors are instituted by or against the City and, if instituted against the City, said proceedings are consented to or are not dismissed within 30 days after such institution; or

(e) any event specified in a Supplemental Indenture as constituting an Event of Default under the Indenture;

provided that any failure by the City to make payment as described in subparagraph (a) or (b) of this Section shall not constitute an Event of Default with respect to any Bond if the Supplemental Indenture authorizing the issuance of such Bond provides that due and punctual payment by a Security Instrument Issuer or a Reserve Instrument Issuer shall not give rise to an Event of Default and such payment is, in fact, duly and punctually made.

The Trustee shall give notice to any Security Instrument Issuer or Reserve Instrument Issuer of any Event of Default known to the Trustee within 30 days after it has knowledge thereof.

Section 9.02. Remedies.

(a) Upon the occurrence and continuance of an Event of Default:

(i) the Trustee may proceed, and

(ii) upon the written request of (x) the Holders of a majority of the Principal amount of the Outstanding Bonds, (y) Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure a majority in aggregate Principal amount of the Bonds then Outstanding, or (z) any combination of Bondholders and Security Instrument Issuers described under clauses (x) and (y) representing a majority in aggregate Principal amount of the Bonds at the time Outstanding, shall proceed,

to protect and enforce its rights and the rights under the Indenture of the Bondholders, the Security Instrument Issuers and the Reserve Instrument Issuers forthwith by any available remedy, including, without limitation, suit or suits in equity or at law, whether for the payment of any amount due hereunder or on the Bonds, or for the specific performance of any covenant herein contained, or in aid of the execution of any power herein granted or any remedy granted under the Act, or for an accounting against the City, as if the City were the trustee of an express trust, or in the enforcement of any other legal or equitable right, as the Trustee, being advised by counsel, shall deem most effectual to enforce any of its rights or to perform any of its duties under the Indenture.

(b) All rights of action under this Indenture or under any of the Bonds may be enforced by the Trustee without the possession of any of the Bonds or the production thereof in any trial or other proceeding relating thereto. Any suit or proceeding instituted by the Trustee shall be brought in its name as Trustee without the necessity of joining any Holders or other parties as plaintiffs or defendants.

(c) No delay in exercising or omission to exercise any remedy, right or power accruing upon any Event of Default shall impair that remedy, right or power or shall be construed to be a waiver of any default or Event of Default or acquiescence therein. Every remedy, right and power may be exercised from time to time and as often as may be deemed to be expedient.

(d) In case the Trustee shall have proceeded to enforce any remedy, right or power under this Indenture in any suit, action or proceedings, and the suit, action or proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then the City, the Trustee, the Bondholders, the Security Instruments Issuers and the Reserve Instrument Issuers shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies and powers of the Trustee shall continue as if no suit, action or proceedings had been taken.

Section 9.03. Accounting and Examination of Records After Default. The City covenants that if an Event of Default shall have happened and shall not have been remedied, the books of record and accounts of the City and all other records of the City relating to the Revenues shall at all times be subject to the inspection and use of the Trustee and of its agents and attorneys. The City covenants that if an Event of Default shall happen and shall not have been remedied, the City, upon demand of the Trustee, will account, as if it were the trustee of an express trust, for all Revenues and other moneys, securities and funds pledged or held under the Resolution for such period as shall be stated in such demand.

Section 9.04. Application of Revenues and Other Moneys after Default.

(a) During the continuance of an Event of Default, the Trustee shall apply Revenues and such moneys, securities and funds and the income therefrom as follows and in the following order, *provided* that moneys held in any Series Subaccount in the Bond Service Account or in the Debt Service Reserve Account or received under any Security Instrument shall not be used for purposes other than payment of the interest and Principal or Redemption Price then due on the

Series of Bonds corresponding to such Series Subaccount or such Security Instrument in accordance with paragraph (3) of this Section:

(1) to the payment of the reasonable and proper charges and expenses of the Trustee and the reasonable fees and disbursements of its counsel;

(2) to the payment of the interest and Principal or Redemption Price then due on the Bonds and Security Instrument Repayment Obligations, as follows:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due on the Bonds and the Security Instrument Repayment Obligations in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid Principal or Redemption Price of any Bonds and Security Instrument Repayment Obligations which shall have become due, whether at maturity or by call for redemption, in the order of their due dates, and, if the amount available shall not be sufficient to pay in full all the Bonds and Security Instrument Repayment Obligations due on any date, then to the payment thereof ratably, according to the amounts of Principal or Redemption Price due on such date, to the persons entitled thereto, without any discrimination or preference.

(3) to the payment of all obligations owed to all Reserve Instrument Issuers according to the amounts due without any discrimination or preference.

(b) If and whenever all overdue installments of interest on all Bonds and Repayment Obligations, together with the reasonable and proper charges and expenses of the Trustee, and all other sums payable by the City under the Indenture, including the Principal and Redemption Price of and accrued unpaid interest on all Bonds and Repayment Obligations which shall then be payable, shall either be paid by or for the account of the City, or provision satisfactory to the Trustee shall be made for such payment, and all defaults under the Indenture or the Bonds shall be made good or secured to the satisfaction of the Trustee and the Repayment Obligations shall be made good or secured to the satisfaction of the Security Instrument Issuers and the Reserve Instrument Issuers as appropriate, or provision deemed by the Trustee and, in the case of Repayment Obligations, to the Security Instrument Issuers and the Reserve Instrument Issuers, as appropriate, to be adequate shall be made therefor, the Trustee shall pay over to the City all such Revenues then remaining unexpended in the hands of the Trustee (except Revenues deposited or pledged, or required by the terms of the Indenture to be deposited or pledged, with the Trustee), and thereupon the City and the Trustee shall be restored, respectively, to their former positions

and rights under the Indenture, and all Revenues shall thereafter be applied as provided in Article V. No such payment over to the City by the Trustee or resumption of the application of Revenues as provided in Article V shall extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

Section 9.05. Rights and Remedies of Bondholders.

(a) No Holder of any Bond, any Security Instrument Issuer or Reserve Instrument Issuer shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such Holder, Security Instrument Issuer or Reserve Instrument Issuer has previously given written notice to the Trustee of a continuing Event of Default;

(2) either (x) the Holders of not less than 25% in aggregate Principal amount of the Outstanding Bonds, (y) Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure 25% in aggregate Principal amount of the Bonds at the time Outstanding, or (z) any combination of Bondholders and Security Instrument Issuers described in clauses (x) and (y) representing not less than 25% in aggregate Principal amount of the Bonds at the time Outstanding, shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holders or Security Instrument Issuers have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceedings; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by (1) the Holders of a majority in Principal amount of the Outstanding Bonds, (2) Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure a majority in aggregate Principal amount of the Bonds then Outstanding, or (3) any combination of Bondholders and Security Instrument Issuers described in clauses (1) and (2) representing a majority in aggregate Principal amount of the Bonds at the time Outstanding;

it being understood and intended that no one or more Holders of Bonds or Security Instrument Issuers shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other such parties, or to obtain or to seek to obtain priority or preference over any other such parties or to enforce any right under

this Indenture, except in the manner herein and therein provided and for the equal and ratable benefit of all such parties in accordance with the provisions of the Indenture.

(b) Notwithstanding any other provision in this Indenture, the Holder of any Bond shall have the right which is absolute and unconditional to receive payment of the Principal of, Redemption Price and interest on such Bond on the respective stated maturities expressed in such Bond (or, in the case of redemption, on the redemption date of such Bond) and to institute suit for the enforcement of any such payment, subject only to any conditions of any Security Instrument Issuer providing a Security Instrument securing such Bond. Such right to receive payment shall not be impaired without the consent of such Holder.

(c) (i) The Holders of a majority of the Principal amount of the Outstanding Bonds, (ii) Security Instrument Issuers at the time providing Security Instruments which are in full force and effect and not in default on any payment obligation and which secure a majority in aggregate Principal amount of the Bonds then Outstanding, or (iii) any combination of Bondholders and Security Instrument Issuers described under clauses (i) and (ii) representing a majority in aggregate Principal amount of the Bonds at the time Outstanding, shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, *provided* that:

(1) such direction shall not be in conflict with any rule of law or this Indenture,

(2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Holders and Security Instrument Issuers not taking part in such direction, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

Section 9.06. Appointment of Receiver. Upon the occurrence of an Event of Default, and upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Bondholders, the Security Instrument Issuers and the Reserve Instrument Issuers, the Trustee shall be entitled, as a matter of right, to the appointment of a receiver or receivers of the trust estate created hereby, including, without limitation, the proceeds of the sale of the Bonds, the Revenues and the Funds, including the investments, if any, thereof, pending such proceedings, with such powers as a court making such appointments shall confer.

Section 9.07. Non-Waiver. Nothing in this Article or in any other provision of the Indenture or in the Bonds shall affect or impair the obligation of the City, which is absolute and unconditional, to pay the Principal and Redemption Price of and interest on the Bonds and the Repayment Obligations to the respective Holders of the Bonds, the Security Instrument Issuers and the Reserve Instrument Issuers, as appropriate, at the respective dates of maturity, or upon call for redemption, as herein provided, out of the Revenues, Funds and other moneys, securities and funds herein pledged for such payment, or affect or impair the right of action, which is also absolute and unconditional, of such Holders, Security Instrument Issuers or Reserve Instrument

Issuers, as appropriate, to institute suit to enforce such payment by virtue of the contract embodied in the Bonds and Repayment Obligations. No delay or omission of the Trustee or of any Holder of the Bonds or, with respect to Repayment Obligations, of any Security Instrument Issuer or Reserve Instrument Issuer as appropriate, to exercise any right or power arising upon the happening of any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein, and every power and remedy given by this Article to the Trustee or to the Holders of Bonds or, with respect to Repayment Obligations, to Security Instrument Issuers and Reserve Instrument Issuers, as appropriate, may be exercised from time to time and as often as shall be deemed expedient by the Trustee, the Holders of the Bonds, the Security Instrument Issuers and the Reserve Instrument Issuers.

Section 9.08. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee or to the Holders of Bonds or, with respect to Repayment Obligations, to Security Instrument Issuers and Reserve Instrument Issuers, as appropriate, is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised at any time or from time to time, and as often as may be necessary, by the Trustee, the Holder of any one or more of the Bonds or, with respect to Repayment Obligations, by Security Instrument Issuers and Reserve Instrument Issuers, as appropriate. Nothing herein contained shall permit the levy of any attachment or execution upon any of the properties of the City, nor shall any properties of the City be subject to forfeiture by reason of any default hereunder, it being expressly understood and agreed by each and every Bondholder by the acceptance of any Bond and by each and every Security Instrument Issuer and Reserve Instrument Issuer by entering into Security Instrument Agreements and Reserve Instrument Agreements, as appropriate, that the rights of all such Bondholders, Security Instrument Issuers and Reserve Instrument Issuers are limited and restricted to the use and application of Revenues, Funds and other moneys, securities and funds pledged under the Indenture in accordance with the terms of the Indenture.

Section 9.09. Waivers of Events of Default. The Trustee:

- (i) may waive, and

any Event of Default hereunder and its consequences; *provided, however*, that (x) there shall not be waived any Event of Default specified in Section 9.01(a) or Section 9.01(b) hereof unless prior to such waiver the City shall have caused to be deposited with the Trustee a sum sufficient to pay all matured installments of interest upon all Bonds and the Principal of any and all Bonds

which shall have become due (with interest upon such Principal and, to the extent permissible by law, on overdue installments of interest, at the rate per annum specified in the Bonds) and (y) no Event of Default shall be waived unless (in addition to the applicable conditions as aforesaid) there shall have been deposited with the Trustee such amounts as shall be sufficient to cover reasonable compensation and reimbursement of expenses payable to the Trustee. No such waiver shall extend to or shall affect any subsequent default or Event of Default or shall impair any remedy, right or power consequent thereon.

ARTICLE X

DEPOSITS AND INVESTMENT OF FUNDS

Section 10.01. Deposits.

(a) All moneys held by the Trustee under the provisions of the Indenture shall be deposited with the Trustee. All moneys held by the City under the Indenture shall be deposited in the name of the City in the Treasurer's Investment Fund or in one or more Agents. All moneys deposited under the provisions of the Indenture with the Trustee or any Agent shall be held in trust and applied only in accordance with the provisions of the Indenture, and each of the Funds established by the Indenture shall be a trust fund for the purposes thereof.

(b) Each Agent (other than the Trustee) shall be a bank or trust company organized under the laws of any state of the United States of America or a national banking association, having deposits insured by an agency of the United States of America, having capital stock, undivided profits and surplus aggregating at least \$25,000,000, and willing and able to accept the office on reasonable and customary terms and authorized by law to act in accordance with the provisions of the Indenture. Each Agent (other than the Trustee) shall signify its acceptance of the duties imposed upon it pursuant to the Indenture by depositing with the Trustee a written acceptance of such duties, together with a certificate stating that it is duly qualified to perform such duties under the terms of the Indenture and under all applicable local, state and federal laws.

(c) All Revenues and other moneys held by any Agent under the Indenture may be placed on demand or time deposit, if and as directed by the City, *provided* that such deposits shall permit the moneys so held to be available for use at the time when needed. The City and the Trustee shall not be liable for any loss or depreciation in value resulting from any investment made pursuant to the Indenture. Any such deposit may be made in the commercial banking department of any Agent which may honor checks and drafts on such deposit with the same force and effect as if it were not such Agent. All moneys held by any Agent, as such, may be deposited by such Agent in its banking department on demand or, if and to the extent directed by the City and acceptable to such Agent, on time deposit, *provided* that such moneys on deposit be available for use at the time when needed. Such Agent shall allow and credit on such moneys such interest, if any, as it customarily allows upon similar funds of similar size and under similar conditions or as required by law.

(d) All moneys deposited with the Trustee and each Agent shall be credited to the particular Fund or account to which such moneys belong; *provided, however*, nothing herein contained shall prohibit the City from directing the Trustee or a Agent by a Written Request of the City to make inter-Fund or account transfers of investments at the market value of the investments so transferred, as such market value shall be determined by the City at the time of transfer and set forth in the Written Request. The Trustee shall be entitled to rely on the determination set forth in the Written Request.

Section 10.02. Investment of Funds.

(a) Moneys held in any Fund or account shall be invested and reinvested by the City or the Trustee to the fullest extent practicable in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such Fund or account, subject to the following:

(1) the Trustee shall make such investments only in accordance with written instructions received from an Authorized Officer of the City;

(2) any Supplemental Indenture authorizing a Series of Bonds may impose additional restrictions on moneys held in any Fund or account; and

(3) any Supplemental Indenture authorizing a Series of Bonds may authorize the investment of moneys to be held in any Project Account, Series Subaccount in the Bond Service Account or Series Subaccount in the Debt Service Account created by such Supplemental Indenture and relating to such Series of Bonds in such other investments as may be specified by the Supplemental Indenture.

(b) Subject to any required rebate of earnings on investments in any Fund or account to the United States of America pursuant to Section 148(f) of the Code and except as otherwise provided in a Supplemental Indenture establishing a Project Account or a Series Subaccount: (i) all moneys earned as an investment of moneys in the Construction Fund shall be retained therein; (ii) net income earned on any moneys or investments in the Revenue Fund and the Bond Service Account shall remain in or be transferred to the Revenue Fund; (iii) whenever a Series Subaccount in the Debt Service Reserve Account is in its full required amount, net income earned on any moneys or investments in such Series Subaccount shall be transferred to the corresponding Series Subaccount in the Bond Service Account as provided in Section 5.08(c), otherwise, to be retained therein.

(c) The Trustee shall have no liability or responsibility for any loss or for failure to maximize earnings resulting from any investment made in accordance with the provisions of this Section 10.02. The Trustee shall be entitled to assume, absent receipt by the Trustee of written notice to the contrary, that any investment which at the time of purchase is an Investment Security, remains an Investment Security thereafter.

(d) The Trustee may make any and all investments permitted by the provisions of this Section 10.02 through its own investment department or that of its affiliates. As and when any

amount invested pursuant to this Article X may be needed for disbursement, the Trustee may cause a sufficient amount of such investments to be sold and reduced to cash to the credit of such funds. The City acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory agency grant the City the right to receive brokerage confirmations of security transactions, the City waives receipt of such confirmations. The Trustee shall furnish to the City periodic statements that include detail of all investment transactions made by the Trustee.

Section 10.03. Arbitrage Covenant. The City covenants that moneys on deposit in any Fund, whether or not such moneys were derived from proceeds of sales of Bonds or from any other sources, will not be used in a manner which will cause any Bonds, the interest on which is to be exempt from federal income taxation under the Code, to be “arbitrage bonds” within the meaning of Section 148 of the Code; *provided, however*, that this covenant shall not prevent the issuance of a Series of Bonds the interest on which is subject to Federal income taxation under the Code.

ARTICLE XI

DEFEASANCE

Section 11.01. Discharge of Indebtedness.

(a) If the City shall pay or cause to be paid, or there shall otherwise be paid, subject to any limitations contained in a Supplemental Indenture with respect to a Series of Bonds, to the Holders of all Bonds the Principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture and if all Repayment Obligations owed to Security Instrument Issuers and Reserve Instrument Issuers shall have been paid in full, then the pledge of any Revenues and other moneys, securities and Funds pledged under the Indenture and all covenants, agreements and other obligations of the City to the Bondholders, Security Instrument Issuers and Reserve Instrument Issuers shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the City to be prepared and filed with the City and, upon the request of the City, shall execute and deliver to the City all such instruments as may be desirable to evidence such discharge and satisfaction, and the Agents shall pay over or deliver to the City all moneys or securities held by them pursuant to the Indenture which are not required for the payment of Principal or Redemption Price, if applicable, and interest on Bonds not theretofore surrendered for such payment or redemption. If the City shall pay or cause to be paid, or there shall otherwise be paid, to the Holders of any Outstanding Bonds the Principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in the Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under the Indenture, and all covenants, agreements and obligations of the City to the Holders of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit by the City of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section, unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds. Subject to any further conditions in a Supplemental Indenture with respect to a Series of Bonds, all Outstanding Bonds of any Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section if:

(1) in case any of said Bonds are to be redeemed on any date prior to their maturity, the City shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail as provided in Article IV notice of redemption of such Bonds on said date;

(2) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or noncallable Government Obligations (including any Government Obligations issued or held in book-entry form on the books of the Department of the Treasury of the United States of America) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the Principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be; and

(3) in the event said Bonds are not by their terms subject to redemption within the next succeeding 90 days, the City shall have given the Trustee in form satisfactory to it irrevocable instructions to mail, first class postage prepaid, a notice to the Holders of such Bonds that the deposit required by (2) above has been made with the Trustee and that said Bonds are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the Principal or Redemption Price, if applicable, on said Bonds.

Neither Government Obligations nor moneys deposited with the Trustee pursuant to this Section nor principal or interest payments on any such Government Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the Principal or Redemption Price, if applicable, and interest on said Bonds; *provided* that any cash received from such principal or interest payments on such Government Obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Government Obligations maturing at times and in amounts sufficient to pay when due the Principal or Redemption Price, if applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the City, as received by the Trustee, free and clear of any trust, lien or pledge.

Section 11.02. Unclaimed Moneys. Anything in the Indenture to the contrary notwithstanding, any moneys held by an Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for four years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Agent at such date, or for four years after the date of deposit of such moneys if deposited with the Agent after the said date when such Bonds become due and payable, shall, at the Written Request of the City, be repaid by the Agent to the City, as its absolute property and free from trust, and the Agent shall thereupon be released and discharged with respect thereto and the Bondholders shall look only to the City for the payment of such Bonds.

ARTICLE XII

Whenever, during the term of the Series 2021A Bonds, the beneficial ownership thereof is determined by a book-entry at the Securities Depository, the requirements in the Indenture of holding, delivering or transferring such Series 2021A Bonds shall be deemed modified to require the appropriate person to meet the requirements of the Securities Depository as to registering or transferring the book-entry to produce the same effect. Any provision hereof permitting or requiring delivery of the Series 2021A Bonds shall, while such Series 2021A Bonds are in the Book-Entry System, be satisfied by the notation on the books of the Securities Depository in accordance with applicable state law.

Except as otherwise specifically provided in the Indenture and the Series 2021A Bonds with respect to the rights of Participants and Beneficial Owners, when a Book-Entry System is in effect, the City and the Trustee may treat the Securities Depository (or its nominee) as the sole and exclusive owner of the Series 2021A Bonds registered in its name for the purposes of payment of the Principal or purchase price of and interest on such Series 2021A Bonds or portion thereof to be redeemed or purchased, of giving any notice permitted or required to be given to the Series 2021A Bondholders under the Indenture and of voting, and none of the City and the Trustee shall be affected by any notice to the contrary. None of the City or the Trustee will have any responsibility or obligations to the Securities Depository, any Participant, any Beneficial Owner or any other person which is not shown on the bond register, with respect to (i) the accuracy of any records maintained by the Securities Depository or any Participant; (ii) the payment by the Securities Depository or by any Participant of any amount due to any Beneficial Owner in respect of the Principal amount or redemption or purchase price of, or interest on, any Series 2021A Bonds; (iii) the delivery of any notice by the Securities Depository or any Participant; (iv) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of any of the Series 2021A Bonds; or (v) any other action taken by the Securities Depository or any Participant. The Trustee shall pay all Principal or purchase price of and interest on the Series 2021A Bonds registered in the name of Cede only to or “upon the order of” the Securities Depository (as that

term is used in the Uniform Commercial Code as adopted in Utah and New York), and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the Principal or purchase price of and interest on such Series 2021A Bonds to the extent of the sum or sums so paid.

The Book-Entry System may be discontinued for the Series 2021A Bonds by the Trustee and the City, at the direction and expense of the City, and the City and the Trustee will cause the delivery of Series 2021A Bond certificates to such Beneficial Owners of the Series 2021A Bonds and registered in the names of such Beneficial Owners as shall be specified to the Trustee by the Securities Depository in writing, under the following circumstances:

(A) The Securities Depository determines to discontinue providing its service with respect to the Series 2021A Bonds and no successor Securities Depository is appointed as described above. Such a determination may be made at any time by giving 30 days' notice to the City and the Trustee and discharging its responsibilities with respect thereto under applicable law.

(B) The City determines not to continue the Book-Entry System through a Securities Depository for the Series 2021A Bonds.

When the Book-Entry System is not in effect, all references herein to the Securities Depository shall be of no further force or effect.

Section 211. Representation Letter. The City's execution and delivery of the Representation Letter shall not in any way limit the provisions of Section 210 hereof or in any other way impose upon the City any obligation whatsoever with respect to persons having interests in the Series 2021A Bonds other than the Holders thereof.

Section 212. Partial Payment of Series 2021A Bonds Held by DTC. In the event of a redemption or any other similar transaction necessitating a reduction in aggregate Principal amount of any of the Series 2021A Bonds outstanding, DTC in its discretion: (a) may request the Trustee to issue and authenticate a new Series 2021A Bond certificate, or (b) shall make an appropriate notation on the Series 2021A Bond certificate indicating the date and amounts of such reduction in Principal, except in the case of final maturity in which case the certificate must be presented to the Trustee prior to payment.

Section 213. Payments to Cede. Notwithstanding any other provision of this _____ Supplemental Indenture to the contrary, so long as any Series 2021A Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to Principal of and interest on such Series 2021A Bond and all notices with respect to such Series 2021A Bond shall be made and given, respectively, in the manner provided in the Representation Letter.

* Preliminary; subject to change.

AUTHORIZATION AND PURPOSE OF THE SERIES 2021A BONDS

The Series 2021A Bonds are being issued pursuant to (i) the Local Government Bonding Act, Title 11, Chapter 14, and the Utah Refunding Bond Act, Title 11, Chapter 27, each of the Utah Code Annotated 1953, as amended (the “*Utah Code*”), and other applicable provisions of law (collectively, the “*Act*”), (ii) a resolution adopted by the City Council of the City on August 17, 2021 (the “*Resolution*”), that provides for the issuance and delivery of the Series 2021A Bonds, and (iii) a Master Trust Indenture, dated as of September 1, 2004, as heretofore amended and supplemented (the “*Master Indenture*”), and as further amended and supplemented by a _____ Supplemental Trust Indenture, dated as of October 1, 2021 (the “_____ *Supplemental Indenture*” and, together with the Master Indenture, the “*Indenture*”), each between the City and Zions Bancorporation, National Association, as trustee (the “*Trustee*”). A conformed copy of the Master Indenture is attached hereto as APPENDIX B.

The proceeds from the sale of the Series 2021A Bonds will be used for the purpose of (a) refunding a portion of the City’s currently outstanding (i) Sales Tax Revenue Bonds, Series 2012A (the “*Series 2012A Bonds*”) and (ii) Sales Tax Revenue Bonds, Series 2013B (the “*Series 2013B Bonds*”); (b) refinancing certain lease obligations of the City by exercising the City’s option to purchase certain leased property that was financed by the issuance of the Local Building Authority of Salt Lake City, Utah’s (i) Lease Revenue Bonds, Series 2013A (the “*2013A LBA Bonds*”) and (ii) Lease Revenue Bonds Bonds, Series 2014A (the “*2014A LBA Bonds*”) and (b) paying the costs incurred in connection with the issuance and sale of the Series 2021A Bonds and the refunding of the Refunded Bonds (defined below).

SECURITY AND SOURCE OF PAYMENT

The Series 2021A Bonds will be special limited obligations of the City, payable solely from and secured solely by a pledge of the Revenues and certain funds and accounts pledged therefor in the Indenture. “*Revenues*” means, collectively, all of the revenues received by the City that are produced by:

- (a) local sales and use taxes (the “*Local Sales Taxes*”);
- (b) municipal energy sales and use taxes (the “*Municipal Energy Taxes*”);
- (c) municipal telecommunications license taxes (the “*Telecommunications Taxes*” and, collectively with the Local Sales Taxes and the Municipal Energy Taxes, the “*Pledged Sales and Use Taxes*”);

The term Revenues is used interchangeably herein with the term Pledged Excise Taxes.

No assurance can be given that the Revenues will remain sufficient for the payment of the Principal or interest on the Series 2021A Bonds and the City is limited by contract or by State law in its ability to increase the rate of the Pledged Excise Taxes. The Series 2021A Bonds do not constitute a general obligation indebtedness or a pledge of the ad valorem taxing power or the full faith and credit of the City, and are not obligations of the State or any other agency or other political subdivision or entity of the State. See “SECURITY FOR THE SERIES 2021A BONDS” herein.

The City currently levies the Pledged Excise Taxes at the maximum rates permitted by State law. In general, the Pledged Sales and Use Taxes are collected by the Utah State Tax Commission (the “*Tax Commission*”) and distributed to the City and all other counties and municipalities in the State on a monthly basis. The Pledged Franchise Fees are collected by the applicable franchisee and distributed to the City as required by contract or ordinance. See “SECURITY FOR THE SERIES 2021A BONDS – Pledged Excise Taxes” and “RISK FACTORS” herein for additional information.

THE SERIES 2021A BONDS

GENERAL

The Series 2021A Bonds will be dated the date of delivery thereof and will bear interest from that date (calculated on the basis of a 360-day year consisting of twelve 30-day months), payable semiannually on April 1 and October 1 of each year (each an "*Interest Payment Date*" and, collectively, the "*Interest Payment Dates*"), commencing _____1, 2021. The Series 2021A Bonds will mature on the dates and in the amounts and will bear interest at the rates set forth on the cover page of this Official Statement.

The Series 2021A Bonds are issuable as fully-registered bonds, without coupons, and when initially issued will be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Series 2021A Bonds. The Series 2021A Bonds will be issued in the denomination of \$5,000 and any whole multiple thereof. So long as the book-entry only system is in effect, purchases of beneficial ownership interests in the Series 2021A Bonds will be made in book-entry form only, in the principal amount of \$5,000 and any whole multiple thereof. See "APPENDIX E – PROVISIONS REGARDING BOOK-ENTRY ONLY SYSTEM."

The Series 2021A Bonds are special limited obligations of the City, payable solely from the proceeds of the Series 2021A Bonds, the Revenues, moneys, securities and funds pledged therefor in the Indenture. The Revenues consist of the Pledged Excise Taxes. No assurance can be given that the Revenues will remain sufficient for the payment of the Principal or interest

on the Series 2021A Bonds and the City is limited by State law in its ability to increase the rate of the Pledged Excise Taxes. See “RISK FACTORS” herein. The Series 2021A Bonds do not constitute a general obligation indebtedness or a pledge of the ad valorem taxing power or the full faith and credit of the City, and are not obligations of the State or any other agency or other political subdivision or entity of the State. See “SECURITY FOR THE SERIES 2021A BONDS” herein.

BOOK-ENTRY ONLY SYSTEM

The Series 2021A Bonds originally will be issued solely in book-entry form to DTC or its nominee, Cede & Co., to be held in DTC’s book-entry only system. So long as such Series 2021A Bonds are held in the book-entry only system, DTC or its nominee will be the Registered Owner or Holder of such Series 2021A Bonds for all purposes of the Indenture, the Series 2021A Bonds and this Official Statement. For a description of the book-entry only system, see “APPENDIX E – PROVISIONS REGARDING BOOK-ENTRY ONLY SYSTEM.”

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, the Series 2021A Bonds will be printed and delivered and will be governed by the provisions of the Indenture with respect to payment of Principal and interest and rights of exchange and transfer.

The City cannot and does not give any assurances that DTC participants or others will distribute payments with respect to the Series 2021A Bonds received by DTC or its nominee as the Registered Owner, or any prepayment or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or that DTC will service and act in the manner described in this Official Statement. For a description of the book-entry only system, see “APPENDIX E – PROVISIONS REGARDING BOOK-ENTRY ONLY SYSTEM.”

PAYMENT OF PRINCIPAL AND INTEREST

The Principal of, premium, if any, and interest on, the Series 2021A Bonds is payable in lawful money of the United States of America. In the event that the book-entry only system has been terminated, Principal of and Redemption Price on the Series 2021A Bonds when due will be payable at the principal corporate trust operations office of the Trustee, or of its successor as Paying Agent for the Series 2021A Bonds. In the event that the book-entry only system has been terminated, payment of interest on the Series 2021A Bonds will be paid by check or draft mailed on an Interest Payment Date to the Registered Owner of record as of the close of business on the Record Date at such Owner’s address as it appears on the registration books of the Trustee or at such other address as is furnished in writing by such Registered Owner to the Trustee prior to the Record Date.

REDEMPTION PROVISIONS

Optional Redemption. The Series 2021A Bonds maturing on or after October 1, 20_, are subject to redemption at the election of the City on any date on or after _____ 1, 20_, in

whole or in part (if in part, such Series 2021A Bonds to be redeemed will be selected from such maturities as are determined by the City in its discretion and within each maturity, as selected by the Trustee), upon notice as provided below. Such optional redemption of the Series 2021A Bonds will be at the Redemption Price equal to the principal amount thereof, but without premium, plus accrued interest thereon to the redemption date.

2021 Mandatory Sinking Fund Redemption. The Series 2021A Bonds maturing on October 1, 20__ are subject to mandatory sinking fund redemption prior to maturity at a price equal to the principal amount thereof, together with interest thereon accrued to the date of redemption. The Indenture requires funds to be provided on the dates and in the amounts set forth in the following table:

OCTOBER 1 OF THE YEAR	MANDATORY REDEMPTION AMOUNT
--------------------------	--------------------------------

\$

*

* Stated Maturity

In determining the amount of any mandatory redemption installment due on any date specified above, there shall be deducted the principal amount of any Series 2021A Bonds which have been redeemed or purchased on a date not less than 30 days preceding the date on which such mandatory redemption installment is due from moneys accumulated in the Bond Service Account with respect to such mandatory redemption installment. Upon any purchase or redemption of the Series 2021A Bonds, there will be credited toward the mandatory sinking fund redemption installments thereafter to become due such amount as may be designated by the City in a Written Request delivered to the Trustee.

Partial Redemption. Upon surrender of a Series 2021A Bond redeemed in part, the City will execute and the Trustee (or any Transfer Agent) will authenticate and deliver to the Holder thereof a new Series 2021A Bond or Series 2021A Bonds in the denomination of \$5,000 and any whole multiple thereof equal in Principal amount to the unredeemed portion of the Series 2021A Bond surrendered. So long as the Series 2021A Bonds are held in the book-entry only system, Series 2021A Bonds will not be delivered as set forth above; rather transfers of beneficial ownership of the Series 2021A Bonds to the person indicated will be effected on the registration books of DTC pursuant to its rules and procedures. See “APPENDIX E – PROVISIONS REGARDING BOOK-ENTRY ONLY SYSTEM.”

NOTICE OF REDEMPTION

At least 30 but not more than 60 days prior to each redemption date, the Trustee will mail notice of redemption by first-class mail to each Bondholder at the Holder’s registered address. Unless moneys sufficient to pay the Principal of, and interest on the Series 2021A Bonds to be

redeemed have been received by the Trustee prior to the giving of such notice of redemption, such notice may state that said redemption will be conditioned upon the receipt of such moneys by the Trustee on or prior to the date fixed for redemption. If such moneys are not received, such notice will be of no force and effect, the City will not redeem such Series 2021A Bonds and the Trustee will give notice, in the same manner in which the notice of redemption was given, that such moneys were not so received and that such Series 2021A Bonds will not be redeemed. Neither failure to give any required notice of redemption as to any particular Series 2021A Bonds nor any defect in any notice so mailed will affect the validity of the call for redemption of any Series 2021A Bonds. Any notice mailed as provided in this paragraph will be conclusively presumed to have been given whether or not actually received by the addressee.

Except as otherwise described in the preceding paragraph with respect to a conditional notice of redemption, when notice of redemption is required and given, Series 2021A Bonds called for redemption become due and payable on the redemption date at the applicable redemption price, and in such case when funds are deposited with the Trustee sufficient for redemption, interest on the Series 2021A Bonds to be redeemed ceases to accrue as of the date of redemption.

REGISTRATION, TRANSFER AND EXCHANGE

In the event the book-entry system is discontinued, any Series 2021A Bond may, in accordance with its terms, be transferred, upon the registration books kept by the Trustee, by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Series 2021A Bond for cancellation, or, if applicable, notation of the new Holder together with the signature of the Trustee or any applicable Transfer Agent on the back of such Series 2021A Bond, or on a form of record attached to such Series 2021A Bond for such purpose, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee. No transfer will be effective until entered on the registration books kept by the Trustee.

For every such exchange or transfer of the Series 2021A Bonds, the Trustee or the Transfer Agent will require the payment by the Bondholder requesting such exchange or transfer of any tax or other governmental charge required to be paid with respect to such exchange or transfer of the Series 2021A Bonds.

The City, the Trustee and any Transfer Agent are not required (a) to issue, register the transfer of or exchange any Series 2021A Bond during a period beginning at the opening of business 15 days before the date of mailing of a notice of redemption of the Series 2021A Bonds selected for redemption and ending on the close of business on the day of such mailing, or (b) to register the transfer of or exchange of any Series 2021A Bond so selected for redemption in whole or in part, except the unredeemed portion of the Series 2021A Bonds being redeemed in part.

The City, the Trustee and the Transfer Agent may treat and consider the person in whose name each Series 2021A Bond is registered in the registration books kept by the Trustee as the Holder and absolute owner of such Series 2021A Bond for the purpose of payment of Principal of and interest on such Series 2021A Bond and for all other purposes whatsoever.

SECURITY FOR THE SERIES 2021A BONDS

PLEDGED EXCISE TAXES

The Series 2021A Bonds will be special limited obligations of the City, payable solely from and secured solely by a pledge of the Revenues, or the Pledged Excises Taxes, which consist of the Local Sales Taxes, the Municipal Energy Taxes, the Telecommunications Taxes, the Energy Franchise Fees, the Public Utilities Franchise Fees and the Cable Franchise Fees, each of which is described in more detail below.

Local Sales Taxes. The Local Sales and Use Tax Act, Title 59, Chapter 12, Part 2, Utah Code (the “*Local Sales and Use Tax Act*”), provides that each county, city and town in the State may levy a local sales and use tax of up to 1.00% on the purchase price of taxable goods and services. The legislative intent contained in the Local Sales and Use Tax Act is to provide an additional source of revenues to counties and municipalities that is to be used to finance their capital outlay requirements and to service their bonded indebtedness. The City has levied the Local Sales Taxes at the maximum legal rate of 1.00%.

Sales tax is imposed on the amount paid or charged for sales of tangible personal property in the State and for services rendered in the State for the repair, renovation or installation of tangible personal property. Use tax is imposed on the amount paid or charged for the use, storage or other consumption of tangible personal property in the State, including services for the repair, renovation or installation of such tangible personal property. Sales and use taxes also apply to leases and rentals of tangible personal property if the tangible personal property is in the State, the lessee takes possession in the State or the tangible personal property is stored, used or otherwise consumed in the State.

In addition to the Local Sales Taxes levied by the City, the State levies a statewide sales and use tax (the “*Statewide Tax*”) which is currently imposed at a rate of 4.85% of the purchase price of taxable goods and services, excluding unprepared food and food ingredients. Sales of unprepared food and food ingredients are taxed at a rate of 1.75%. The State also levies a 2.00% tax on sales of natural gas, electricity and fuel oil for residential use. The Statewide Tax is not pledged to payment of the Series 2021A Bonds and is paid to the State.

In addition to the sales and use taxes described above, counties and cities in the State are authorized to impose certain additional sales and use taxes for various purposes as authorized by State law. As of September 1, 2021, the combined sales and use tax levied on taxable goods and services within the City’s boundaries by the State, Salt Lake County and the City is [7.75]% and is comprised of certain of the various sales taxes mentioned in the preceding sentence, the Statewide Tax and the Local Sales Taxes. However, only the 1.00% portion of the revenues derived from the collection of these sales and use taxes makes up the Local Sales Taxes pledged to the payment of the debt service on the Series 2021A Bonds.

Local sales and use taxes, including the Local Sales Taxes, are collected by the Tax Commission and distributed on a monthly basis to each county, city and town. The distributions to the City are based on a formula, which provides that (a) 50% of each dollar of sales tax

collections will be distributed on the basis of the population of the local government and (b) 50% of each dollar of sales tax collections will be distributed on the basis of the point of sale.

For the Fiscal Year Ended June 30, 2019, the City budgeted Local Sales Tax revenues of \$62,950,961 and the City actually received revenues of \$_____. For the Fiscal Year Ended June 30, 2020, the City initially budgeted Local Sales Tax revenues of \$_____, which was subsequently revised to be \$_____, and the City actually received revenues of \$_____. The City budgeted Local Sales Tax revenues of \$_____ for the fiscal year ending June 30, 2021; the City is currently projecting Local Sales Tax revenues of approximately \$_____ for the fiscal year ending June 30, 2021 (which is based on actual collections of \$_____ through_____, 2021).

The City is not legally allowed to provide actual dollar figures of sales and use tax collections by specific businesses. However, during the Fiscal Year Ended June 30, 2020, of the top 50 businesses, only [eight] of such businesses generated at least 1% of the total Local Sales Taxes collected in the City. Together, these [eight] businesses generated__% of the Local Sales Tax revenues generated in the City. No single business accounted for more than__% of the City's total Local Sales Tax revenues. The five largest industry segments collecting the sales and use taxes include automotive, eating and drinking, grocery stores, non-durable goods and retail/miscellaneous.

Municipal Energy Taxes. The Municipal Energy Sales and Use Tax Act, Title 10, Chapter 1, Part 3, Utah Code (the "*Municipal Energy Tax Act*") authorizes cities or towns to levy a municipal sales and use tax of up to 6% of the sale or use of taxable energy. The municipal energy sales and use tax is levied on the value of the sale or use of gas and electricity (including the value of the energy and the costs typically incurred in providing such energy in usable form to the customer). Certain limited transactions are exempted from the tax.

The sale or use of all taxable energy within the City is being taxed at the maximum rate of 6% under the Municipal Energy Tax Act.

Municipal energy sales and use taxes, including the Municipal Energy Taxes, are collected by the Tax Commission and transferred (less certain administrative fees) monthly to each city or town based on the point of sale or the point of use. Under certain circumstances, municipal energy sales and use taxes may be collected by the energy supplier and distributed directly to the applicable city or town. Under the applicable franchise agreement, Energy Franchise Fees are collected by the applicable energy provider and distributed to the City each month.

For the Fiscal Year Ended June 30, 2019, the City budgeted Municipal Energy Tax revenues of \$6,005,845 and the City actually received \$_____ of such revenues. For the Fiscal Year Ended June 30, 2020, the City budgeted Municipal Energy Tax revenues of \$_____, [which was subsequently revised to be \$_____], and the City actually received \$_____ of such revenues. The City budgeted Municipal Energy Tax revenues of \$_____ for the fiscal year ending June 30, 2021; the City is currently projecting Municipal Energy Tax revenues of approximately \$_____ for the fiscal year ending June 30, 2021 (which is based on actual collections of \$_____ through_____, 2021).

Telecommunications Taxes. The Municipal Telecommunications License Tax Act, Title 10, Chapter 1, Part 4, Utah Code (the “*Municipal Telecommunications Tax Act*”), provides that a city or town may levy on and provide that there is collected from a telecommunications provider a municipal telecommunications license tax on the telecommunications provider’s gross receipts that are attributed to such city or town. The gross receipts from a telecommunication service are attributable to a municipality if the gross receipts are for telecommunication service that is located within the municipality. The City collects the Telecommunications Taxes at the maximum legal rate of 3.50%.

Telecommunication license taxes, including the Telecommunication Taxes, are collected by the Tax Commission and transferred (less certain administrative fees) monthly to each city or town.

For the Fiscal Year Ended June 30, 2019, the City budgeted Telecommunications Tax revenues of \$5,928,300 and the City actually received \$_____of such revenues. For the Fiscal Year Ended June 30, 2020, the City budgeted Telecommunications Tax revenues of \$_____, [which was subsequently revised to be \$_____,] and the City actually received \$_____of such revenues. The City budgeted Telecommunications Tax revenues of \$_____for the fiscal year ending June 30, 2021; the City is currently projecting Telecommunications Tax revenues of approximately \$_____for the fiscal year ending June 30, 2021 (which is based on actual collections of \$_____through_____, 2021).

Public Utilities Franchise Fees. The City requires the Public Utilities Department of the City to pay the City a franchise fee equal to 6% of the gross revenues received by the department from the operation of the public utility. The purpose of the Public Utilities Franchise Fee is to fairly and equally charge for the department’s use of the City’s streets. The Public Utilities Department collects the Public Utilities Franchise Fee in its billing for water, sewer and stormwater services rendered within City limits. The Public Utilities Franchise Fees collected by the Public Utilities Department are paid to the City’s general fund within 45 days after the close of each month.

For the Fiscal Year Ended June 30, 2019, the City budgeted Public Utilities Franchise Fee revenues of \$1,500,000 and the City actually received \$_____of such revenues. For the Fiscal Year Ended June 30, 2020, the City budgeted Public Utilities Franchise Fee revenues of \$_____, [which was subsequently revised to be \$_____,] and the City actually received \$_____of such revenues. The City budgeted Public Utilities Franchise Fee revenues of \$_____for the fiscal year ending June 30, 2021; the City is currently projecting Public Utilities Franchise Fee revenues of approximately \$_____for the fiscal year ending June 30, 2021 (which is based on actual collections of \$_____through_____, 2021).

Cable Franchise Fees. The City requires that grantees of a cable franchise within the City pay a franchise fee equal to 5% of the gross revenues received from the operation of the cable system. Cable Franchise Fees are calculated on a quarterly basis and are due and payable 90 days after the close of the quarter. Any Cable Franchise Fees that have not been paid when due shall bear interest at a rate of 18% per year until paid. The City may request an audit of a grantee’s full billing records.

For the Fiscal Year Ended June 30, 2019, the City budgeted Cable Franchise Fee revenues of \$1,500,000 and the City actually received \$_____ of such revenues. For the Fiscal Year Ended June 30, 2020, the City budgeted Cable Franchise Fee revenues of \$_____, which was subsequently revised to be \$_____, and the City actually received \$_____ of such revenues. The City budgeted Cable Franchise Fee revenues of \$_____ for the fiscal year ending June 30, 2021; the City is currently projecting Cable Franchise Fee revenues of approximately \$_____ for the fiscal year ending June 30, 2021 (which is based on actual collections of \$_____ through_____, 2021).

Unpaid Pledged Sales and Use Taxes. A sales and use tax, including the Pledged Sales and Use Taxes, due and unpaid constitutes a debt due from the vendor and may be collected, together with interest, penalty, and costs, by appropriate judicial proceeding within three years after the vendor is delinquent. Furthermore, if a sales and use tax is not paid when due and if the vendor has not followed the procedures to object to a notice of deficiency, the Tax Commission may issue a warrant directed to the sheriff of any county commanding the sheriff to levy upon and sell the real and personal property of a delinquent taxpayer found within such county for the payment of the tax due. The amount of the warrant shall have the force and effect of an execution against all personal property of the delinquent taxpayer and shall become a lien upon the real property of the delinquent taxpayer in the same manner as a judgment duly rendered by any district court.

STATE PLEDGE OF NONIMPAIRMENT

In accordance with Section 11-14-307, Utah Code, the State pledges and agrees with the Holders of the Series 2021A Bonds that it will not alter, impair or limit the Pledged Excise Taxes in a manner that reduces the amounts to be rebated to the City which are devoted or pledged for the payment of the Series 2021A Bonds until the Series 2021A Bonds, together with applicable

interest, are fully met and discharged; *provided, however*, that nothing shall preclude such alteration, impairment or limitation if and when adequate provision shall be made by law for the protection of the Holders of the Series 2021A Bonds.

The City notes that this provision has not been interpreted by a court of law and, therefore, the City cannot predict the extent that such provision would (a) be upheld under constitutional or other legal challenge, (b) protect the current rates and collection of all Pledged Excise Taxes, or (c) impact any other aspect of Pledged Excise Taxes.

FLOW OF FUNDS

To secure the timely payment of the Principal of and interest on the Series 2021A Bonds, the City has pledged and assigned to the Trustee the Revenues and all moneys in the funds and accounts (except the Rebate Fund, if any) established by the Indenture. The Indenture establishes a Principal and Interest Fund, to be held by the Trustee and a Revenue Fund to be held by the City and certain other funds and accounts.

In general, the Indenture requires that all Revenues be deposited into the Revenue Fund and that the City transfer, on or before the last Business Day of each month, from the Revenue Fund (a) first, the amount, if any, required so that the balance in each of the Series Subaccounts in the Bond Service Account equals the Accrued Debt Service on the related Series of Bonds and (b) second, the amount, if any, required to be deposited into the Series Subaccounts in the Debt Service Reserve Account. Following such deposits, the City is to retain in the Revenue Fund the amount estimated to be required for deposits described in (a) and (b) above in the next succeeding month. Any remaining Revenues may be used by the City, free and clear of the lien of the Indenture. For a more detailed description of application of Revenues under the Indenture see “APPENDIX B – MASTER TRUST INDENTURE – Section 5.05. Revenues; Revenue Fund” and “– Section 5.06. Flow of Funds.”

NO DEBT SERVICE RESERVE

General. The Indenture requires the establishment of a separate Series Subaccount in the Debt Service Reserve Account for each Series of Bonds, including each Series of the Series 2021A Bonds. The Supplemental Indenture relating to each Series of Bonds is required to specify the Debt Service Reserve Requirement for the applicable Series of Bonds that is to be on deposit in the related Series Subaccount. Each Series Subaccount in the Debt Service Reserve Account secures only the related Series of Bonds. For more information regarding the Debt Service Reserve Account see “APPENDIX B – MASTER TRUST INDENTURE – Section 5.08. Principal and Interest Fund - Debt Service Reserve Account.”

Bonds. Although the _____ Supplemental Trust Indenture creates a Series 2021A Debt Service Reserve Subaccount, the Series 2021A Debt Service Reserve Requirement is equal to \$-0- and no amounts will be on deposit in the Series 2021A Debt Service Reserve Subaccount as a reserve for the Series 2021A Bonds.

OUTSTANDING PARITY BONDS

When the Series 2021A Bonds are issued, the Outstanding Parity Bonds will also be outstanding under the Master Indenture in the aggregate principal amount of \$_____ (which amount excludes the Refunded Bonds). The Series 2021A Bonds, the Outstanding Parity Bonds and any Additional Bonds are equally and ratably secured under the terms of the Master Indenture.

ADDITIONAL BONDS

Whenever the City determines to issue any Additional Bonds under the Indenture, the following requirements must be met:

(a) The City must execute and deliver to the Trustee (among other things) the following documents:

(i) a Written Certificate of the City setting forth the Principal amount of the Additional Bonds, the Debt Service for each Fiscal Year of such Additional Bonds and the Aggregate Debt Service for all Outstanding Bonds, including the Additional Bonds being issued; and

(ii) a Written Certificate of the City demonstrating (A) in the case of Additional Bonds issued to finance a Project, that the Revenues for any Year within the 24 calendar months next preceding the authentication and delivery of the Additional Bonds proposed to be issued are equal to or greater than 200% of the Maximum Annual Debt Service on all Outstanding Bonds upon the issuance of the Additional Bonds proposed to be issued; or (B) in the case of Additional Bonds issued to refund Bonds issued under the Indenture, either (I) that the Aggregate Debt Service on the Additional Bonds being issued to refund prior Bonds is no greater than 100% of the Aggregate Debt Service on the Bonds being refunded for each Fiscal Year to and including the schedule of final maturity of the Bonds being refunded, or (II) that the Revenues are equal to or greater than 200% of the Maximum Annual Debt Service on all Bonds Outstanding upon the issuance of the refunding Bonds; and

(b) The proceeds of Additional Bonds issued under the Indenture must be used to (i) refund Bonds issued under the Indenture or other obligations of the City or its Local Building Authority (including the funding of necessary reserves and the payment of costs of issuance) and/or (ii) to finance or refinance a Project.

The City may, in determining the Maximum Annual Debt Service on all Outstanding Bonds and in accordance with the terms of the Indenture, reduce the Debt Service on any Series of Bonds for any Fiscal Year by (1) the amount of capitalized interest available to pay interest on such Bonds in such Fiscal Year and (2) the Special Revenues (defined below) pledged to pay such Debt Service in an amount equal to either (x) the average of the Special Revenues received by the City for the past three Fiscal Years or (y) 75% of the Special Revenues received by the City for the immediately preceding Fiscal Year, each as reflected in the applicable audited financial

statements of the City filed with the Trustee; provided however, the Special Revenues applied in either (x) or (y) above to reduce the Debt Service on a Series of Bonds for a particular Fiscal Year are not to exceed the Debt Service on such Series of Bonds for said Fiscal Year. "*Special Revenues*," as defined in the Master Indenture, means any legally available moneys or income from an enterprise of the City or any other source available to the City that are pledged to the payment of one or more Series of Bonds as provided in a Supplemental Indenture. If Special Revenues are to be used in connection with the determination of Maximum Annual Debt Service, then the City is to deliver to the Trustee (a) confirmation from each Rating Agency then maintaining a rating on any Outstanding Bonds that the pledge of Special Revenues will not result in the reduction or withdrawal of any rating on any Outstanding Bonds and (b) an Opinion of Bond Counsel of nationally recognized standing in the field of law relating to municipal bonds to the effect that such pledge of Special Revenues will not adversely affect the tax-exempt status of any Bonds then Outstanding. No Outstanding Bonds are currently secured by a pledge of Special Revenues.

TOTAL ⁽²⁾				

* Preliminary; subject to change.

(1) After giving effect to the refunding of the Refunded Bonds. Includes principal and interest.

(2) Totals may not add due to rounding.

Based on the average amount of the Pledged Excise Taxes actually received by the City over the past 5 fiscal years (\$_____), and the anticipated maximum total debt service shown above (\$_____), the average amount of the Pledged Excise Taxes received by the City is _____ times the maximum total debt service. See "SECURITY FOR THE SERIES 2021A BONDS – Pledged Excise Taxes" herein.

RISK FACTORS

The purchase of the Series 2021A Bonds involves certain investment risks. Accordingly, each prospective purchaser of the Series 2021A Bonds should make an independent evaluation of all of the information presented in this Official Statement in order to make an informed investment decision. Certain of these risks are described below; *however*, it is not intended to be a complete representation of all the possible risks involved.

UNCERTAINTY OF REVENUES

The amount of Pledged Excise Taxes to be collected by the City is dependent on a number of factors beyond the control of either the City or the State, including, but not limited to, current economic conditions and weather patterns. Any one or more of these factors could result in the City receiving less Pledged Excise Tax revenues than anticipated. For example, during periods in which economic activity declines, Local Sales Taxes are likely to decline as compared to an earlier year. In addition, Pledged Excise Taxes are dependent on the volume of the transactions subject to the tax. From time to time, proposals have been made by the Utah State Legislature to remove certain types of purchases from the sales and use taxes or to change the method of distributing the sales and use taxes. See “SECURITY FOR THE SERIES 2021A BONDS —State Pledge of Nonimpairment” above. In addition, the State (like many other states) has recognized the potential reduction in sales tax revenues as a result of purchases made through the internet and other non-traditional means. The City cannot predict what impact these items may have on the Pledged Excise Taxes it receives.

THE SERIES 2021A BONDS ARE LIMITED OBLIGATIONS

The Series 2021A Bonds are special limited obligations of the City, payable solely from the Revenues, moneys, securities and funds pledged therefor in the Indenture. The Series 2021A Bonds do not constitute general obligation indebtedness or a pledge of the ad valorem taxing power or the full faith and credit of the City, and are not obligations of the State or any other agency or other political subdivision or entity of the State. The City will not mortgage or grant any security interest in the improvements refinanced with the proceeds of the Series 2021A Bonds or any portion thereof to secure payment of the Series 2021A Bonds.

LIMITATION ON INCREASING RATES FOR PLEDGED EXCISE TAXES

The City currently either levies the maximum tax rate (taking into account any credit for franchise fees) allowed under State law for all component taxes making up the Pledged Excise Taxes or is limited by contract and by State law in its ability to increase franchise fees. No assurance can be given that the Pledged Excise Taxes will remain sufficient for the payment of the Principal or interest on the Series 2021A Bonds and the City is limited by State law in its ability to increase the rate of such Pledged Excise Taxes.

POSSIBLE USE OF SPECIAL REVENUES TO MEET ADDITIONAL BONDS TEST; RELIANCE ON RATING AGENCIES

In determining the Maximum Annual Debt Service for purposes of meeting the coverage requirements under the Indenture in order to issue Additional Bonds, the City, at its option, may apply Special Revenues up to a certain amount as an assumed reduction in Debt Service on an Outstanding Series of Bonds. See “THE SERIES 2021A BONDS – Additional Bonds” herein. As a condition (among others) to including Special Revenues for this purpose, each Rating Agency then maintaining a rating on any Outstanding Bonds must confirm the rating on the Outstanding Bonds. Owners of the Series 2021A Bonds will be relying on Rating Agencies’ approval with respect to the inclusion by the City of Special Revenues in the determination of Maximum Annual Debt Service with respect to any future Additional Bonds, if such Special Revenues are pledged to such Bonds. Additionally, the inclusion of Special Revenues could potentially dilute the coverage ratio of Pledged Revenues to Maximum Annual Debt Service. The City currently has no plans to apply Special Revenues for a Series of Bonds.

THE CITY

CITY OFFICIALS

The City has a Council-Mayor form of government. The City Council consists of seven members, who are elected by voters within seven geographic districts of approximately equal population. The Mayor is elected at large by the voters of the City and is charged with the executive and administrative duties of the government.

The seven-member, part-time City Council is charged with the responsibility of performing the legislative functions of the City. The City Council performs three primary functions: it passes laws for the City, adopts the City budget and provides administrative oversight by conducting management and operational audits of City departments.

Term information concerning the Mayor and the members of the City Council is set forth below:

CITY ADMINISTRATION

The offices of Chief of Staff, City Attorney, City Recorder and City Treasurer are appointive offices.

Rachel Otto, Chief of Staff, before becoming Mayor Mendenhall's chief of staff in November 2019, worked as Government Relations Director for the Utah League of Cities and Towns. In that capacity, she developed policy and advocated for local government at the Utah State Legislature. Rachel, trained as an attorney, also served as a deputy city attorney for West Jordan, assistant city attorney for South Jordan, and worked in private practice for several years after graduating from the University of Utah's College of Law in 2008.

Katherine N. Lewis, City Attorney, was appointed as the Salt Lake City Attorney in January 2020. Ms. Lewis received her law degree from the University of Utah S.J. Quinney College of Law in 2007 and received her undergraduate degree from Colorado State University in 2001. Ms. Lewis was a Senior City Attorney in the Salt Lake City Attorney's Office from 2013-2020 prior to being appointed the City Attorney. She worked in private practice at Parsons Behle & Latimer prior to joining the Salt Lake City Attorney's Office.

Cindy Lou Trishman, City Recorder, was appointed on June 3, 2020. Prior to this position, Ms. Trishman was employed by the Salt Lake City Council. Her duties included team management, inauguration and transition of newly elected officials, elected official vacancy coordination, enhancing government transparency efforts and building process improvements. Ms. Trishman holds a Bachelor of Science degree in Business and English.

Marina Scott, City Treasurer, was appointed to her position on June 4, 2013. From December 2006 until her appointment, Ms. Scott was Deputy Treasurer for the City; and from September 2005 until December 2006 she served as an Accountant III for the Public Services Department. Ms. Scott holds a Bachelor of Science degree in Accounting, and a Master of Professional Accountancy from Weber State University. She also holds a Master of Arts in Library and Information Science from Vilnius State University.

CITY FUND STRUCTURE; ACCOUNTING BASIS

The accounts of the City are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance or net assets, revenues, and expenditures or expenses. The various funds are grouped by type in the basic financial statements.

Revenues and expenditures are recognized using the modified accrual basis of accounting in all governmental funds. Revenues are recognized in the accounting period in which they become both measurable and available. "Measurable" means that amounts can be reasonably

determined within the current period. “Available” means that amounts are collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The City uses 60 days as a cutoff for meeting the available criterion. Property taxes are considered “measurable” when levied and available when collected and held by Salt Lake County. Any amounts not available are recorded as deferred revenue. Franchise taxes are considered “measurable” when collected and held by the utility company, and are recognized as revenue at that time. Other revenues that are determined to be susceptible to accrual include grants-in-aid earned and other intergovernmental revenues, charges for services, interest, assessments, interfund service charges, and proceeds of the sale of property. Property taxes and assessments are recorded as receivables when assessed; *however*, they are reported as deferred revenue until the “available” criterion has been met. Sales and use taxes collected by the State and remitted to the City within the “available” time period are recognized as revenue. Revenues collected in advance are deferred and recognized in the period to which they apply.

In proprietary funds, revenues and expenses are recognized using the accrual basis of accounting. Revenues are recognized in the accounting period in which they are earned and become measurable and expenses are recognized in the period incurred.

FINANCIAL CONTROLS

The City utilizes a computerized financial accounting system which includes a system of budgetary controls. State law requires budgets to be controlled by individual departments, but the City also maintains computerized control by major categories within departments. These computerized controls are such that a requisition cannot be entered into the purchasing system unless the appropriated funds are available. The system checks for sufficient funds again, prior to the purchase order being issued, and again before the payment check is issued. Voucher payments are also controlled by the computer for sufficient appropriations.

BUDGET AND APPROPRIATION PROCESS

The budget and appropriation process of the City is governed by the Uniform Fiscal Procedures Act for Utah Cities, Title 10, Chapter 6, of the Utah Code (the “*Fiscal Procedures Act*”). Pursuant to the Fiscal Procedures Act, the budget officer of the City is required to prepare budgets for the General Fund, Special Revenue Funds, Debt Service Funds and Capital Improvement Fund. These budgets are to provide a complete financial plan for the budget (ensuing fiscal) year. Each budget is required to specify, in tabular form, estimates of anticipated revenues and appropriations for expenditures. Under the Fiscal Procedures Act, the total of anticipated revenues must equal the total of appropriated expenditures.

On or before the first regular meeting of the City Council in May of each year, the budget officer is required to submit to the City Council tentative budgets for all funds for the Fiscal Year commencing July 1. Various actual and estimated budget data are required to be set forth in the tentative budgets. The budget officer may revise the budget request submitted by the heads of City departments, but must file these submissions with the City Council together with the tentative budget. The budget officer is required to estimate in the tentative budget the revenue from nonproperty tax sources available for each fund and the revenue from general property taxes

required by each fund. The tentative budget is then provisionally adopted by the City Council, with any amendments or revisions that the City Council deems advisable prior to the public hearings on the tentative budget. After public notice and hearing, the tentative budget is adopted by the City Council, subject to further amendment or revisions by the City Council prior to adoption of the final budget.

Prior to June 30th of each year, the final budgets for all funds are adopted by the City Council. The Fiscal Procedures Act prohibits the City Council from making any appropriation in the final budget of any fund in excess of the estimated expendable revenue of such fund. The adopted final budget is subject to amendment by the City Council during the Fiscal Year. However, in order to increase the budget total of any fund, public notice and hearing must be provided. Intra- and inter-department transfers of appropriation balances are permitted upon compliance with the Fiscal Procedures Act.

The amount set forth in the final budget as the total amount of estimated revenue from property taxes constitutes the basis for determining the property tax levy to be set by the City Council for the succeeding tax year.

INSURANCE COVERAGE

The City is largely self-insured for general liability exposures, except for liability incurred on premises owned, rented, or occupied by the Department of Airports (the "*Airport*"). The City carries Commercial Excess Liability Insurance with \$1,000,000 self-insured retention per occurrence. The Treasurer, Deputy Treasurer, and Chief Financial Officer are each covered under \$10,000,000 public official bonds. The City also has a Government Crime policy covering (1) employee theft with a \$1,000,000 limit and \$20,000 deductible; (2) forgery or alteration with a \$25,000 limit and \$1,000 deductible; (3) theft of money and securities with a \$50,000 limit and \$2,500 deductible; (4) robbery or safe burglary with a \$50,000 limit and \$2,500 deductible; (5) money orders and counterfeit money with a \$50,000 limit and \$2,500 deductible; and (6) computer fraud and funds transfer fraud, each carrying \$1,000,000 limits and \$20,000 deductibles.

The City purchases excess workers' compensation insurance with a \$30,000,000 limit and a \$750,000 self-insured retention per occurrence. The City is self-insured for losses above the limits and below the deductibles. Further, the City is self-insured for unemployment. The Risk Management Fund (an internal service fund) has been established to pay these claims along with health insurance premiums and certain administrative expenses. During the past three fiscal years, there have been no settlements that exceeded the self-insured retentions.

INVESTMENT POLICY

City Policy. It is the policy of the City to invest public funds in accordance with the principles of sound treasury management and in compliance with State and local laws, regulations, and other policies governing the investment of public funds, specifically, according to the terms and conditions of the State Money Management Act of 1974 and Rules of the State Money Management Council as currently amended (the "*Money Management Act*"), and the City's own written investment policy. The following investment objectives, in order of priority, are met when investing public funds: safety of principal, need for liquidity, and maximum yield on investments consistent with the first two objectives.

The City may use investment advisers to conduct investment transactions on its behalf as permitted by the Money Management Act and local ordinance or policy. Investment advisers must be certified by the Director of the Utah State Division of Securities of the Department of Commerce (the "*Director*"). Broker/dealers and agents who desire to become certified dealers must be certified by the Director and meet the requirements of the Money Management Act. Only qualified depositories as certified by Utah's Commissioner of Financial Institutions are eligible to receive and hold deposits of public funds. The State Money Management Council issues a

quarterly list of certified investment advisers, certified dealers, and qualified depositories authorized by State statute to conduct transactions with public treasurers. Transactions involving authorized deposits or investments of public funds may be conducted only through issuers of securities authorized by Section 51-7-11(3) of the Utah Code, qualified depositories included in the current State list, and certified dealers included in the current State list. The City Treasurer must take delivery of all investments purchased, including those purchased through a certified investment adviser. This may be accomplished by the City Treasurer taking physical delivery of the security or delivering the security to a bank or trust company designated by the City Treasurer for safekeeping. The City Treasurer may use a qualified depository bank for safekeeping securities or maintain an account with a money center bank for the purpose of settling investment transactions and safekeeping and collecting those investments.

City policy provides that not more than 25% of total City funds or 25% of the qualified depository's allotment, whichever is less, can be invested in any one qualified depository. Not more than 20% of total City funds may be invested in any one certified out-of-state depository institution. However, there is no limitation placed on the amount invested with the Utah Public Treasurer's Investment Fund ("PTIF") and other money market mutual funds, provided that the overall standards of investments achieve the City's policy objectives.

All funds pledged or otherwise dedicated to the payment of interest on and principal of bonds or notes issued by the City are invested in accordance with the terms and borrowing instruments applicable to such bonds or notes. City policy also provides that the remaining term to maturity of an investment may not exceed the period of availability of the funds invested. The investment of City funds cannot be of a speculative nature.

The City's entire portfolio is currently in compliance with all of the provisions of the Money Management Act.

The Utah Public Treasurers' Investment Fund. The PTIF is a local government investment fund, established in 1981, and managed by the State Treasurer. Currently the City has approximately \$[1.1 billion] on deposit in the PTIF, representing a substantial portion of the City's funds. All investments in the PTIF must comply with the Money Management Act and rules of the State Money Management Council. The PTIF invests primarily in money market securities. Securities in the PTIF include certificates of deposit, commercial paper, short-term corporate notes, obligations of the U.S. Treasury and securities of certain agencies of the federal government. By policy, the maximum weighted average adjusted life of the portfolio is not to exceed 90 days and the maximum final maturity of any security purchased by the PTIF is limited to five years. Safekeeping and audit controls for all investments owned by the PTIF must comply with the Money Management Act.

All securities purchased are delivered versus payment to the custody of the State Treasurer or the State Treasurer's safekeeping bank, assuring a perfected interest in the securities. Securities owned by the PTIF are completely segregated from securities owned by the State. The State has no claim on assets owned by the PTIF except for any investment of State moneys in the PTIF. Deposits are not insured or otherwise guaranteed by the State.

Investment activity of the State Treasurer in the management of the PTIF is reviewed monthly by the State Money Management Council and is audited by the State Auditor.

The information in this section concerning the current status of the PTIF has been obtained from sources the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

EMPLOYEE WORKFORCE AND RETIREMENT SYSTEM; POSTEMPLOYMENT BENEFITS

Employee Workforce and Retirement System. The City currently employs approximately [2,954] full-time employees and approximately [387] hourly and part-time employees for a total employment of approximately [3,341] employees. The City participates in three cost-sharing multiple-employer public employee retirement systems and one multiple-employer agent system which are defined benefit retirement plans covering public employees of the State and employees of participating local governmental entities (the “*Systems*”). The Systems are administered under the direction of the Utah State Retirement Board whose members are appointed by the Governor of the State. See “APPENDIX B – SALT LAKE CITY CORPORATION FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2019 – Notes to Financial Statements – Note 6 – Long-Term Obligations,” “– Note 12 – Pension Plans” and “– Note 13 – Defined Contribution Savings Plans.”

Retirement Liability. The City participates with the Utah Retirement System (“*URS*”). URS is funded and administered by the State. Each year, as approved by the State Legislature, URS sets rates, enacts rules, and implements policies related to the pensions and benefits the City retirees receive. Starting in Fiscal Year 2015, GASB Statement Number 68 requires URS to pass on pension and retirement liability to public entities it serves, including the City. Working with the City’s independent auditors and State specialists, this liability has been recorded on the City’s financial statements for the Fiscal Year ending June 30, 2020 in the amount of \$_____.

No Other Post-Employment Benefits. The City does not offer other post-employment benefits.

FUTURE DEBT PLANS

A special bond election held on November 6, 2018 gave voter authorization to the City to issue up to \$87 million in general obligation bonds to fund all or a portion of the costs of improving various streets and roads throughout the City and related infrastructure improvements. The City currently has approximately \$46,700,000 of authorized, but unissued, bonds from the November 6, 2018 voted authorization, which the City anticipates issuing within the next 5-6 years.

The City will issue approximately \$1.15 billion in additional general airport revenue bonds in the future to complete the \$4.1 billion airport reconstruction program. The reconstruction program is currently expected to be completed by 2024.

Public utilities revenue bonds of approximately \$406 million are expected to be issued over the next seven years to fund the Department of Public Utilities capital improvement program. A major focus of the Department's budget is the rehabilitation and replacement of aging infrastructure. The largest planned projects are the new water reclamation facility to meet regulatory requirements, improvements to three water treatment plants, phased construction of a new water conveyance line to expand service and provide redundancy, and water, sewer and storm water utility infrastructure work necessitated by street improvements projects pursuant to the City's passage of the general obligation bond for that purpose.

The City analyzes the potential value of refunding bond issues, particularly during periods of lower than normal interest rates or on an as needed basis and may issue refunding bonds at such times.

RECENT DEVELOPMENTS {TO BE UPDATED.}

General. Fiscal year 2020 general fund expenses are expected to end very close to budget. Due to COVID-19 and the March 2020 earthquake (see below) there have been unusual and unexpected changes in spending. The administration and City Council have provided additional emergency funding and it is expected that all City departments will be very close to budget at June 30, 2020.

Overall revenue for fiscal year 2020 is projected to be \$5.0 million under budget. Property tax revenues are expected to be higher than budgeted due to an increase in personal property tax collections of \$1.0 million. Total sales tax revenues are approximately \$318,000 under budget. Franchise tax, interest income and fines are under budget due to the COVID-19 pandemic.

Fund balance for the end of fiscal year 2019 was \$67.2 million or 20.85% of total revenues for the year. The City Council and administration have an internal goal to keep the fund balance above 14% of total revenue for each fiscal year. In fiscal year 2018 the total fund balance was \$43.5 million (16.0%) and a conservative fund balance estimate for fiscal year 2020 is \$47.5 million (14.5%).

Fiscal year 2020 budget grew by approximately 10%, an increase of \$28.4 million as compared to the previous year. Major general fund expense increases were \$5.7 million, mostly

associated with salary and benefit cost increases, 66 new positions at a budgeted cost of \$3.4 million, a transfer of 68 police officers from the Salt Lake City International Airport at a cost of \$7.7 million funded by the Airport, \$4.7 million of transportation initiatives funded through a new sales tax and an increase in the transfer to the fleet fund of just over \$4.3 million.

COVID-19. As the regional employment center, tourism destination, and entertainment hub for the State, the City has experienced a significant loss of revenues in the wake of the COVID-19 pandemic. General fund estimated budget to actual losses from March through December 31, 2020 exceed \$14.1 million. The City will incur an estimated \$7.1 million in unbudgeted local expenses in response to this crisis. City revenue analysts are closely monitoring economic indicators and revenue receipts to quickly respond should additional shortfalls become apparent.

In response to the impact of COVID-19, the City implemented a hiring freeze, ceased any planned raises, and made severe cuts to programs. Many departments have been able to successfully implement telework with little to no impact on City services. For those departments with employees who can work remotely, there has been a decrease of expenditures and it is expected that some departments will have expenditures that are under adopted budget. There has been an increased need for first responders, specifically police, fire, dispatch and public services requiring additional costs and overtime.

The City has received an initial installment of \$5.9 million from the Coronavirus Aid, Relief, and Economic Security (CARES) Act funding allocated to the State and/or County and may receive an additional two equal installments of CARES funding in July and October 2020, if there is any funding remaining. It has not yet been determined if the State or the County will provide that support. The maximum subsequent allocations would equate to \$11.6 million if the current formula remains, bringing the total sub-allocation of federal funds to the City to \$17.4 million.

March 2020 Earthquake. On March 18, 2020 a 5.7 magnitude earthquake occurred in the township of Magna (located approximately 15 miles west of the City). This event, as well as subsequent aftershocks caused significant damage to several City buildings, with total damages estimated at approximately \$10,558,600. This projection could change as adjusters and engineers complete their damage assessments and the City begins to receive repair bids. Other financial impacts to the City include unexpected overtime due to increased need for first responders, specifically police, fire, dispatch and public services. The City expects all earthquake-related property damages as well as business interruption expenses to be covered by the City’s property insurance less a \$100,000 deductible. See “–Insurance Coverage” above.

TAX TREATMENT

FEDERAL INCOME TAXATION

Interest on the Series 2021A Bonds is includible in gross income for federal income purposes. Ownership of the Series 2021A Bonds may result in other federal income tax

consequences to certain taxpayers. Bondholders should consult their tax advisors with respect to the inclusion of interest on the Series 2021A Bonds in gross income for federal income tax purposes and any collateral tax consequences.

The City may deposit moneys or securities in escrow in such amount and manner as to cause the Series 2021A Bonds to be deemed to be no longer outstanding under the Indenture (a “*defeasance*”). A defeasance of the Series 2021A Bonds may be treated as an exchange of the Series 2021A Bonds by the holders thereof and may therefore result in gain or loss to the holders. Bond holders should consult their own tax advisors about the consequences if any of such a defeasance. The City is required to provide notice of defeasance of the Series 2021A Bonds as a material event under the Agreement (defined below). The Trustee is also required to provide notice of defeasance to holders in accordance with the Indenture.

UTAH INCOME TAXATION

In the opinion of Bond Counsel, under the existing laws of the State of Utah, as presently enacted and construed, interest on the Series 2021A Bonds is exempt from taxes imposed by the Utah Individual Income Tax Act. Bond Counsel expresses no opinion with respect to any other taxes imposed by the State or any political subdivision thereof. Ownership of the Series 2021A Bonds may result in other state and local tax consequences to certain taxpayers. Bond Counsel expresses no opinion regarding any such collateral consequences arising with respect to the Series 2021A Bonds. Prospective purchasers of the Series 2021A Bonds should consult their tax advisors regarding the applicability of any such state and local taxes.

NO DEFAULTED BONDS

The City has never failed to pay principal and interest when due on any of its bonds, notes or other financial obligations.

CONTINUING DISCLOSURE AGREEMENT

The City will enter into a Continuing Disclosure Agreement (the “*Agreement*”), in substantially the form attached hereto as APPENDIX F, for the benefit of the beneficial owners of the Series 2021A Bonds to send certain information annually and to provide notice of certain events to the Municipal Securities Rulemaking Board pursuant to the requirements of Section (b)(5) of Rule 15c2-12 (the “*Rule*”) adopted by the Securities and Exchange Commission (the “*Commission*”) under the Securities Exchange Act of 1934.

A failure by the City to comply with the Agreement will not constitute a default under the Indenture and beneficial owners of the Series 2021A Bonds are limited to the remedies described in the Agreement. A failure by the City to comply with the Agreement must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Series 2021A Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Series 2021A Bonds and their market price. See “FORM OF CONTINUING DISCLOSURE

AGREEMENT” attached hereto as APPENDIX F for the information to be provided, the events which will be noticed on an occurrence basis and the other terms of the Agreement, including termination, amendment and remedies.

The City has entered into a number of continuing disclosure undertakings pursuant to the Rule with respect to the bonds it has issued and has contracted with a number of dissemination agents to file annual information and notices of certain events on behalf of the City. In the previous five years the City provided its annual financial information and audited financial statements to the applicable dissemination agent in advance of the deadline specified in the applicable continuing disclosure undertaking. Dissemination agents for certain of the City’s bonds filed such information late; however, the information was filed within 10 days of the deadline. Additionally, with respect to certain water and sewer bonds, during the previous five years the City filed the audited financial statements of the City's utilities system, but did not include the audited financial statements of the City. Corrective filings have been made and the City has taken steps to ensure that in the future the City's audited financial statements will be filed for such water and sewer revenue bonds as required.

The City has adopted continuing disclosure policies and procedures to help ensure compliance with its continuing disclosure undertakings.

UNDERWRITING

_____, as underwriter (the “*Underwriter*”), has agreed, subject to certain conditions, to purchase all of the Series 2021A Bonds from the City at an aggregate price of \$_____ (being an amount equal to the par amount of the Series 2021A Bonds, plus original issue premium of \$_____, less an Underwriter’s discount of \$_____) and to make a public offering of the Series 2021A Bonds.

Although the Underwriter expects to maintain a secondary market in the Series 2021A Bonds after the initial offering, no guarantee can be given as to the existence of such a secondary market or its maintenance by the Underwriter or others.

RATING

As of the date of this Official Statement, the Series 2021A Bonds have been rated “___” and “_” by Moody’s Investors Service, Inc. and S&P Ratings, respectively.

Such ratings reflect only the view of such organization and any desired explanation of the significance of such rating should be obtained from the rating agency furnishing the same. Generally, a rating agency bases its rating on the information and materials furnished to it and on investigations, studies and assumptions of its own. There is no assurance such rating will continue for any given period of time or that such rating will not be revised downward or withdrawn entirely by the rating agency providing such rating if, in the judgment of the rating agency, circumstances so warrant. Any such downward revision or withdrawal of such rating may have an adverse effect on the market price of the Series 2021A Bonds.

ESCROW VERIFICATION

_____, _____, _____, Certified Public Accountants, will verify the accuracy of the mathematical computations concerning the adequacy of the maturing principal amounts of and interest earned on the obligations of the United States of America, together with other escrowed moneys, to pay when due pursuant to prior redemption the Principal and Redemption Price of, and interest on, the Refunded Bonds. Such verification shall be based in part upon information supplied by the Underwriter.

MUNICIPAL ADVISOR

The City has entered into an agreement with Stifel, Nicolaus & Company, Incorporated (the "*Municipal Advisor*"), whereunder the Municipal Advisor provides financial recommendations and guidance to the City with respect to preparation for sale of the Series 2021A Bonds, timing of the sale, tax-exempt bond market conditions, costs of issuance and other factors related to the sale of the Series 2021A Bonds. The Municipal Advisor has participated in the preparation of and provided information for certain portions of the Official Statement, but has not audited, authenticated or otherwise verified the information set forth in the Official Statement, or any other related information available to the City, with respect to accuracy and completeness of disclosure of such information, and the Municipal Advisor makes no guaranty, warranty or other representation respecting accuracy and completeness of the Official Statement or any other matter related to the Official Statement.

LEGAL MATTERS

LITIGATION

The City Attorney reports the following matters involving potential financial liability of the City:

Lawsuits are periodically filed against the City and/or its employees, involving tort and civil rights matters. The City has a statutory obligation to defend and indemnify its officers and employees in relation to lawsuits arising from acts or failures to act of the officers or employees while in the scope and course of employment.

The City maintains a governmental immunity fund for claims against the City. In the event the fund is not sufficient to pay any outstanding judgment or judgments, the City has the ability under State law to levy a limited ad valorem tax to pay such judgments. This tax levy is separate and apart from the other taxing powers of the City.

The City also has contract claims, condemnation proceedings and environmental matters, none of which is expected to materially adversely affect the City's financial condition.

A non-litigation certificate or opinion executed by the City Attorney, dated the date of closing, will be provided stating, among other things, that to the best of her knowledge, after due

inquiry, no litigation, with merit, in the State or federal court has been served on the City or is, to the best of her knowledge, threatened, challenging the creation, organization or existence of the City, or the titles of its officers to their respective offices, or seeking to restrain or enjoin the issuance, sale or delivery of the Series 2021A Bonds, or for the purpose of restraining or enjoining the levy and collection of taxes or assessments by the City, or directly or indirectly contesting or affecting the proceedings or the authority by which the Series 2021A Bonds are issued, the legality of the purpose for which the Series 2021A Bonds are issued, or the validity of the Series 2021A Bonds, or the issuance thereof.

APPROVAL OF LEGAL PROCEEDINGS

APPENDIX D

PROPOSED FORM OF OPINION OF BOND COUNSEL

[TO BE PROVIDED.]

APPENDIX E

PROVISIONS REGARDING BOOK-ENTRY ONLY SYSTEM

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Series 2021A Bonds. The Series 2021A Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2021A Bond certificate will be issued for each maturity of the Series 2021A Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“*Direct Participants*”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“*Indirect Participants*”). DTC has a Standard & Poor’s rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2021A Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2021A Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2021A Bond (“*Beneficial Owner*”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2021A Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2021A Bonds, except in the event that use of the book-entry system for the Series 2021A Bonds is discontinued.

To facilitate subsequent transfers, all Series 2021A Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2021A Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2021A Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2021A Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Series 2021A Bonds may wish to take certain steps to augment transmission to them of notices of significant events with respect to the Series 2021A Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2021A Bond documents. For example, Beneficial Owners of the Series 2021A Bonds may wish to ascertain that the nominee holding the Series 2021A Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Series 2021A Bond Registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2021A Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2021A Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an omnibus proxy to the City as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2021A Bonds are credited on the record date (identified in a listing attached to the omnibus proxy).

As long as the book-entry system is in effect, redemption proceeds, distributions, and dividend payments on the Series 2021A Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detailed information from the City or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and

disbursement of such payments to Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2021A Bonds at any time by giving reasonable notice to the City or the Paying Agent. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2021A Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2021A Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but the City takes no responsibility for the accuracy thereof.

7. AMENDMENTS; WAIVER. Notwithstanding any other provision of this Agreement, the City by resolution or ordinance authorizing such amendment or waiver, may amend this Agreement, and any provision of this Agreement may be waived, if:

(a) (i) the amendment or waiver is made in connection with a change in circumstances that arises from a change in legal requirements, including without limitation, pursuant to a “no-action” letter issued by the Commission, a change in law, or a change in the identity, nature, or status of the City, or type of business conducted; or

(ii) this Agreement, as amended, or the provision, as waived, would have complied with the requirements of the Rule at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(b) the amendment or waiver does not materially impair the interests of the beneficial owners of the Series 2021 Bonds, as determined by parties unaffiliated with the City (such as bond counsel).

In the event that the Commission or the MSRB or other regulatory authority shall approve or require Annual Financial Information Disclosure or Reportable Events Disclosure to be made to a central post office, governmental agency or similar entity other than EMMA or in lieu of EMMA, the City shall, if required, make such dissemination to such central post office, governmental agency or similar entity without the necessity of amending this Agreement.

8. TERMINATION OF UNDERTAKING. The Undertaking of the City with respect to the Series 2021 Bonds shall be terminated hereunder if the City shall no longer have any legal liability for any obligation on or relating to repayment of the Series 2021 Bonds under the Indenture. The City shall give notice in a timely manner if this Section is applicable.

discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent.

10. **ADDITIONAL INFORMATION.** Nothing in this Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Financial Information Disclosure or notice of occurrence of a Reportable Event, in addition to that which is required by this Agreement. If the City chooses to include any information from any document or notice of occurrence of a Reportable Event in addition to that which is specifically required by this Agreement, the City shall have no obligation under this Agreement to update such information or include it in any future disclosure or notice of occurrence of a Reportable Event.

11. **BENEFICIARIES.** This Agreement has been executed in order to assist the Participating Underwriters in complying with the Rule; however, this Agreement shall inure solely to the benefit of the City, the Dissemination Agent, if any, and the beneficial owners of the Series 2021 Bonds, and shall create no rights in any other person or entity.

Section 2.11. No event has occurred or is continuing which, with the passage of time or the giving of notice, or both, would constitute a material default or a material event of default under the Indenture, the Continuing Disclosure Undertaking, the LBA Escrow Agreement, the STR Escrow Agreement or this Purchase Contract and would have a material adverse effect on the financial condition of the Issuer, the Pledged Excise Taxes or the transactions contemplated by this Purchase Contract and the Preliminary Official Statement, or would have a material adverse effect on the validity or enforceability in accordance with their respective terms of the Series 2021A Bonds, the Resolution, the Indenture, the LBA Escrow Agreement, the STR Escrow Agreement or the Continuing Disclosure Undertaking or in any way materially adversely affect the existence or any powers of the Issuer or the titles of its officers to their respective positions or the exemption for State individual tax purposes of interest on the Series 2021A Bonds.

If the Official Statement is so supplemented or amended prior to the Closing, such approval by the Underwriter of a supplement or amendment to the Official Statement shall not preclude the Underwriter from thereafter terminating this Purchase Contract, and if the Official Statement is amended or supplemented subsequent to the date hereof and prior to the Closing, the Underwriter may terminate this Purchase Contract by notification to the Issuer at any time prior to the Closing if, in the reasonable judgment of the Underwriter, such amendment or supplement has or will have a material adverse effect on the marketability of the Series 2021A Bonds.

Section 2.16. The Issuer will furnish such information and execute such instruments and take such action in cooperation with the Underwriter, at no expense to the Issuer, as the Underwriter may reasonably request (A) to (i) qualify the Series 2021A Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (ii) determine the eligibility of the Series

Section 2.22. The Issuer agrees and acknowledges that: (i) with respect to the engagement of the Underwriter by the Issuer, including in connection with the purchase, sale and offering of the Series 2021A Bonds, and the discussions, conferences, negotiations and undertakings in connection therewith, the Underwriter (a) is and has been acting as a principal and not an agent or fiduciary of the Issuer and (b) has not assumed an advisory or fiduciary responsibility in favor of the Issuer; (ii) the Issuer has consulted its own legal, financial and other advisors to the extent it has deemed appropriate; and (iii) this Purchase Contract expresses the entire relationship between the parties hereto.

Section 2.25. The Issuer will not, prior to the Closing, offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, except in the ordinary course of business, without the prior approval of the Underwriter.

(ii) the marketability of the Series 2021A Bonds or the market price thereof, or the ability of the Underwriter to enforce contracts for the sale at the initial offering prices set forth in the Official Statement, in the opinion of the Underwriter, have been materially adversely affected by an amendment to the

(iii) in the reasonable judgment of the Underwriter, it is impractical or inadvisable for the Underwriter to market or sell or enforce agreements to sell the Series 2021A Bonds because (A) trading in securities generally shall have been suspended on the New York Stock Exchange, Inc., or a general banking moratorium shall have been established by federal or the State authorities, or (B) the State shall have taken any action, whether administrative, legislative, judicial or otherwise, which would have a material adverse effect on the marketing or sale of the Series 2021A Bonds, including any action relating to the tax-exempt status under State law of the interest to be received by any owner of the Series 2021A Bonds; or (C) the United States shall have become engaged in hostilities which have resulted in a declaration of war or a national emergency or there shall have occurred any other outbreak or escalation of hostilities or a national or international calamity or crises, financial or otherwise, (D) any financial rating assigned to the Bonds or the Issuer by S&P Global Ratings (“*S&P*”), Fitch Ratings (“*Fitch*”), or Moody’s Investors Service, Inc. (“*Moody’s*”), as the case may be, shall have been downgraded, withdrawn, or any other action taken, and such action, in the opinion of the Underwriter, has a material adverse effect on the marketability of the Series 2021A Bonds;

(iv) any litigation shall be instituted, pending or threatened (1) to restrain or enjoin the issuance, sale or delivery of the Series 2021A Bonds, (2) in any way contesting or affecting any authority for or the validity of the Series 2021A Bonds, any of the proceedings of the Issuer or the Trustee taken with respect to the issuance or sale thereof, the pledge, appropriation or application of any moneys or securities provided for the payment of the Series 2021A Bonds, or (3) in any meritorious way contesting or affecting the existence or powers of the Issuer or the Trustee or the titles of their officers to their respective offices;

(v) any event shall have occurred or shall exist which, in the reasonable judgment of the Underwriter, makes or has made untrue or incorrect in any respect any statement or information contained in the Official Statement or is not or was not reflected in the Official Statement but should be or should have been reflected therein in order to make the statements or information contained therein not misleading in any material respect;

(vi) there shall have occurred since the date of this Purchase Contract any materially adverse change in the affairs or financial condition of the Issuer, except for changes which the Official Statement discloses are expected to occur; or

(vii) a material disruption in securities settlement, payment or clearance services shall have occurred.

(c) At or prior to the Closing, the Underwriter shall receive the following:

(i) the approving opinion of Chapman and Cutler LLP, Bond Counsel, dated the Closing Date, in substantially the form attached as *Appendix D* to the Official Statement and an Opinion and Negative Assurance Letter of Chapman and Cutler LLP, as disclosure counsel in the forms attached as *Exhibit B* hereto;

(ii) the approving opinion of Issuer's Counsel, dated the closing date, in the form of *Exhibit C* hereto;

Official Statement relating to the Issuer, its organization and financial and other affairs, and the application of the proceeds of sale of the Series 2021A Bonds are correct in all material respects, as of the date of the Official Statement and as of the Closing Date; (4) such descriptions and information, as of the date of the Official Statement did not, and as of the Closing Date do not, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in the light of the circumstances under which they were made, not misleading; (5) no event affecting the Issuer has occurred since the date of the Official Statement that should be disclosed in the Official Statement for the purpose for which it is to be used or that is necessary to be disclosed therein in order to make the statements and information therein not misleading in any material respect; (6) the Indenture, the Continuing Disclosure Undertaking, the LBA Escrow Agreement, the STR Escrow Agreement and this Purchase Contract have been duly authorized, executed and delivered by the Issuer and, assuming due authorization, execution and delivery by the other parties thereto, based upon the advice of the City Attorney's office, the Indenture, the Continuing Disclosure Undertaking, the LBA Escrow Agreement, the STR Escrow Agreement and this Purchase Contract constitute legal, valid and binding agreements of the Issuer enforceable in accordance with their respective terms except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights and by the availability of equitable remedies; (7) the Resolution authorizing the execution and delivery of the Indenture, the Continuing Disclosure Undertaking, the LBA Escrow Agreement, the STR Escrow Agreement and this Purchase Contract has been duly adopted and has not been modified, amended or repealed except as described in the Official Statement; and (8) the execution and delivery of the Indenture, Continuing Disclosure Undertaking, the LBA Escrow Agreement, the STR Escrow Agreement and this Purchase Contract and compliance with the provisions thereof, under the circumstances contemplated thereby, do not and will not in any material respect conflict with or constitute on the part of the Issuer a breach of or default under any indenture, mortgage, deed of trust, agreement or other instrument to which the Issuer is a party or any law, public administrative rule or regulation, court order or consent decree to which the Issuer is subject;

(iv) copies of each of the Resolution, the Indenture, the LBA Escrow Agreement, the STR Escrow Agreement and the Continuing Disclosure Undertaking, duly executed by each of the parties thereto;

FORM OF OPINION OF ISSUER'S COUNSEL

Chapman and Cutler LLP
215 South State Street, Suite 800
Salt Lake City, Utah 84111

Ladies and Gentlemen:

I am the City Attorney of Salt Lake City, Utah (the “City”), in connection with the issuance, sale and delivery of the City’s Federally Taxable Sales and Excise Tax Revenue Refunding Bonds, Series 2021A (the “*Series 2021A Bonds*”). For purposes of this opinion, capitalized terms used herein and not defined have the meanings assigned to them in the Master Trust Indenture, dated as of September 1, 2004, as heretofore amended and supplemented (the “*Master Indenture*”), between the City and Zions Bancorporation, National Association, as trustee (the “*Trustee*”), and as further amended and supplemented by a _____ Supplemental Trust Indenture, dated as of October 1, 2021 (the “_____ *Supplemental Indenture*” and, collectively with the Master Indenture, the “*Indenture*”).

I, or others in this office under my supervision, have examined Resolution No. of 2021 adopted by the City Council of the City (the "*City Council*") on August 17, 2021 (the "*Resolution*") providing for the issuance of the Series 2021A Bonds, that certain Certificate of Determination, dated _____, 2021, and such other documents and records of the City and any other papers as I or they have deemed relevant and necessary as the basis for the opinions hereinafter set forth. In this connection, I or they have examined fully executed counterparts of such documents, original or photostatic or certified copies of records of the City, certificates or letters of officers of the City and certificates of certain public officials. In such examination, I or

they have assumed the genuineness and authenticity of all documents submitted to me or us as originals and the conformity to original documents of documents submitted to me or us as certified or photostatic copies. I or they have relied upon such certificates of public officials and such certificates of officers of the City with respect to the accuracy of factual matters contained therein as I or they have deemed relevant and necessary as a basis for the opinions hereinafter set forth and I or they know of no reason why I or they should not rely thereon. All references herein to agreements, instruments, documents, laws, statutes, regulations, orders, writs, decrees and injunctions are as of the date hereof. Based upon the foregoing, I am of the opinion that:

1. The City has been duly and validly created as a municipality and public body corporate and politic existing under the laws of the State of Utah, with full power and authority (a) to enter into, execute and deliver the Indenture, the Continuing Disclosure Agreement of the City dated as of the date hereof (the "*Continuing Disclosure Agreement*"); the Escrow Agreement, dated as of October 1, 2021 (the "*LBA Escrow Agreement*"), between the City [, the Local Building Authority of Salt Lake City, Utah] and U.S. Bank National Association, as escrow agent; the Escrow Agreement, dated as of October 1, 2021 (the "*STR Escrow Agreement*"), between the City and Zions Bancorporation, National Association, as escrow agent; and the Bond Purchase Contract, dated _____, 2021, entered into by and between the City and _____ (the "*Purchase Contract*"); and (b) to perform its obligations under the Indenture, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement and the Purchase Contract and to authorize and issue, sell and deliver the Series 2021A Bonds.

2. The officials of the City named in the Preliminary Official Statement relating to the Series 2021A Bonds, dated _____, 2021 (the "*Preliminary Official Statement*") and the Official Statement relating to the Series 2021A Bonds, dated _____, 2021 (the "*Official Statement*"), have been duly elected or appointed and are as of the date hereof, qualified to serve in their respective positions.

3. The City Council has duly adopted the Resolution authorizing the execution, issuance and delivery of the Series 2021A Bonds, the Indenture, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement and the Purchase Contract, and the Series 2021A Bonds, the Indenture, the Purchase Contract, LBA Escrow Agreement, the STR Escrow Agreement and the Continuing Disclosure Agreement have each been duly authorized, executed and delivered by the City and assuming due authorization, execution and delivery by the other parties, if any, thereto, all such instruments constitute valid and binding limited obligations of the City enforceable in accordance with their respective terms except as the enforceability thereof may be limited by bankruptcy, insolvency, moratorium, or other laws affecting creditors' rights generally or usual equity principles in the event equitable remedies are sought.

4. The Indenture creates a valid lien and charge against the Revenues and other funds and accounts created under the Indenture and pledged for the benefit of the payment of the Series 2021A Bonds.

5. The execution and delivery of the Indenture, the Series 2021A Bonds, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement and the Purchase Contract by the City and compliance with the provisions thereof will not conflict with or constitute

a material breach or material default under any applicable law, administrative regulation, court order or consent decree of the State of Utah or, to my knowledge, of the United States of America or of any department, division, agency or instrumentality of either or any ordinance, agreement, note, resolution, indenture or other instrument of which I have knowledge to which the City is a party or by which it is bound.

6. To the best of my knowledge, after due inquiry, there is no amendment or proposed amendment certified for placement on a statewide ballot to the Constitution of the State of Utah that would materially adversely affect the Series 2021A Bonds or any holder thereof in his capacity as such or the ability of the City to perform its obligations under the Indenture, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement or the Purchase Contract.

7. All approvals, consents and orders of any governmental entity, authority, board, agency or commission having jurisdiction that would constitute conditions precedent to the performance by the City of its obligations under the Indenture, the Series 2021A Bonds, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement or the Purchase Contract have been obtained.

8. To the best of my knowledge after due inquiry, except as disclosed in the Preliminary Official Statement and the Official Statement, no litigation in the State of Utah or federal court has been served on the City or is threatened: (a) in any way affecting the existence of the City or contesting or affecting the validity or authority for the issuance of the Series 2021A Bonds or the refunding of the Refunded Bonds or seeking to restrain or enjoin the issuance or delivery of the Series 2021A Bonds or the transactions contemplated in the Official Statement and the Indenture; (b) contesting the validity of the Indenture, the Series 2021A Bonds, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement or the Purchase Contract; (c) contesting or affecting or seeking to restrain or enjoin the collection of Revenues or other moneys pledged or to be pledged to pay the principal of and interest on the Series 2021A Bonds or otherwise under the Indenture or the pledge thereof; (d) contesting in any way the completeness or accuracy of the Official Statement; or (e) contesting the power of the officials of the City or its authority with respect to the Indenture, the Series 2021A Bonds, the Official Statement, the Continuing Disclosure Agreement, the LBA Escrow Agreement, the STR Escrow Agreement or the Purchase Contract.

9. While not passing upon, and not assuming responsibility for, the accuracy, completeness or fairness of the statements contained in the Preliminary Official Statement and the Official Statement, no facts have come to my attention which lead me to believe that (apart from the financial information, statistical data and forecasts contained therein, and information concerning The Depository Trust Company, the Trustee and the Financial Advisor, as to which no opinion or belief is expressed) the Preliminary Official Statement, as of its date and as of the date of the Purchase Contract, and the Official Statement, as of its date and as of the date hereof, contained or contains any untrue statement of a material fact or omitted to state at its date or omits at the date hereof to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

This opinion is furnished solely for the benefit of its addressees and may not be relied upon by any other person.

Very truly yours,

City Attorney
